# Start your own money making business!

**Because the small engine industry has grown so quickly, an acute shortage of qualified Small Engine Professionals exists throughout the country. In fact, it's not unusual for a good small engine man to be three to four weeks behind in the summer and at least a week behind in the winter. When you see how many small engines are in use today, it's easy to understand why qualified men command such high prices—as much as $17.50 for a simple tune-up that takes less than an hour!**

## 46-million small engines are in service today!

That's right—there are over forty-six million 2-cycle and 4-cycle small engines in service across the U.S.A. That's the official count from the Engine Service Assn., and new engines are being built at a rate of one-million per month! With fully accredited and approved Belsaw training, you can soon have the skill and knowledge to make top money servicing these engines. Homeowners and businessmen will seek you out and pay you well to service and repair their lawnmowers, tillers, edgers, power rakes, garden tractors, chain saws, mini-bikes, go-carts, snowmobiles, generators, snowblowers, paint sprayers...the list is almost endless.

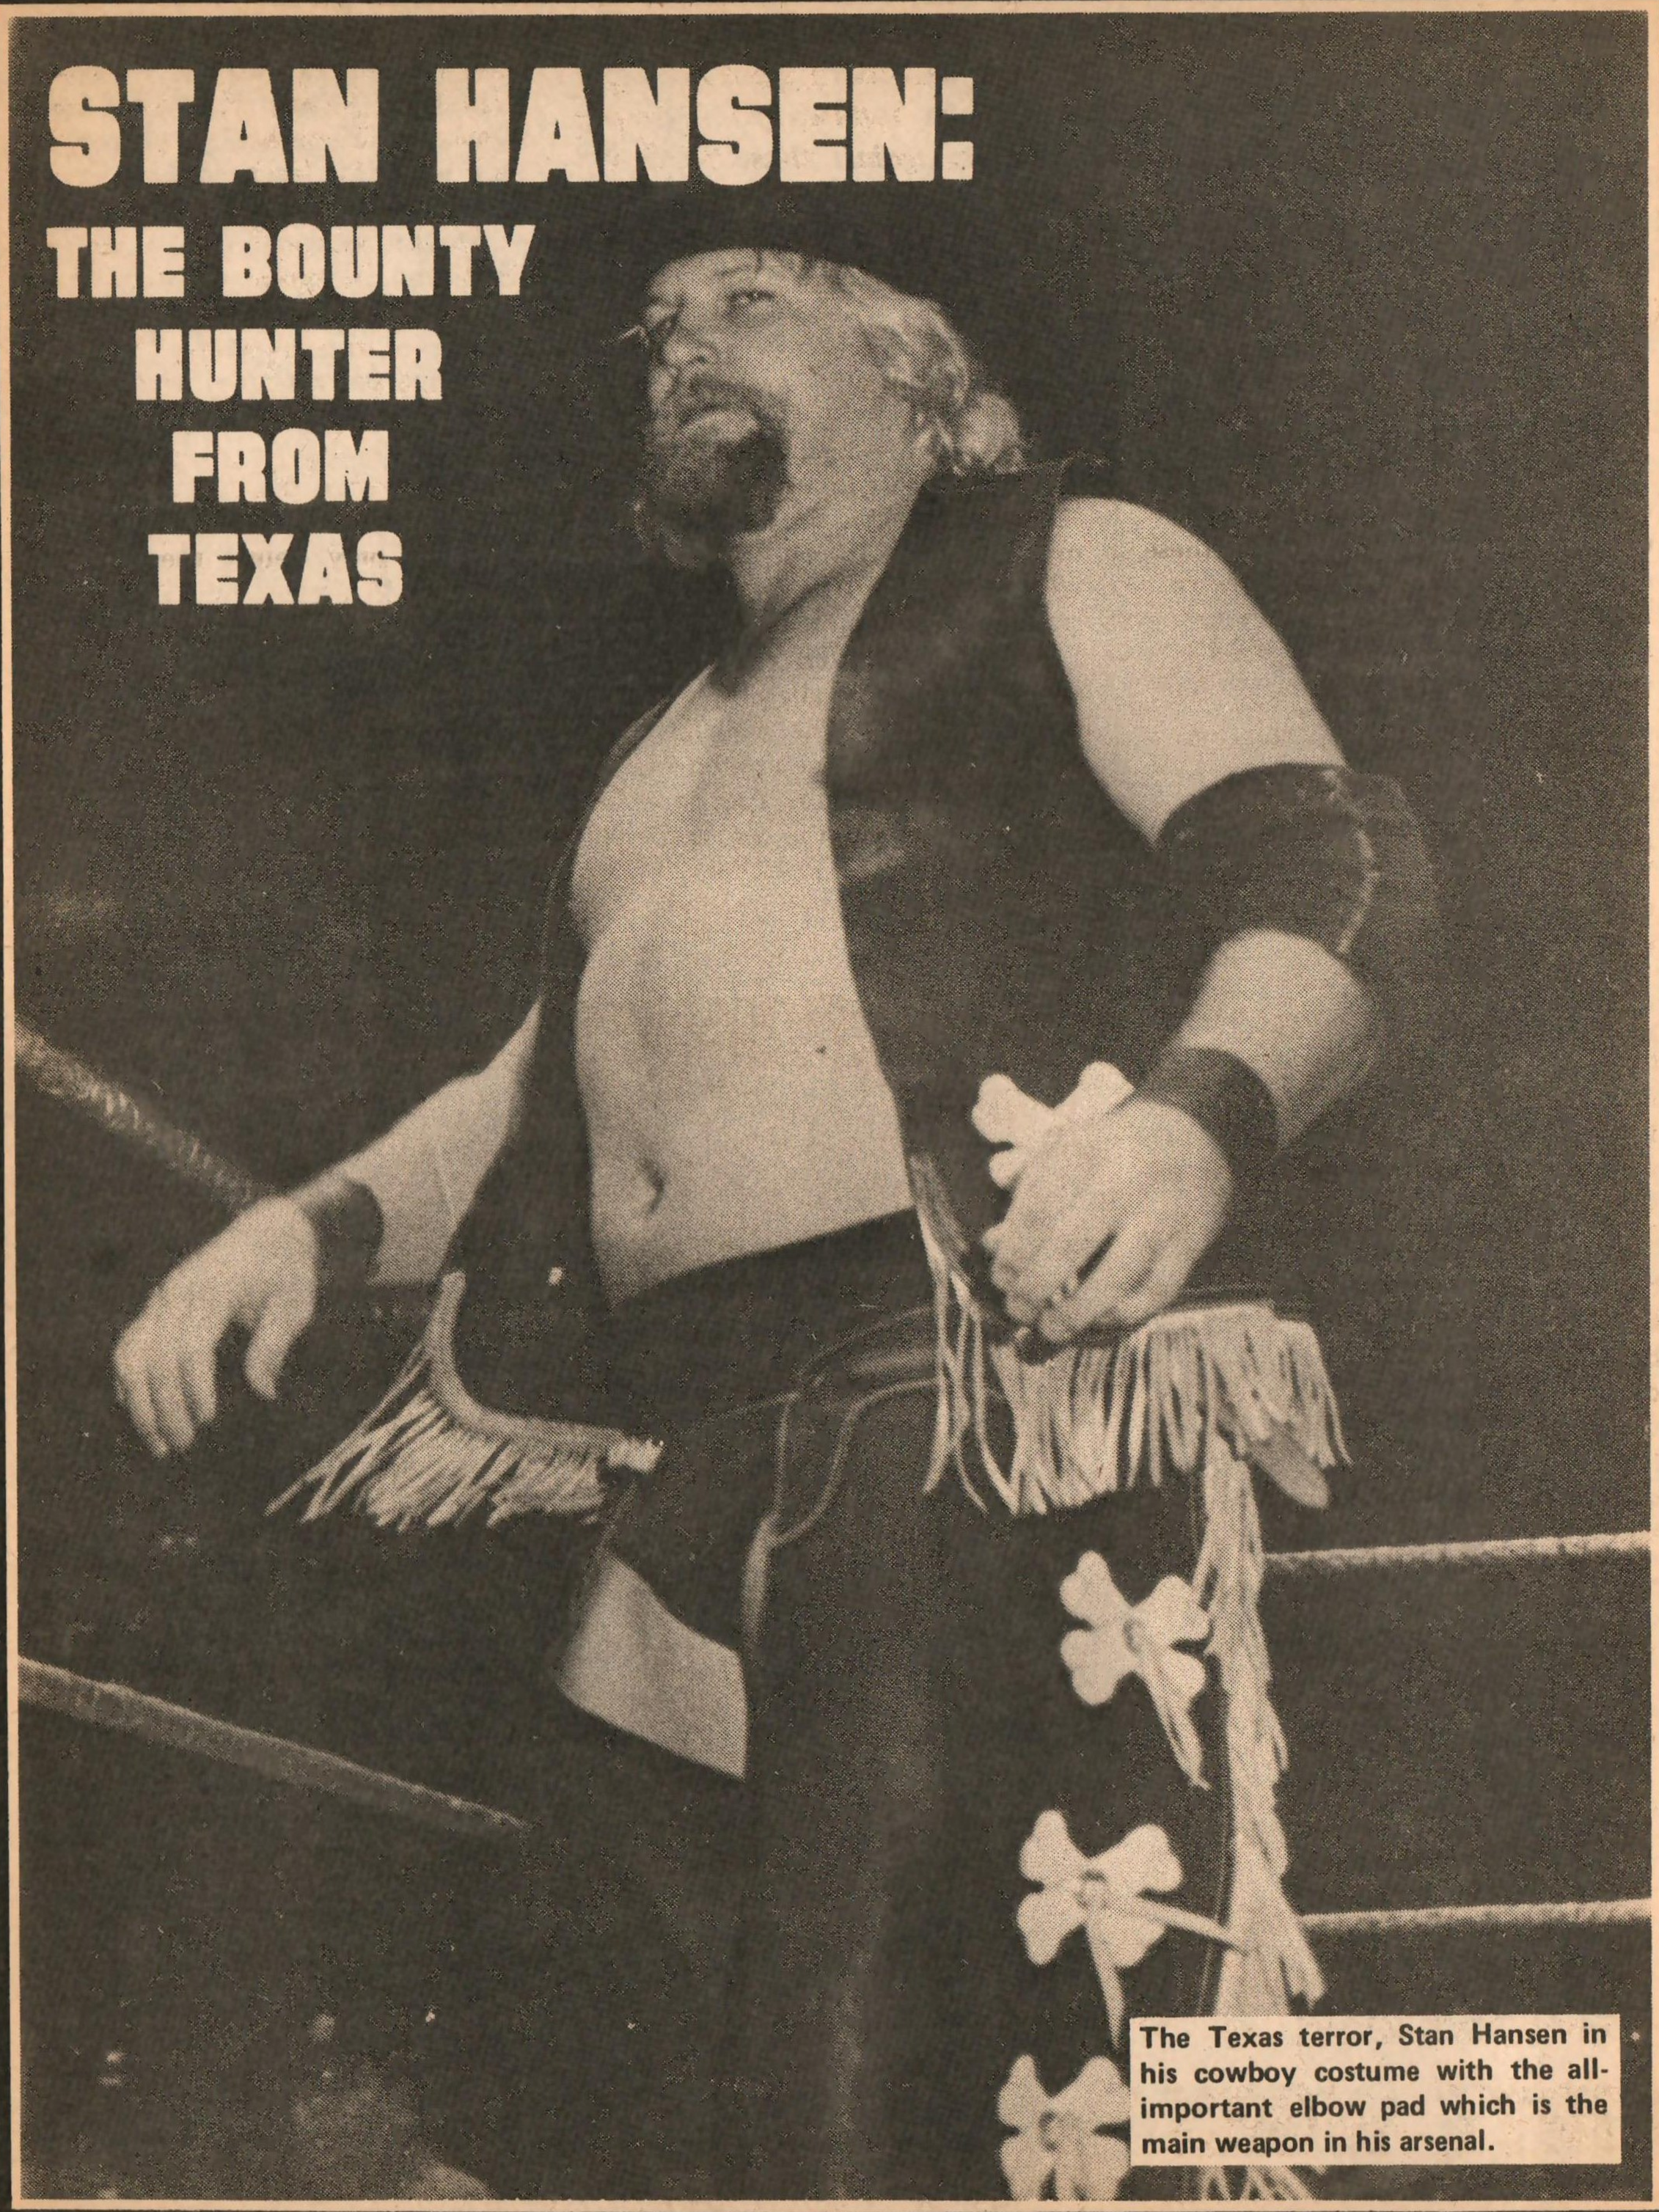
# STAN HANSEN:

## THE BOUNTY HUNTER FROM TEXAS



The Texas terror, Stan Hansen in his cowboy costume with the all-important elbow pad which is the main weapon in his arsenal.

# HANSEN HIRED TO DO BLASSIE'S DIRTY WORK

*"I've brought in Stan Hansen from Borgor, Texas, all 6 feet 5 inches and 315 pounds of him. I've told this big Texan that I want the hides of six wrestlers. I told him I would pay extra bonuses if he can put them into the hospital. I have this vendetta against these particular six wrestlers and I won't rest until vengeance is mine."*

*These were the words of Fred Blassie when he introduced his newest protege Stan Hansen to the World Wide Wrestling Federation.*

**By FRANK AMATO**

As you well know, I needed surgery on my right eye in an emergency operation that stemmed from this unwarranted attack upon me by these six cowardly wrestlers. This one particular wrestler kept hitting me in my right eye. The operation saved my eye. I swore I would get even."

"After weeks of rehabilitation, I went down to Borgor, Texas, to look up Stan Hansen. I told him of my plight. He agreed to come into the WWWF to rid wrestling of these six cowards. Stan is more than eager to do the job," stated Blassie.

Hansen, looking from the sidelines, spoke up, "What Mr. Blassie wants he gets. I don't like wrestlers who attack my friends. My manager Mr. Blassie is paying big money for my services. I will deliver the bodies he wants."

This sounded much like a bounty hunter. The question was put to Hansen, who answered,"Yes, I'm a bounty hunter. The best kind because I get things done. You give me the name of the wrestler and he gets leaned on real good. I'm a pro wrestler but my specialty is being a bounty hunter."

Blassie smiled, "I wouldn't want to be in the shoes of these six wrestlers who are scheduled for extinction. Stan Hansen has a weapon called 'The Lariat'. This lariat will destroy my attackers. It will also destroy any wrestler who dares get into the same ring with him."

Blassie was asked who were the six wrestlers who allegedly attacked him. He stated, "The main attacker, the one who beat me around the eye is Bruno Sammartino. You heard me right. Sammartino the big hero who calls himself a sportsman. The WWWF champ himself.

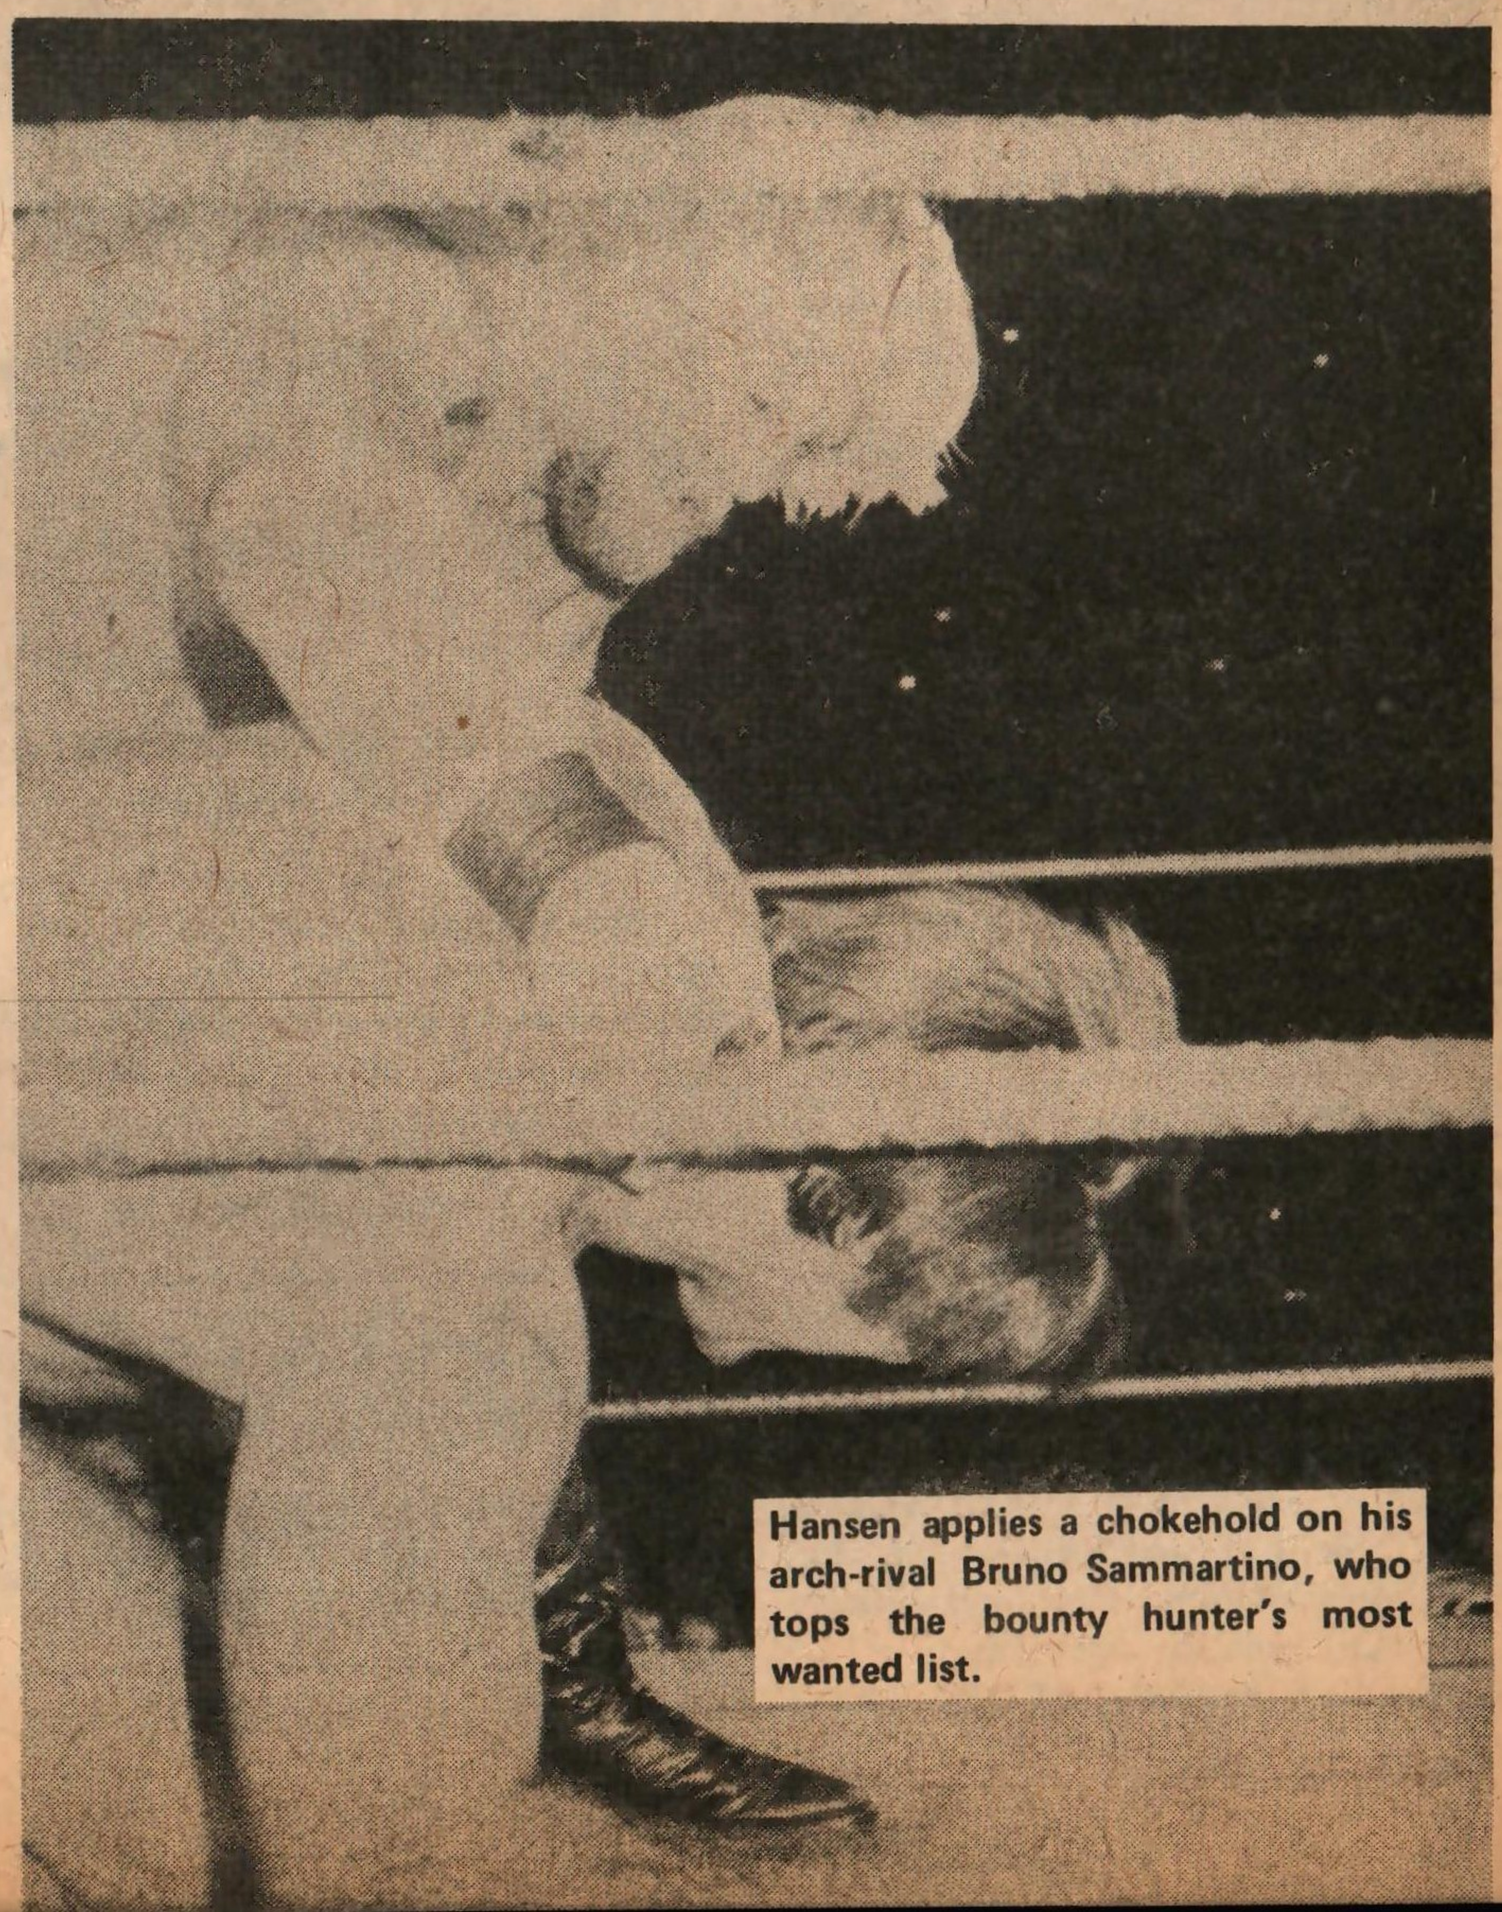
"The other five wrestlers were Dominic DeNucci, Haystacks Calhoun, Ivan Putski, Tony Parisi and Gorilla Monsoon. They held my arms and legs while big shot Sammartino did his dastardly deed."

Hansen commented, "I will put each and everyone of them in the hospital. I will destroy them so they will never wrestle again. I will make them rue the day they ever heard of Fred Blassie and Stan Hansen. My lariat will do this."

Blassie went on, "I'll make a prediction here and now. Stan Hansen will not only defeat these cowards but he will get me the WWWF title from Sammartino.

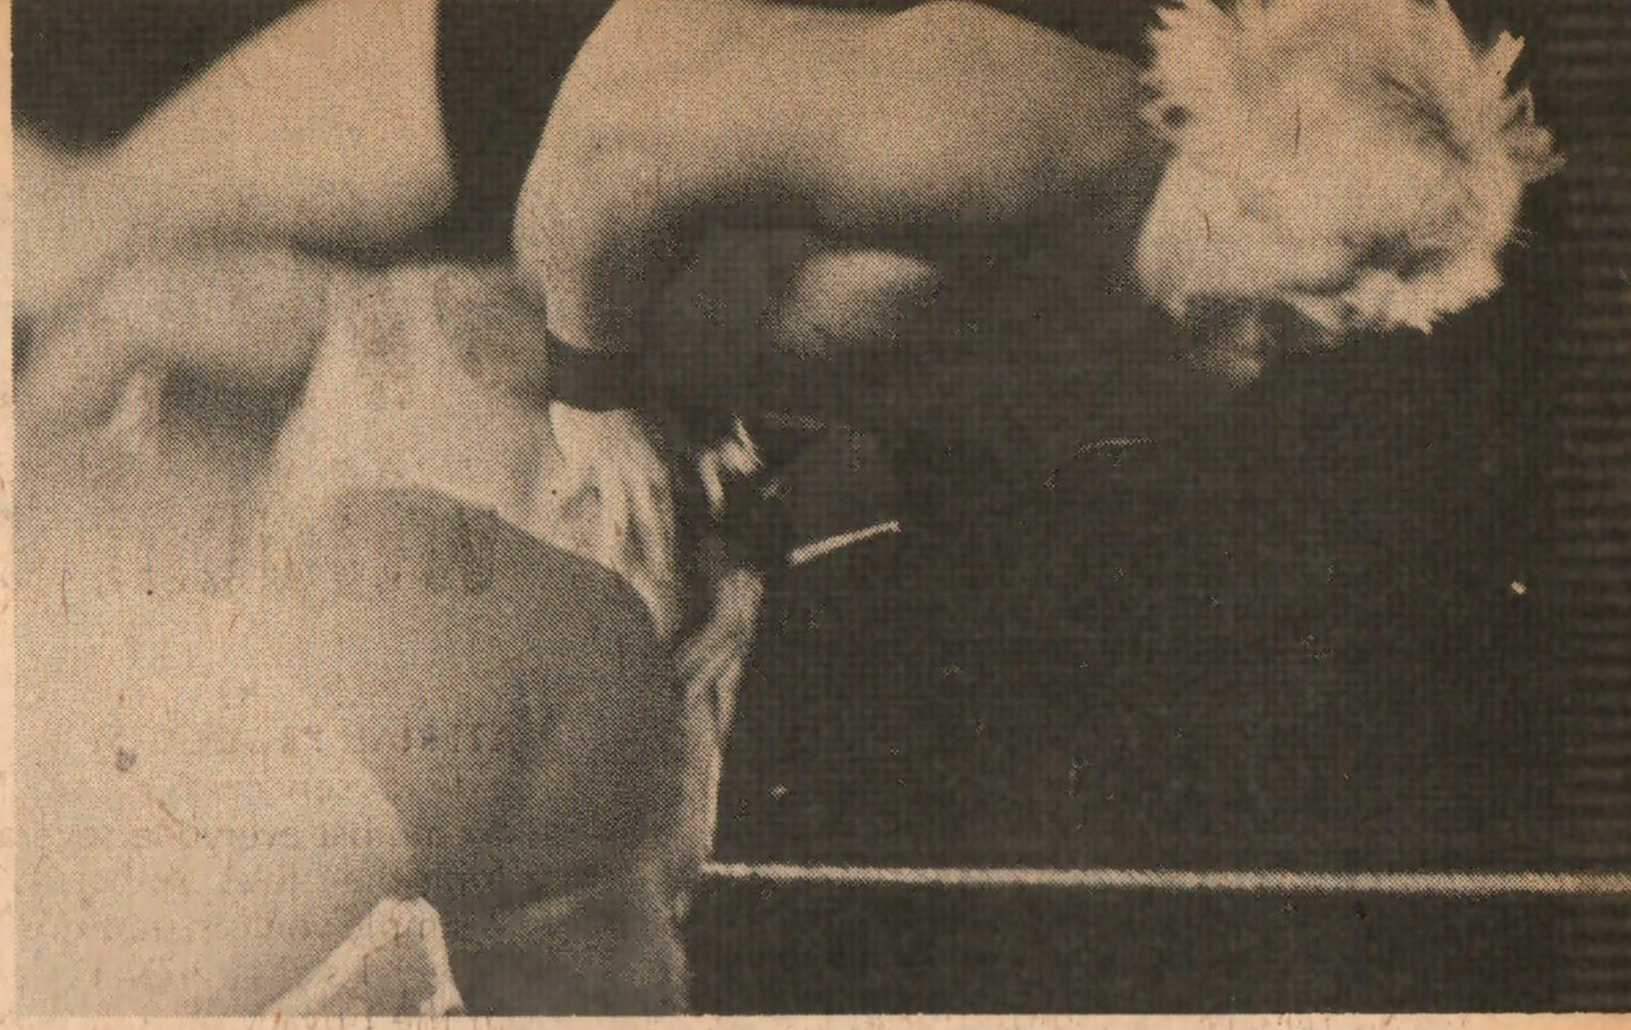
"I want Sammartino's hide more than anything right now but I also want his belt. I've wanted his belt for over 10 years now. Only now it will give me pleasure to get two birds with one mighty swipe of Stan's lariat."

When the WWWF wrestling fans

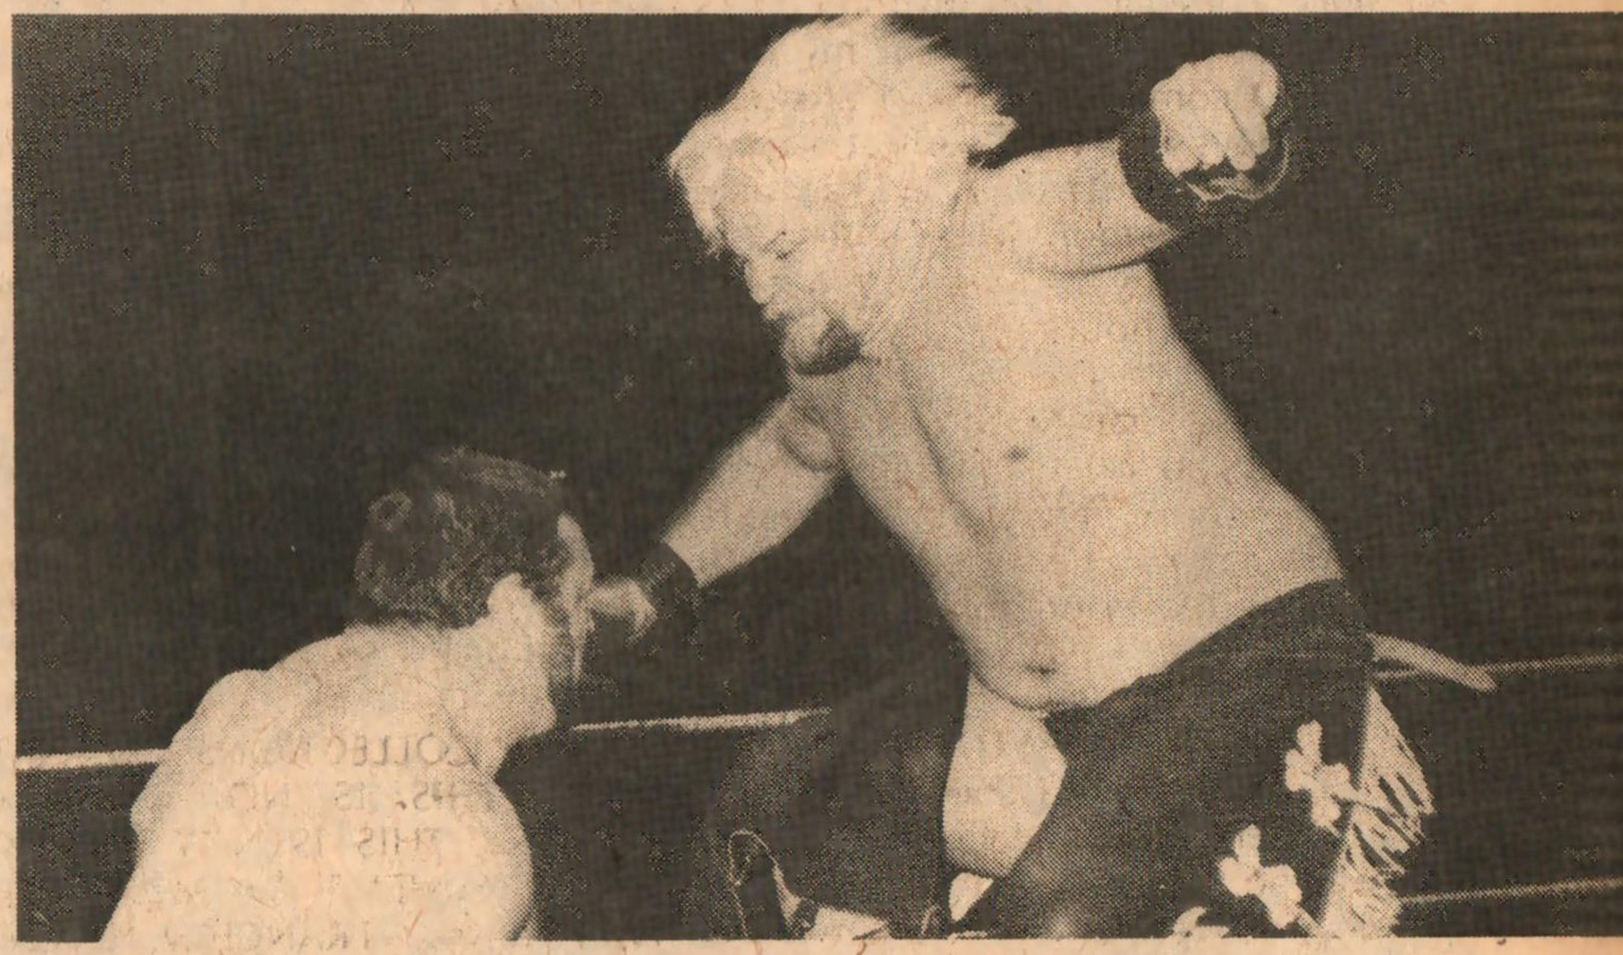


Hansen applies a chokehold on his arch-rival Bruno Sammartino, who tops the bounty hunter's most wanted list.

# BLASSIE SEEKS REVENGE FOR INJURY TO HIS EYE



Stan Hansen does him impression of the daring young man on the flying trapeze as he soars through the air with the greatest of ease courtesy of Bruno Sammartino's backdrop.



The action was fast and furious when Stan Hansen did battle with Ivan Putski as the bounty hunger never even had time to remove his chaps.

first cast their eyes on Stan Hansen they saw a big blond Texan all decked out in full cowboy costume. Black hat, vest and chaps trimmed in silver. On his black cowboy boots were silver spurs. On the left arm, Hansen wore this black elastic elbow pad. This was the weapon used for the lariat.

From Hansen's debut in the WWWF through the next few months, Stan ripped past his opponents with ease. The lariat sent many opponents out of the ring on a stretcher.

The lariat originally was delivered by Hansen armwhipping an opponent off the ropes, then rushing forward with his left arm extended rigidly outward so that the elbow pad caught the opponent across the throat.

Then came the first important match for Hansen against top-rated Dominic DeNucci. Stan Hansen proved why he gets paid highly for his services. He caught DeNucci with the lariat not across the throat but on the head. This blow cut up DeNucci. Then a second lariat rendered Denucci beaten and helpless.

"That was number one on the list," said Blassie. "Did you see the lariat used? This is the way it will be used against my attackers. Why that DeNucci never knew what hit him."

This victory by Hansen earned him a title match with Sammartino. By now, Blassie couldn't stop talking about how Hansen would win the title and claim he would get revenge because of the attack.

Sammartino took this opportunity to answer queries about his alleged attack on Blassie. Said Bruno, "Fred Blassie had an eye operation. The reason behind it only Blassie knows, but I claim here and now that I nor any other wrestler ever attacked Blassie. I've never been accused of any kind of nonsense like this before.

"What Blassie is trying to pull off I haven't the slightest idea. Maybe Blassie is trying to condone the reason why Hansen is going around injuring wrestlers. I really don't know."

The first match between Sammartino and Hansen involved a lot of

# MONEY!
# beyond your wildest dreams . . .

Ever thought of starting a business of your own? Sure you have! But, today you need unlimited funds to get started and even then it's a big gamble—with a small chance if any, of really making big money. Right? Wrong!!!

Take two minutes to read this ad. It may change your life!

*With $100. and a telephone* you can shatter your 8 am. to 5 pm. existence. Long ago I left my forty hours a week 'job.' Now I am my own boss. I come and go as I please. I take days and weeks off at a time, anytime I wish! Many days I am able to sleep till noon (Most of the time I do). And, my business continues to operate 12 hours per day, 7 days a week.

In less than 2 months weekly earnings in excess of $1000. were becoming a very common reality and, that was just the beginning!!! Sounds too good to be true? Not at all!

**I BEGAN WITH $100. AND A TELEPHONE...**

When I started my business there was no service like it in the entire city of Syracuse, New York. Six months later—there were three others in operation in the city. *All are enjoying great success!*

Today I am president of my own corporation. My offices have been described as "very plush" and are now located on the busiest street in my city. I employ 3 receptionists who answer thousands of calls each week. Not including my answering services. Before I go any farther I want to clearly state:

**THIS IS NOT TELEPHONE SOLICITING OR COLLECTIONS OF ANY KIND!**

Each and every money making call is *an in-coming call!* I have received checks from people in almost every state in the country as payment for my service.

**I SELL NO MATERIAL PRODUCTS!**

I provide a service very much needed by almost everyone several times during their lives. *A dynamic service* so simple you can perform it with no special skills or education right from the privacy of your own home! People will seek you for the unique service *you provide* and then, eagerly pay a fee that *you establish!*

No large outlay of capital is needed (I began with $100.), you can easily begin with less! There is no need to leave your present job, however, soon you may want to. In fact you could begin tomorrow and make more money in one day, than you are probably earning all week!!!

I absolutely guarantee you will have hundreds of persons calling for your service the very first day. Again I must remind you: THIS IS NOT TELEPHONE SOLICITATION OF ANY KIND. THIS IS NOT TELEPHONE COLLECTIONS OF ANY KIND. THIS IS NO MYSTICAL 'POWER.' THIS IS NOT A MAIL ORDER SCHEME OF ANY KIND. THIS IS NO FRANCHISE OFFER. THIS IS NO THINK BIG TYPE OF MATERIAL.

What you will be mailed is *an opportunity* and, a step by step completely guided plan for you to begin *your own very successful business.*

This money making idea is so fantastically unique that I can safely claim:

**IT HAS NEVER BEEN OFFERED TO THE PUBLIC BEFORE! NOT AT ANY PRICE!**

When you decide to begin your business you are never alone! I stand ready to offer you personalized instruction and professional consultation at any time.

I will show you the opportunity of making money . . . beyond your wildest dreams!

ABSOLUTELY NO RISK-I will mail you the idea and guide for $10. (my cost) by return mail! Read it over for ten days as my guest. Then, after discovering yourself the incredible potential of this idea, mail me the balance $9.95 at your convenience! If you don't agree the idea is worth 100 times its cost, return it. drama. Throughout the battle neither athlete had the upper hand. Stan Hansen pulled out all the dirty tricks he could muster. Sammartino tried to wrestle by the rules but was forced to rough-house it.

Then, Hansen caught Bruno with his lariat across the head. Down toppled Bruno, blood spilling down his face.

The referee and doctor checked the wound and let the match continue. Meanwhile, Hansen appeared to pull something out of his trunks and insert it into the elbow pad. Another lariat sent Bruno to the mat, the blood flowing freely down his face and body. Now the referee and doctor checked things out and wisely stopped the match.

Later in his dressing room, Bruno was near collapse as the pain grew unbearable in his neck and back. Sammartino would spend the next six weeks in traction with a broken neck.

Hansen and Blassie went on television and claimed, "We won the title, Sammartino will never wrestle again. By virtue of this victory, we claim the title."

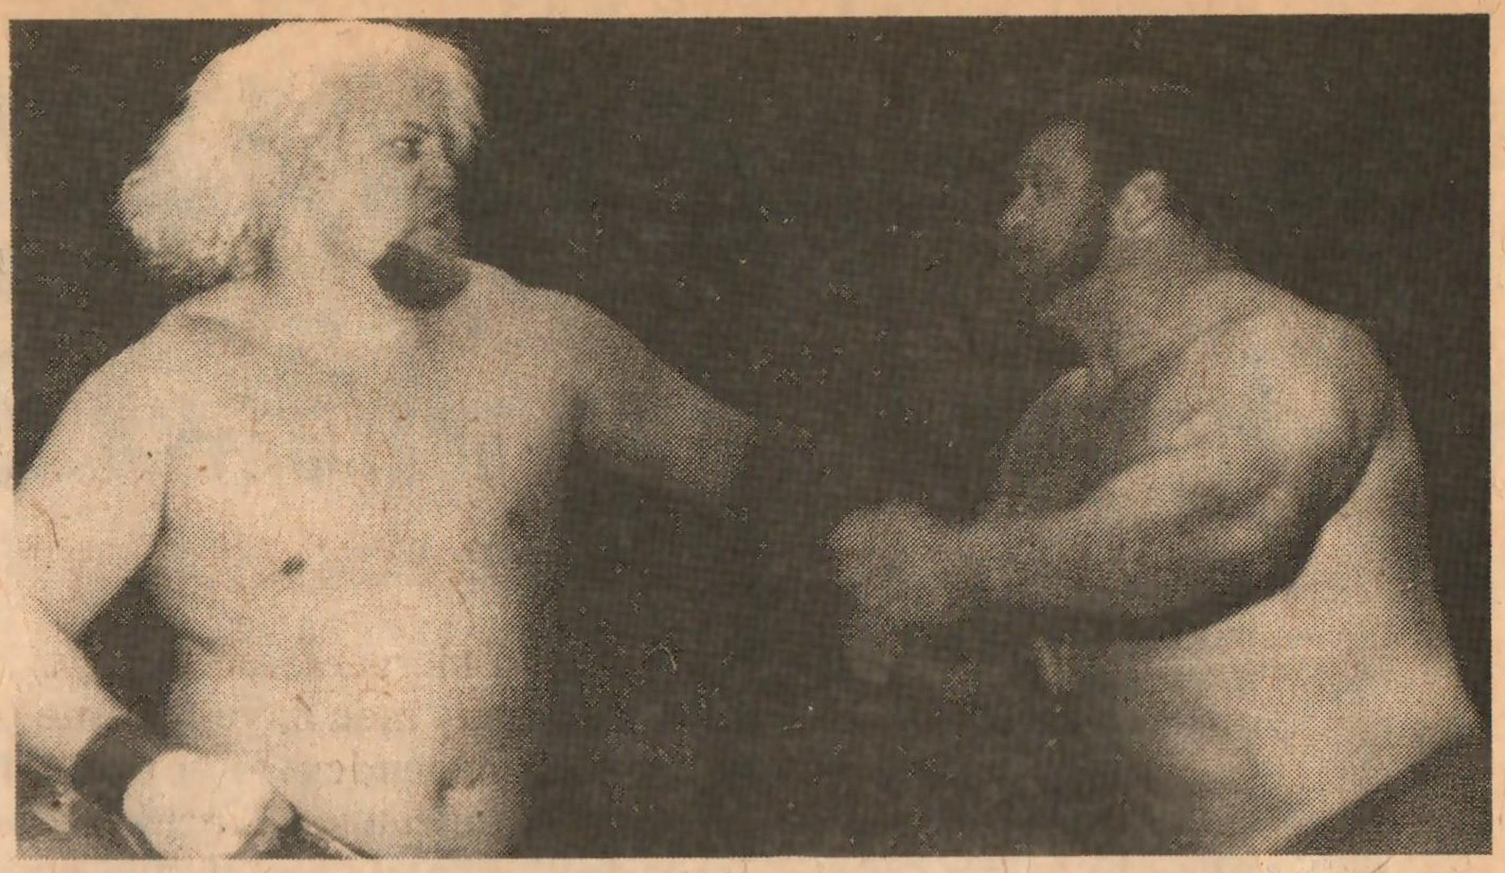
The next Madison Square Garden card saw Hansen do battle with Ivan Putski and what a battle it was. Although it lasted only four minutes it was action packed from the start.

Putski came out like a roaring bull. He battered Hansen around the ring but Hansen battled back. Then, Hansen delivered the lariat leaving Putski hurt and bloody. Another lariat finished off Putski as the referee and doctor stopped the match. That night Putski stayed in hospital with a neck injury.

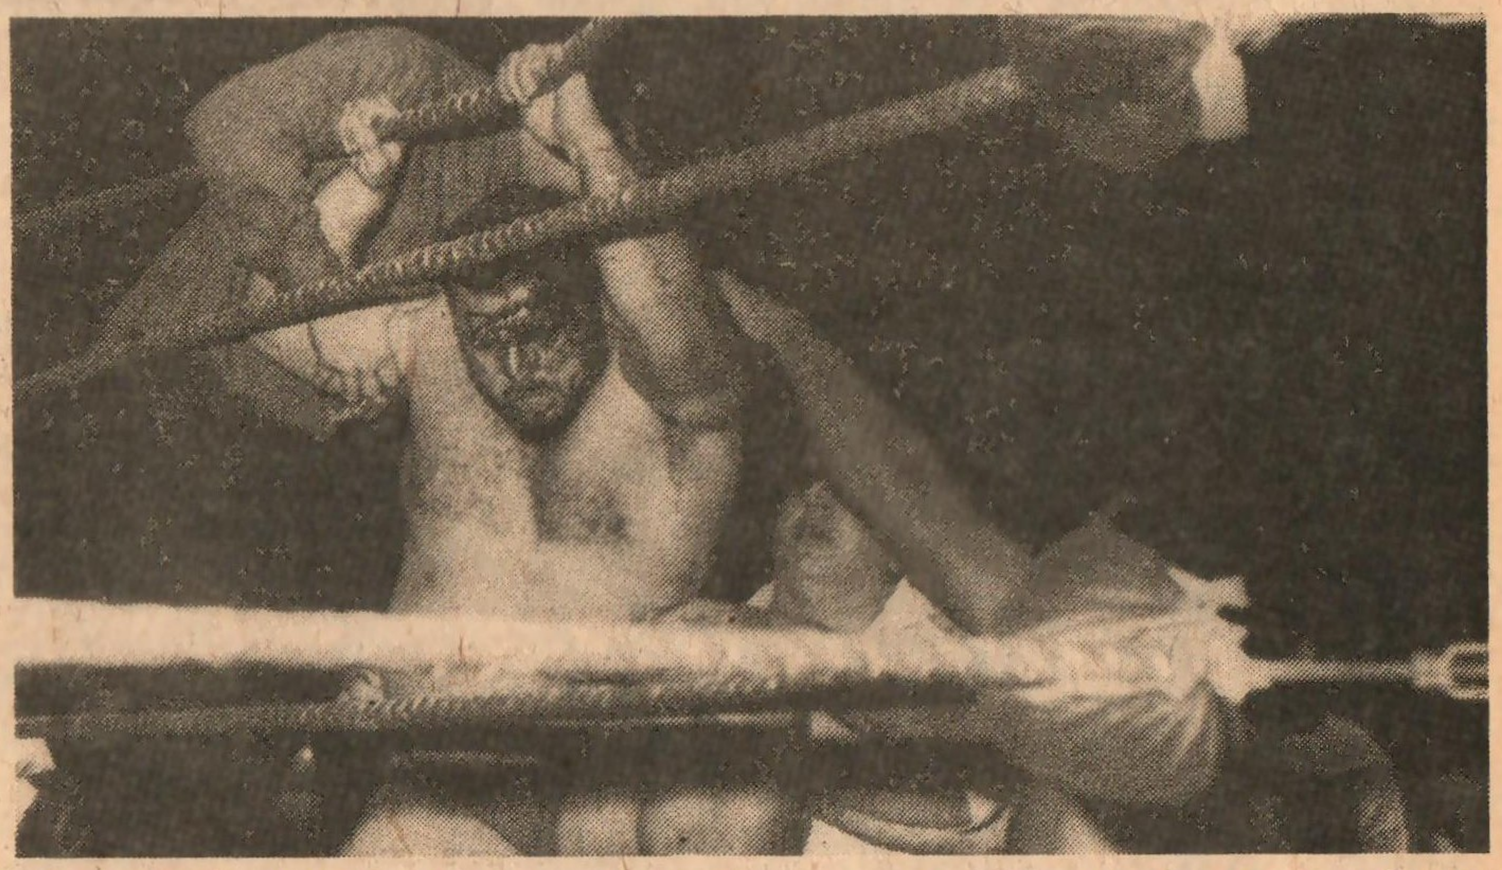
Now Blassie was overjoyed, "First, DeNucci. Then, Sammartino and now Putski. That makes three attackers accounted for. The rest will follow. We want the belt."

Yet Hansen and Blassie would be denied the belt. Sammartino returned

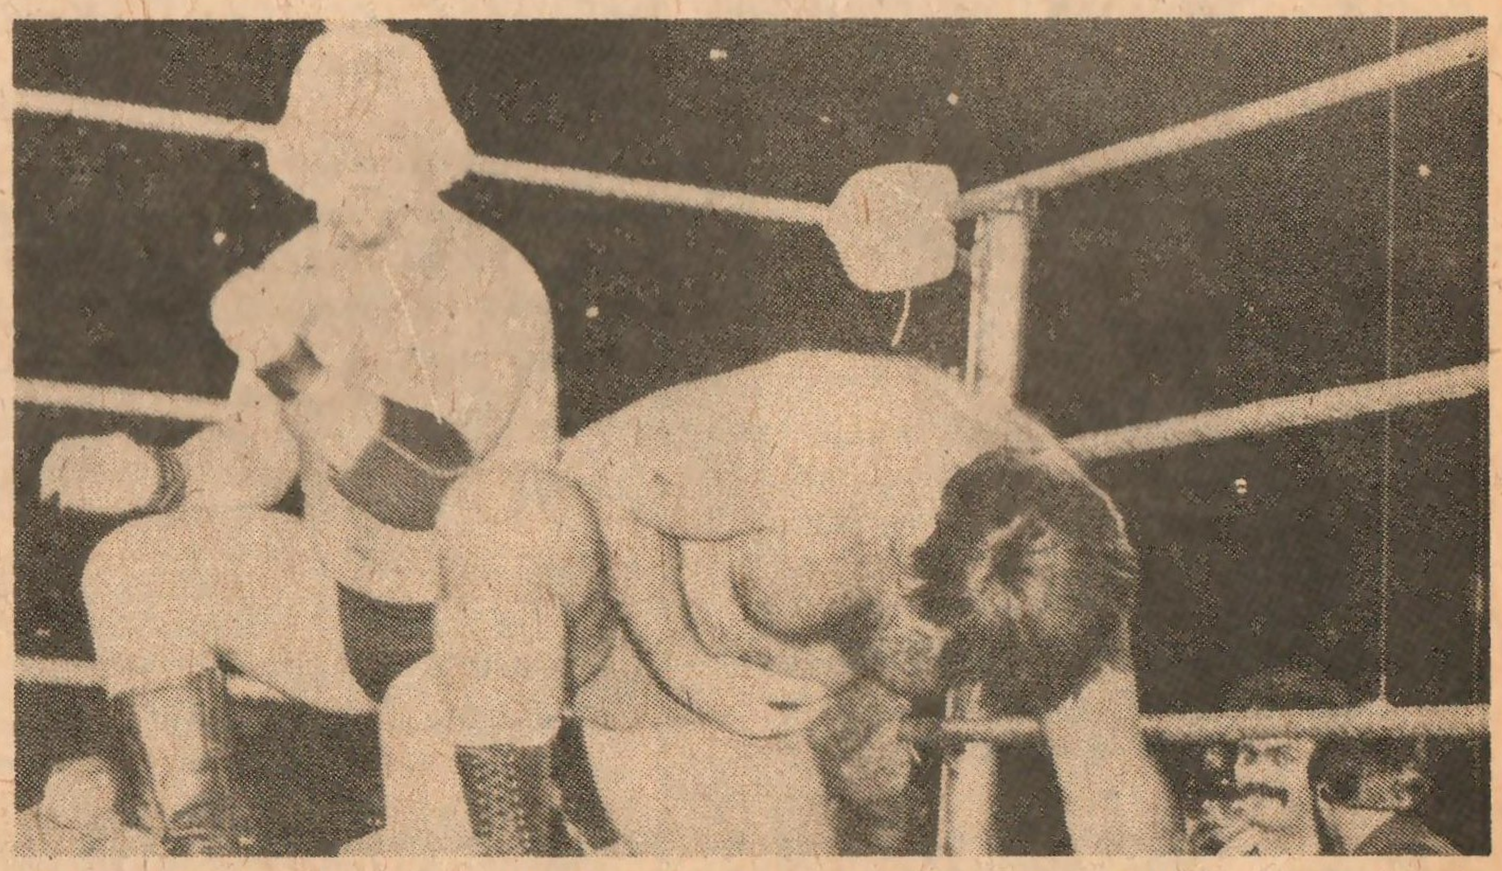
# TEXAS TERROR USES THE LARIAT AS MAIN WEAPON



Ivan Putski goes to work on Stan Hansen's left arm while the Texan gets ready to deliver a right to the head of wrestling's 'Mr. Polish Power'.



Stan Hansen's lariat has done its damage as a bloody and battered Ivan Putski needs the assistance of some of his supporters to get back to the dressing room.



Bruno Sammartino is on his knees groggy after Stan Hansen has gone to work with his infamous lariat, the weapon that sent Sammartino to the hospital with a broken neck.

# A million jobs have disappeared since 1960

# Will Your Job be Next to Go?

## Shouldn't you start your own business NOW ...while still employed?

**Before more jobs disappear through mergers, automation, and mechanization, shouldn't you at least investigate the way so many men have become owners of profitable businesses —starting spare time and now are independent of bosses, strikes, layoffs and automation? All that's needed is your name on the coupon. Facts mailed free. No salesman will call.**

**Here are facts:** With some ambition and less than fifteen hundred dollars, you start your own Duraclean business, spare time, without risking your job or paycheck!

It's a nationally advertised, worldwide business. It does not require skill, more than an average education, or traits except the willingness to work to start grossing $12, $19, or $26 profit per hour. By return mail, we will explain how.

You build by adding servicemen and/or servicewomen . . . and we pay for their equipment so you can expand rapidly.

This is a service to homeowners as well as offices and stores and institutions—a sensationally improved method of cleaning carpets and upholstered furniture right on the customer's premises—the EXCLUSIVE DURACLEAN SYSTEM!

When you have had your own carpet and furniture cleaned, you know that ordinary methods grind fibers with harsh scrubbing, leaving carpet soggy for days.

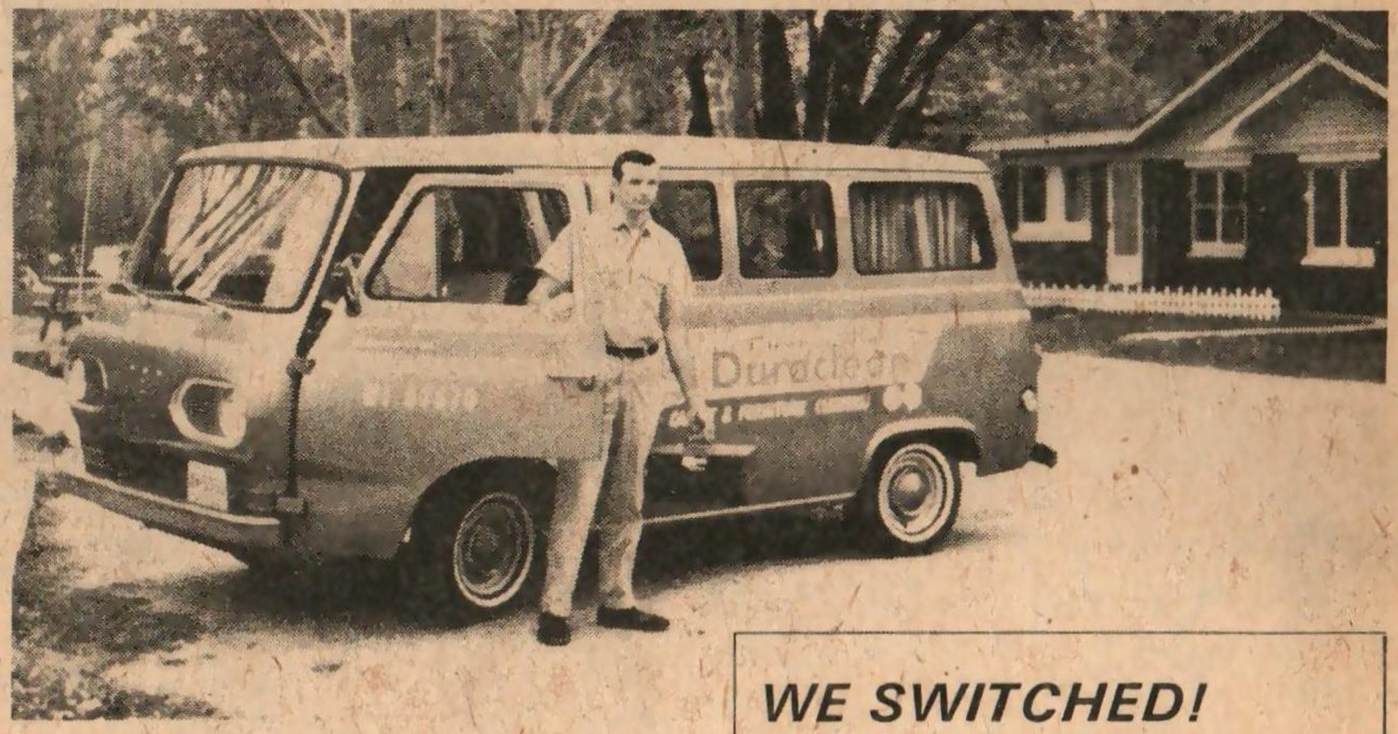
This exclusive ABSORPTION METHOD lifts out dirt and greasy soil with a gentle, almost dry foam. Do-it-yourself "so-called" cleaning methods and scrubbing drive soil deeper. You TAKE IT OUT. Carpets and furniture can be used again in a few hours! This is vital to stores, offices, motels.

You operate under a nationally known name—use an exclusive process recommended by the nation's leading carpet mills and in the editorial pages by House & Garden, McCalls, Parents, and House Beautiful. You receive our step by step guidance and help.

Your training shows you how to perform your 7 superior "on location" services . . . how to get customers, how to control your expenses, how to make the maximum profit. You become an expert in the care of furnishings. It is an interesting, exciting career.

Although in time you will wish to buy one or more trucks from your profits, no truck or office is needed to start. You can carry all equipment in your car trunk. Your phone calls can be received at home.

As a Duraclean Dealer you are the sole owner of an independent business and are your own boss. You keep all the net profits.



This business can pay you far more than most men earn—with only the talent and ambition you now possess, and you can operate in any one of three ways.

Many let servicemen do the work while they make a substantial profit on each.

Some men operate permanently in spare time for the extra money they need. Some start in spare time and quit their jobs only after they see they can make a lot more money as a full time Duraclean Specialist.

Even small one-man businesses with one or two helpers can and do bring in $30,000 and more annually. A very high percent is clear profit to you.

The Duraclean Business can be as small as you want or it can be expanded to the level your ambition dictates. There is no limit on income for an ambitious man.

We are about to appoint a limited number of men who are truly ambitious, and anxious to do something about their futures. We want men who will follow our proven plans for success and who want—with our help—their own successful businesses.

If this opportunity interests you, please send your name, on the coupon at the right, for a FREE 24-page booklet which gives complete details on the Duraclean Business. No salesman will call on you. After you've read the facts, decide in the privacy of your home if you wish to take the next step toward starting a business.

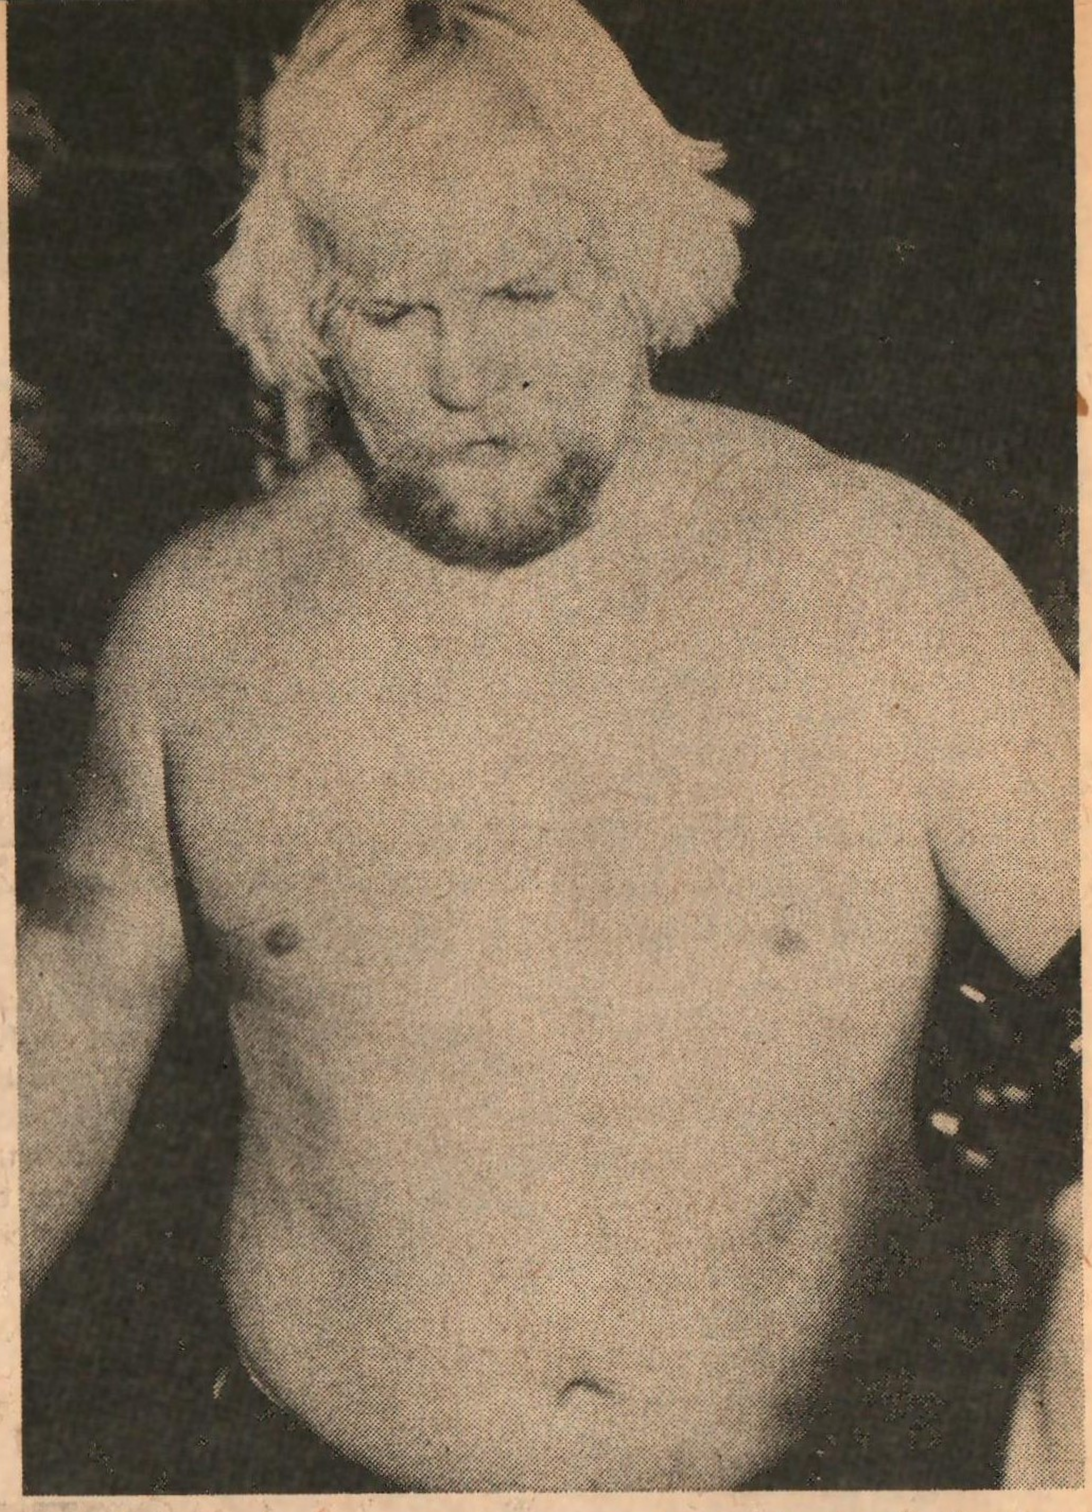
Stan Hansen has a look of satisfaction as he gets set to pounce on a grimacing Bruno Sammartino after delivering a knee to the neck of Sammartino in an obvious attempt to re-injure the popular WWWF champion.



Stan Hansen has a pensive expression as he heads back to the dressing room after another victory. He's probably thinking about the next bounty he will get as he tracks down his list of victims.

# HANSEN HAS EYE ON WWWF TITLE

and issued a challenge to Hansen for a rematch to take place in Shea Stadium.

The return bout saw Sammartino tear into Hansen with fire in his eyes. Hansen also found his lariat very ineffective as Sammartino ducked under it. Then, Bruno removed the lariat elbow pad and Hansen grew frantic.

Hansen got a taste of his own medicine as Bruno attacked him mercilessly with his elbow pad until he bled profusely. Hansen left the ring bloody, running back to the safety of the dugout.

Blassie claimed, "The lariat elbow pad was loaded by Sammartino, he put something in it to hurt Stan. It was a low down dirty trick."

Throughout Hansen's stay in the WWWF, the lariat elbow pad was under suspicion. At one point, commentator Vince McMahon Jr. checked the lariat and silver dollars dropped from it.

Hansen claims, "It was a trumped up display to discredit me. I never had anything or put anything in my elbow pad. Those silver dollars were not mine."

There was another bout between Hansen and Sammartino in a steel cage at Madison Square Garden. This time there was no doubt of the winner. Hansen put up a brave battle but his lariat once again failed him. Again, Sammartino took possession of the lariat and battered Hansen senseless and bloody.

Hansen is far from finished with Sammartino. He is far from finished with collecting the bounty on the heads of Blassie's attackers.

Hansen did battle with Haystacks Calhoun and battered him into defeat.

Only Tony Parisi remains unscathed. Says Blassie, "That yellow coward left the WWWF. Well, I'll catch up with him some day. He can run but never hide. Parisi, you are a marked man."

Hansen still continues his bounty hunting ways. He still sends his battered opponents out of the ring on stretchers. Blassie still pays dearly for certain wrestlers he wants hurt. They have nothing to do with his alleged attack but Blassie has waged a war.

Says Fred, "I tell Stan to get me their hides and he does just that. I pay big money to Stan and he loves collecting those big fat checks. Stan Hansen is the modern day bounty hunter. The only such person around."

Hansen seems to have found his purpose in wrestling. Being a bounty hunter makes his chest swell in pride.

Stan says, "From now on any wrestler who wants a bounty collected can call on me. "I may not have won the WWWF title so far but I'm dogging this here Sammartino. I will have that belt. I beat him badly once and I'll do it again.

"I like collecting these bounties. So all you wrestlers out there listen well. Send for Stan Hansen, the bounty hunter. I'll get your job done."

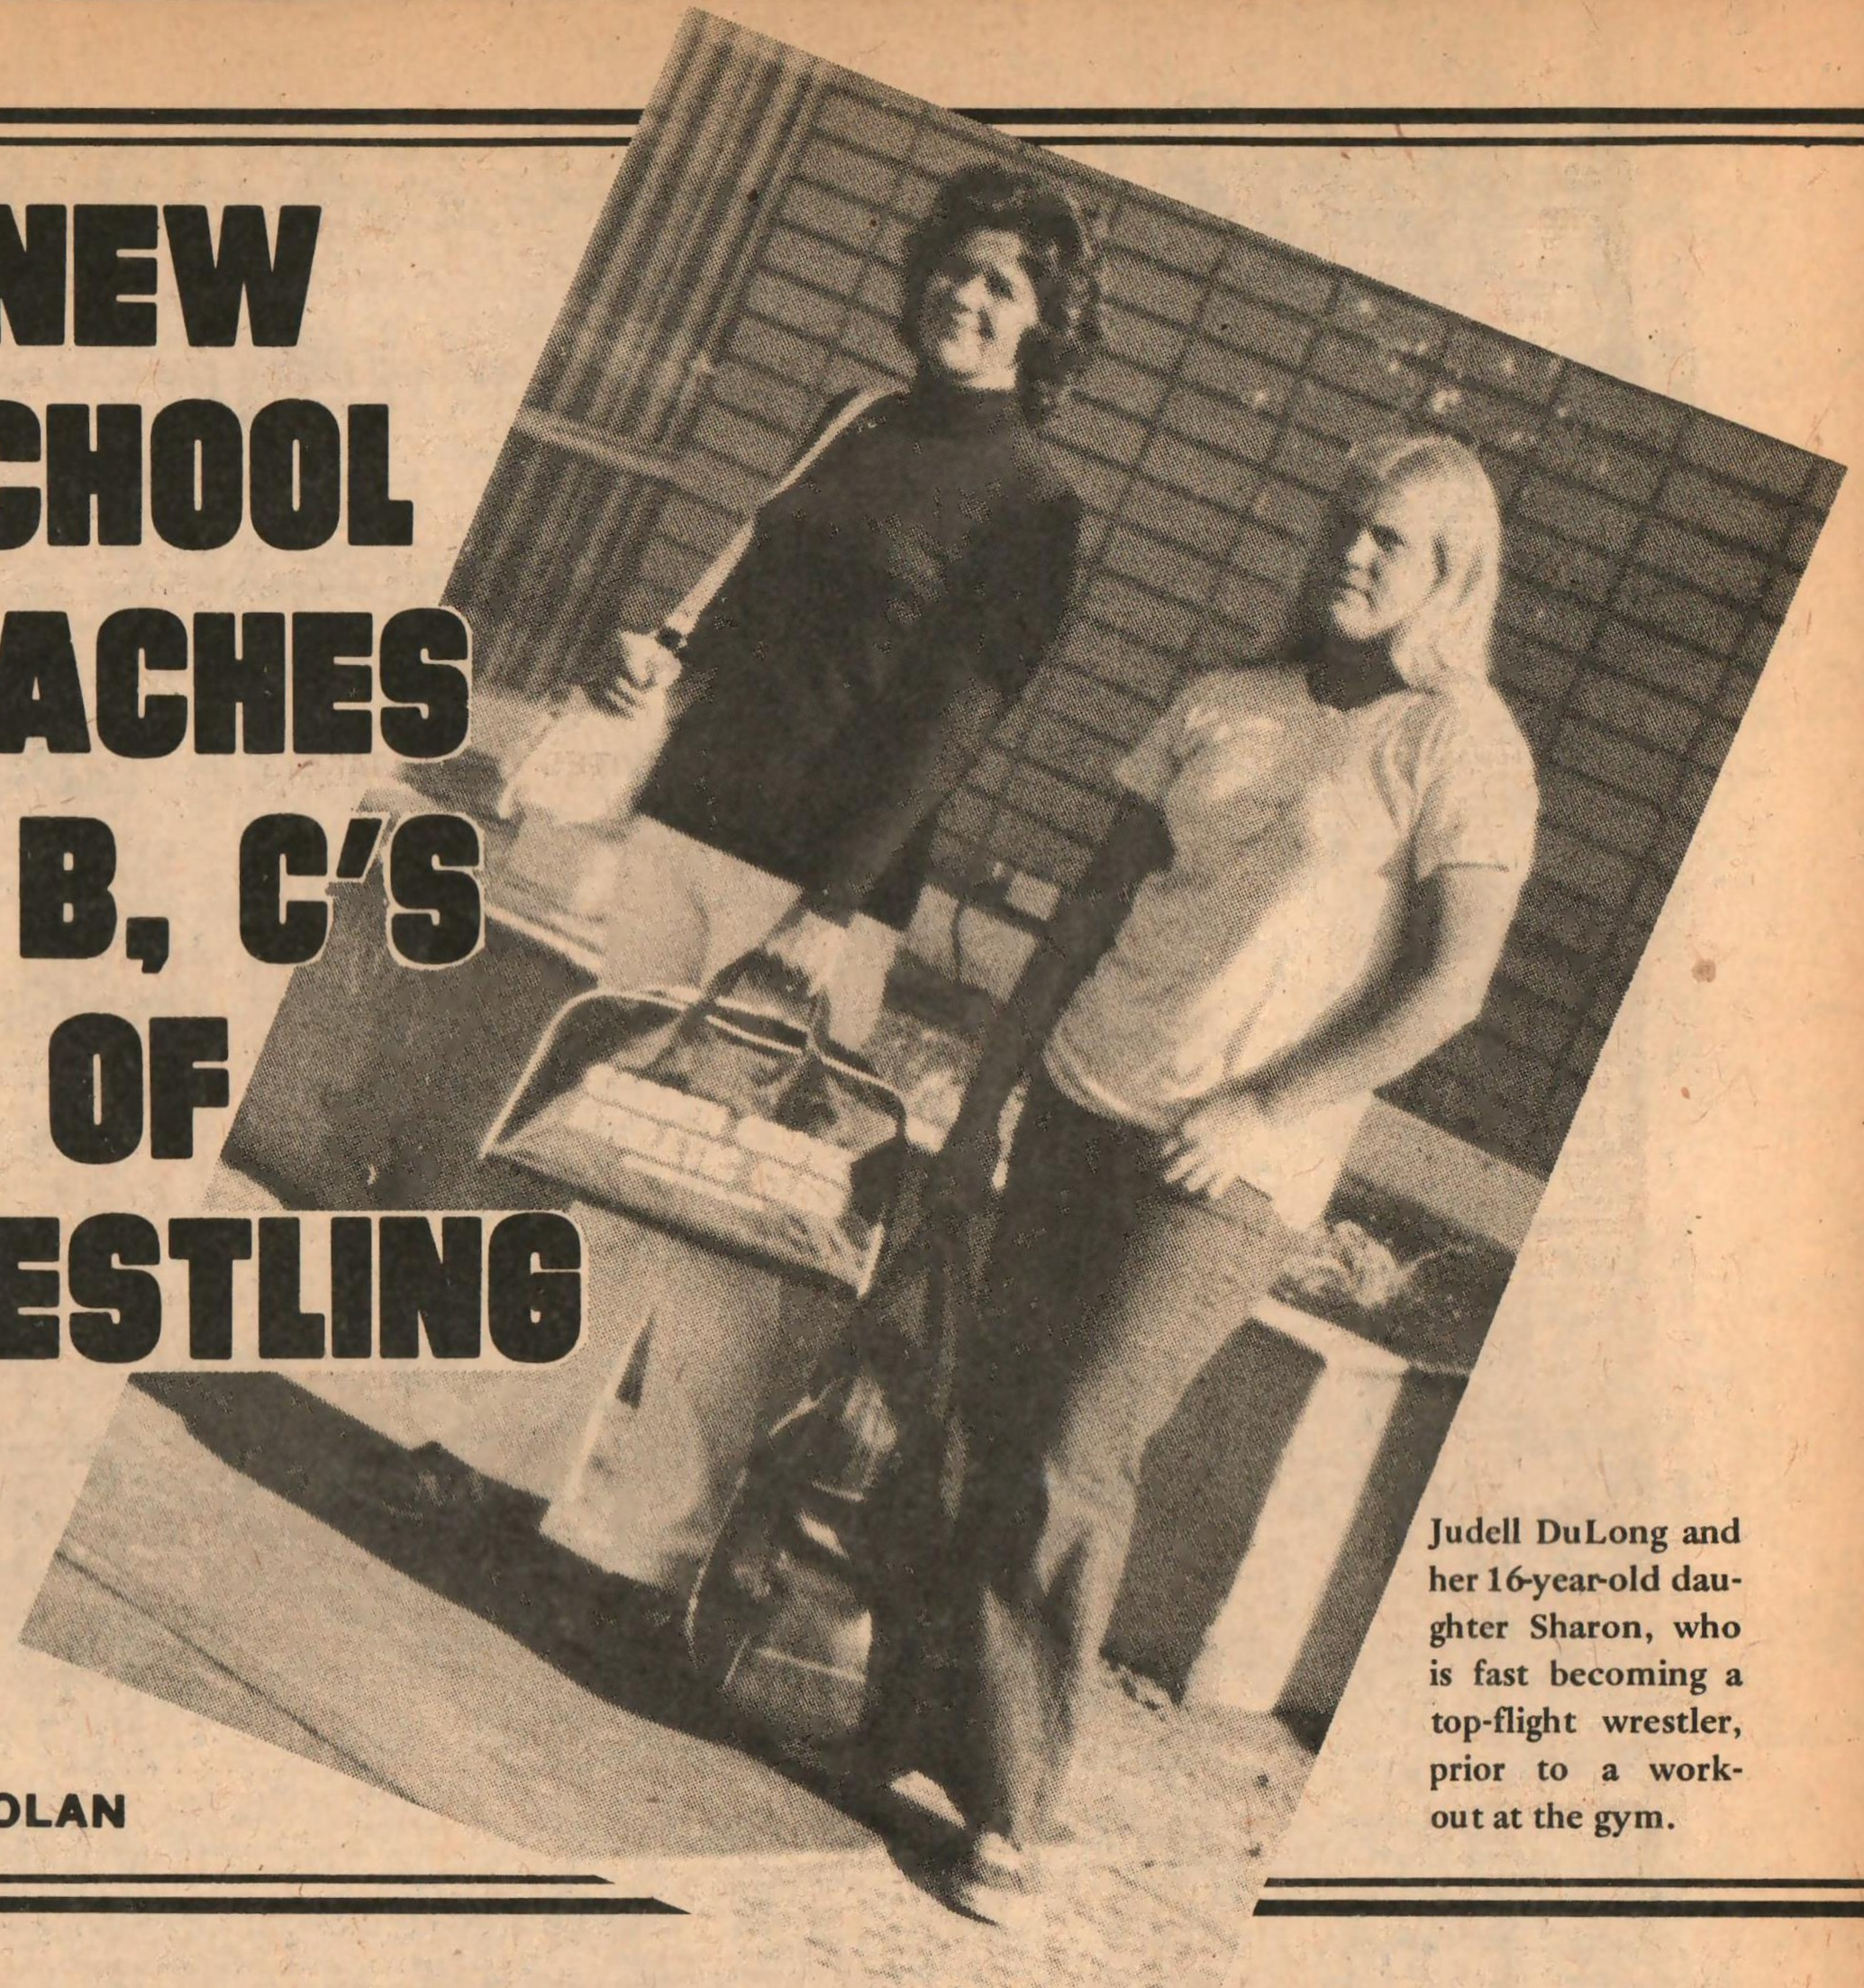
# NEW SCHOOL TEACHES A, B, C'S OF WRESTLING



Judell DuLong and her 16-year-old daughter Sharon, who is fast becoming a top-flight wrestler, prior to a work-out at the gym.

By GREG NOLAN

The dictionary defines 'Amazon' as one of an ancient race of warriors, said by Herodotus to have lived in Scythia. Hence, any large, athletic woman.

However, the word 'Amazon' may take on a new meaning for any aspiring women wrestlers or boxers.

Amazon is the name of a training camp owned and operated by one of the world's foremost amateur women wrestlers, Judell DuLong.

The camp is located in Pine Valley, Calif., which is located 39 miles East of San Diego, and is situated 4,000 feet above sea level.

"Pine Valley is a tiny village of 600 people and wll give me ideal conditions for training. The air in Pine Valley is free and clear and the climate perfect. All my roadwork will have much greater value higher above sea level," said Judell in explaining the move from her former Orange County site.

"The Amazon is a school where I, and others, will teach REAL wrestling. The sentence speaks for itself. I have faced and beaten the best in the world and I feel I have much to offer.

"No one does roadwork daily and works with weights three or four times a week like I do. Many claim they do but let them prove it," states Judell.

In fact, Amazon could be a dream come true for any would-be women wrestlers and boxers. For certain, one can't beat the price.

"Never will any girl or woman ever pay one cent for training. There will be no fee for membership or any cost to any girl or woman from anywhere in the world at my school," explains Judell.

"I will have a full weight-lifting room and will teach the art of working with weights not only for power in

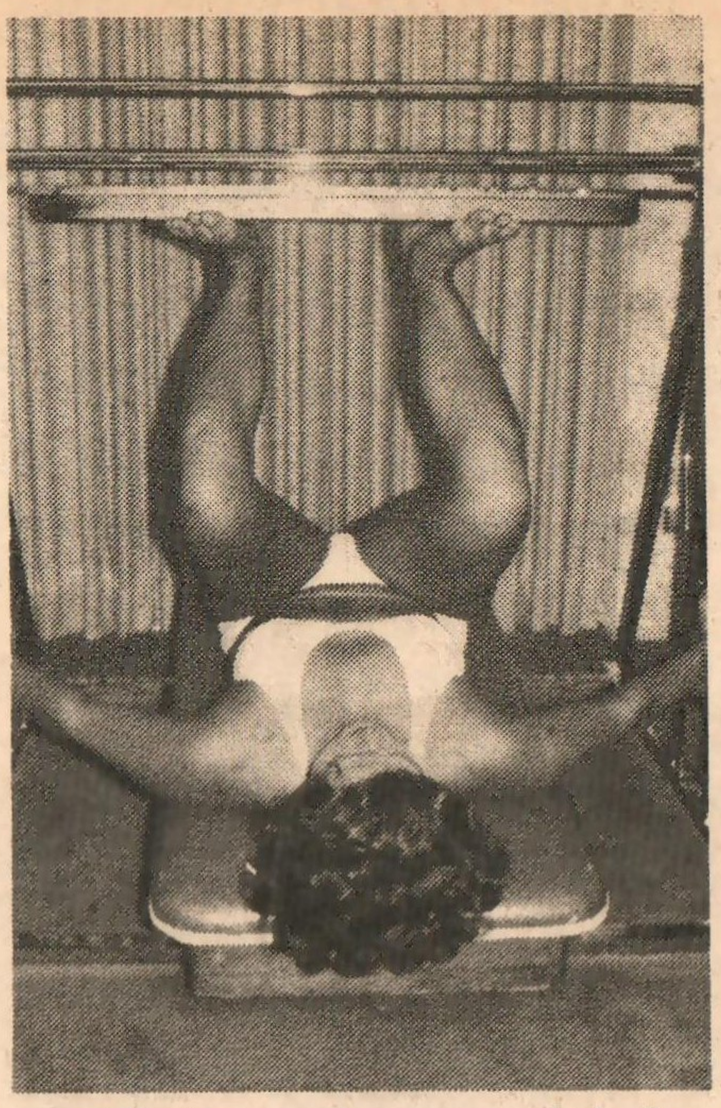
wrestling but also for over-all good health.

"I also intend to teach the value and art of running and roadwork. I now do five miles of roadwork a day, but I have run and finished the Culver City Marathon — more than 26 miles — in December, 1975. Each year, I run 20 miles for the March of Dimes charity, and have run thousands of miles since I started to wrestle in 1973," says Judell.

"I will also teach boxing for girls and hope to use the talents of the girls who have their professional boxing licenses in California. I also hope to make use of some 'name' talent among the male pro boxers. This will also be free."

Sounds too good to be true? Read on.

"The Amazon is a dream come true and I believe I can make it work because profit or money will NEVER enter into my thinking in its operation.



Judell knows legs are vital for wrestling, so she does considerable work to strengthen this part of her body.

"Only girls and women interested in the greatest sport in the world need contact me.

"They may train for a day, week or month, full time or part time. I will have room for them to stay on the grounds of the Amazon. Transportation from the San Diego airport will also be provided free."

"My goal has always been to put more into wrestling than I can ever take out of it. If that is always my goal then the Amazon will work," explains Judell.

"To the male readers I say, 'Bring your wife or girlfriend or sponsor a female friend. By that, I mean pro-

# JUDELL DULONG'S DREAM COMES TRUE WITH THE AMAZON

To strengthen her stomach area, Judell does several hundred of these exercises daily. She now claims that she can resist any body scissors hold applied to her.

To increase her power for wrestling, Judell works with a variety of equipment. Here, she strengthens her arm.

Wearing her 'Wanna Wrestle?' T-shirt, Judell poses beside her car with the Star of California 'Judell' license plate. The sticker in her rear window says, 'Girl wrestlers are sexy.' "My husband thinks they are—at least the one he is married to!" says Judell.

vide her transportation to the Amazon. San Diego can be reached by nonstop jet from all major cities in the Eastern United State, and we are just 40 minutes from the San Diego Airport. She'll need no funds while at the Amazon.'

"Unlike some others involved in wresting, I will continue to forward my home telephone number and address to all who write me. I must admit that Pine Valley is so tiny that there is no home delivery of mail, so Box 167 is my only mailing address. However, I'm not hiding behind a post office box number."

The fact that Judell sold her home in Westminster, Calif., to purchase the Amazon site is further proof of her total commitment to this project.

"This is not just an experiment. The Amazon is by no means complete and no doubt never will be finished. I have plans for years from now.

"I know the need is there for training, and I know the desire to learn is there as well.

Judell poses for a picture with ABC–television star Regis Philbin, who said he would like to be her tag-team partner.

"This past year I trained three women who were sent to me by a businessman from the Mid-East sheikdom of Qatar. Funds were no problem for this oil-rich gentleman, but there are dozens of females who want to learn how to box and wrestle but just can't afford expensive schools.

"This past year over 30 girls and women came to me for training from outside California. They come on their own and with their boyfriends.

"So, I'm extending an invitation to all women interested in wrestling or boxing to contact me. All I ask is a desire to learn," concludes Judell.

The Amazon could be a dream come true, not only for Judell DuLong but for many aspiring women wrestlers.

One thing is certain, any interested females will have nothing to lose by writing to Judell DuLong, Box 167, Pine Valley, Calif., 92062, to learn more about the Amazon.

Judell catches Erika in one of her potent headlocks, and Erika obviously isn't enjoying the experience. Judell won in two falls.

# GOLDEN OPPORTUNITY IS FREE OF CHARGE FOR GAL GRAPPLERS

Judell DuLong clamps a headlock on Regis Philbin — from which he could not escape — as one of her students, Nancy Skarvan looks on at right.

Sheila Bronson (left) and Judell pose for a picture prior to their match. "Sheila may look mild and innocent but she is tough and will bend the rules, if need be, to win. She is young, strong and one of my roughest opponents," said Judell.

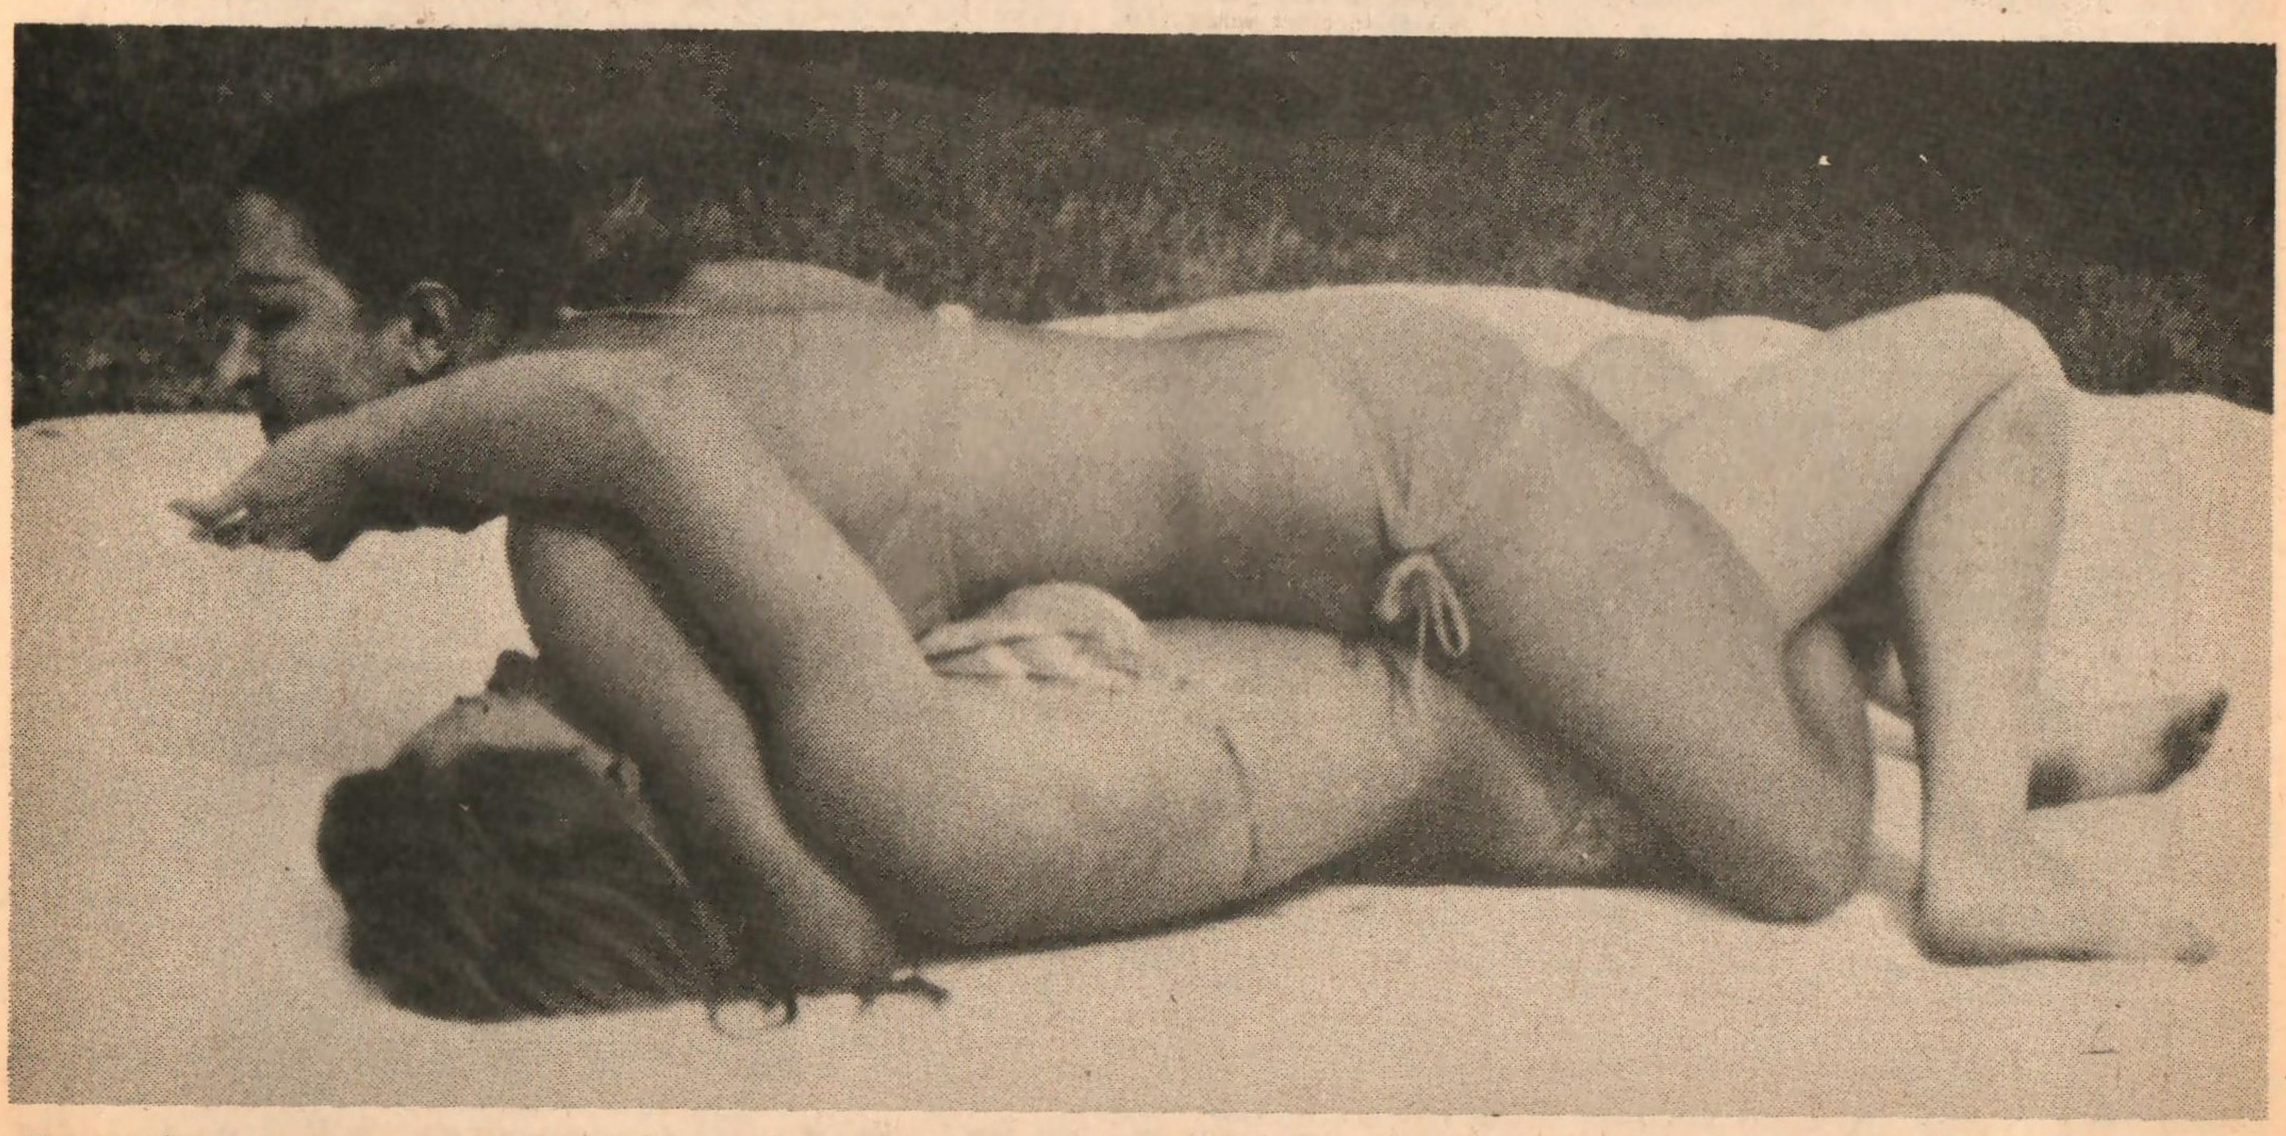
Norway's Erika Erickson, a 5-foot-11, 163-pound blonde, is among the best women wrestlers that Judell has ever met.

This pig-tailed blonde, 17-year-old, 5-foot-5, 123-pound Nancy Skarvan is one of the most beautiful and talented wrestlers active today.

Sheila catches Judell in a reverse bear hug. "Sheila is murder when she gets you in the bear hug from behind. I feel the bear hug over the breast area should be outlawed," says Judell.

Newcomer Nancy took on veteran Elvira Rojas in her mat debut and showed plenty of promise in winning two falls to one.

**Judell DuLong raises the arm of one of her star students, Nancy Skarvan, after hes impressive victory over Elvira Rojas.**



**Nancy (bottom) struggles to free herself as the more experienced Margo Gowan attempts a pin. Margo, another student of Judell DuLong, made good use of her edge in experience and weight to score two pins against Nancy.**

# HOW TO COMMAND POTENCY

**at will . . . with a series of simple mental and physical exercises, that take only minutes a day, BUT THAT MAKE YOU "ALL MAN" TO YOUR WOMAN ANYTIME YOU CHOOSE TO DELIGHT HER!**

As easily and automatically as this . . .

**Let us repeat this simple promise: A Method for Commanding FULL EROTIC POTENCY has now been discovered! And you may now learn it, in the privacy of your own home, without risking a penny!**

How is this done? In these two scientifically-proven ways:

First, by gaining at last **masterful control over the "switch" that connects your brain to your sex organs!** So that you tap, at will, your buried love power! Replace sexual insecurity with total self-confidence! Gain instant arousal . . . become every inch the lover Nature meant you to be . . . **actually find yourself performing better in bed than you can possibly remember from the very best era of your youth!**

And — equally as important —

**By deliberately strengthening those "forgotten muscles" that are used only in the act of love, and therefore grow almost useless in the average man after he leaves his twenties!** And taking those hidden "support" muscles, and building in a few minutes every day such rock-hard strength into them that you will achieve at last complete mastery of your own virility . . . **shown most dramatically in your new-found ability to maintain "staying power" for "unbelievably" long periods of time!**

**Does it really work? Can such a sexual transformation be achieved in such a short time? Read the DOCUMENTED CASE HISTORIES in this book, and see every shadow of a doubt vanish from your mind!**

For example:

**Read** why 60 and 70-year-olds, who had given themselves up as far as the bedroom was ever concerned again, **have suddenly found themselves MORE sexually-active . . . MORE sexually-alive . . . MORE sexually-competent than they were at their 30 or 40-year-old peak!**

**Read** how one young man went through his first twenty-some years thinking continually that he was "born to be" a "sexual cripple". And then read how — only a few short months later — one of his girl friends said in a research-interview: **"Once a woman has been with a man like Eric, all other men seem second-rate"!**

**Read** of the 70-plus year-old man who now keeps **several** girl friends busy . . . **including one 23-year-old beauty who is perfectly willing to admit to anyone that THIS man is (to use her own words) "terrific" in bed!**

**And then go on to duplicate these men's transformations with your own! And build a massive virility into your own body with ingenious "training devices" like these . . .**

The first step: The simple **"Potency-Restoring Ritual"** that costs nothing . . . is completely private . . . gives extreme pleasure while you use it . . . and may have your woman gasping in surprise that very same evening!

What to do about "sexual hang-ups"! How to "De-Block your Turn-On Channels" — **in minutes!**

**How to take your "Ecstasy Nerves" out of deep-freeze!** In other words, FEEL two, three and four times as much pure sensation from every minute of love . . . at **exactly the same time that you have rigid control over every reflex in your body, so you can CONTINUE that sensation as long as YOU wish to continue it!**

The safest, and easiest, way to **prevent** prostate trouble.

How to keep the **Youth Juices** flowing in your body! In other words, use these simple exercises, not only to make you a master in bed, but **also to "Re-Landscape" your face and body so you may have to reject more offers than you accept!**

**Sexual Breathing!** Known by the Yogas, but almost completely forgotten in our day! (One of its many uses — to remove, for good, the false limitation that keeps you now from making brillant love **for hours** . . . or, if you so choose, **all night!**)

**Super Circulation!** Perhaps the most startling technique of all! How, in essence, to "re-direct" massive blood flow to ANY part of your body, and **therefore achieve a solidity and expansion that you may not have dreamed possible before!**

**But this is still not all! Now this amazing volume goes on to give you ALMOST-HYPNOTIC POWER OVER WOMEN, from the very first moment you meet!**

But mastery of your own body is incomplete unless it is combined with mastery of the other person's body (and emotions) as well! So now you are given the final step: How to demand **more** . . . and **more** . . . and **more** from your woman, **and make her love every step!**

For example:

What women prize in a lover most . . . what they expect . . . what they fear . . . what turns them on and drives them wild . . . what non-bed actions allow them to trust you completely in bed! **All gathered for you, in condensed form, from "shameless" interviews with hundreds of women all over America!**

How to thaw out the lady who wears a "psychological chastity belt"! Snap her out of her "sexual shock" for perhaps the first time in her adult life! **Turn her on completely, so she'll do with you what she'd never think of doing with anyone else!**

How to spot the **highly-sexed** woman, before you even begin talking to her! (No, she is NOT promiscuious! She **saves** her abandon for special man. But, once you convince her, this way, that **you're** that man, **then get ready for the greatest night of your life . . . for openers!)**

How to let a woman know, without offending her in any way, that **you** will thrill her in bed, **within five minutes after you meet her.**

How to prepare a woman for **unbridled** love! (For example, on page 234 you will find a new method of **kissing** that may actually send her into spasms of ecstasy **before** you lay a finger on her body! **And wait till you read the pages after that!)**

**So what you have here is a revolutionary new handbook, not only to massive sexual potency, but to complete mastery in bed! And it's yours to read from cover to cover, entirely at our risk!**

Why not send for it, with the No-Risk Coupon, today. Your full money back, of course, if you are not delighted.

## Can a woman teach men Super-Potency? The answer is an overwhelming YES!

Take a renowned teacher of "Psycho-Control" (the power of the mind, if properly trained, to completely master the vital functions of the body). Give her twenty-plus years of success in teaching both men and women to lose weight **at will** . . . break the cigarette habit **at will** . . . snap out of allergies **at will.** And then let her direct those same mind-over-body discoveries to the most important "If-I-could-only-command-it" area of all!

**What happens? Breakthroughs** — documented again and again and again — **for men of all ages, and all problems, gaining new-born virility they couldn't have believed possible only a few short weeks before!**

Read these thrilling case histories yourself in Rachael Copelan's revolutionary new book — and read them entirely at our risk! And then take the exact same Potency Techniques that she is teaching for up to $100 a week in her nationally-famous Sex Clinic in New York City . . . **and use them to transform YOUR sex life — today — entirely at our risk!**

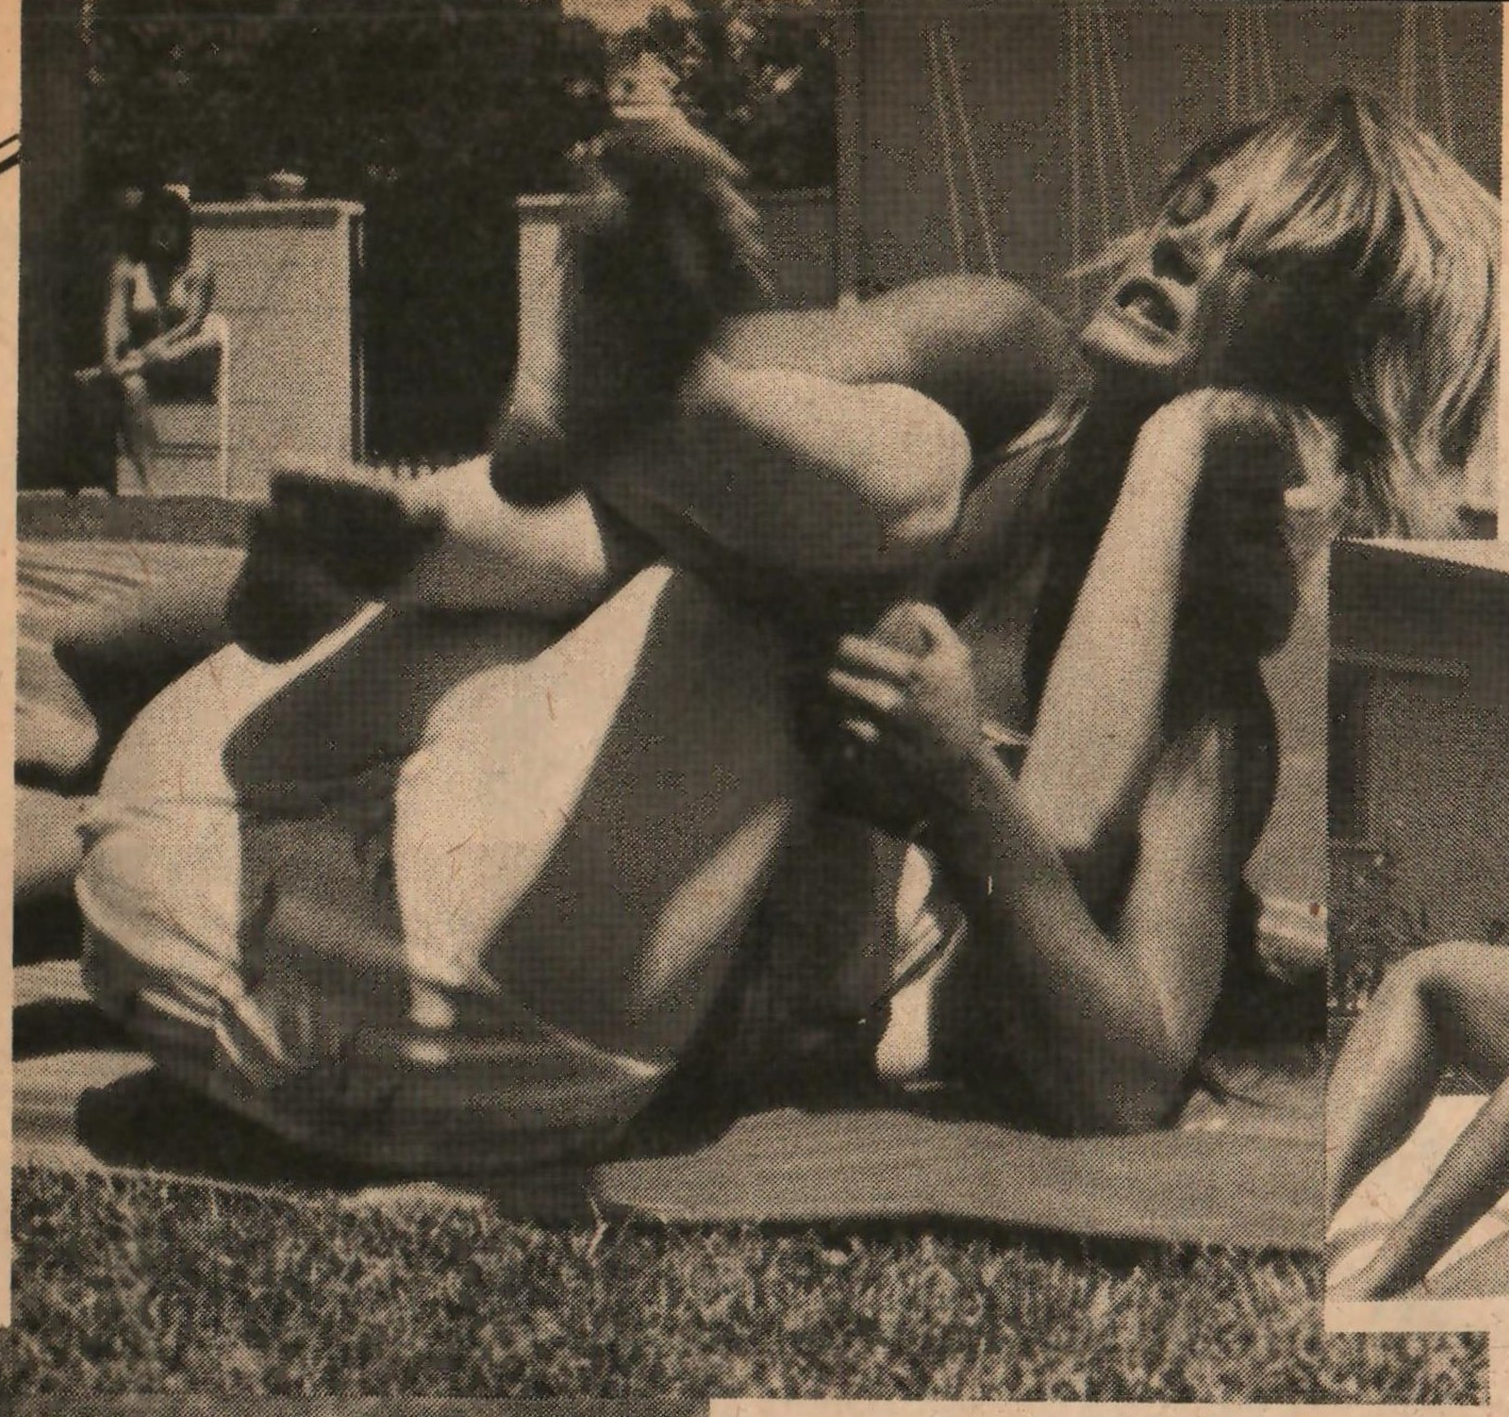
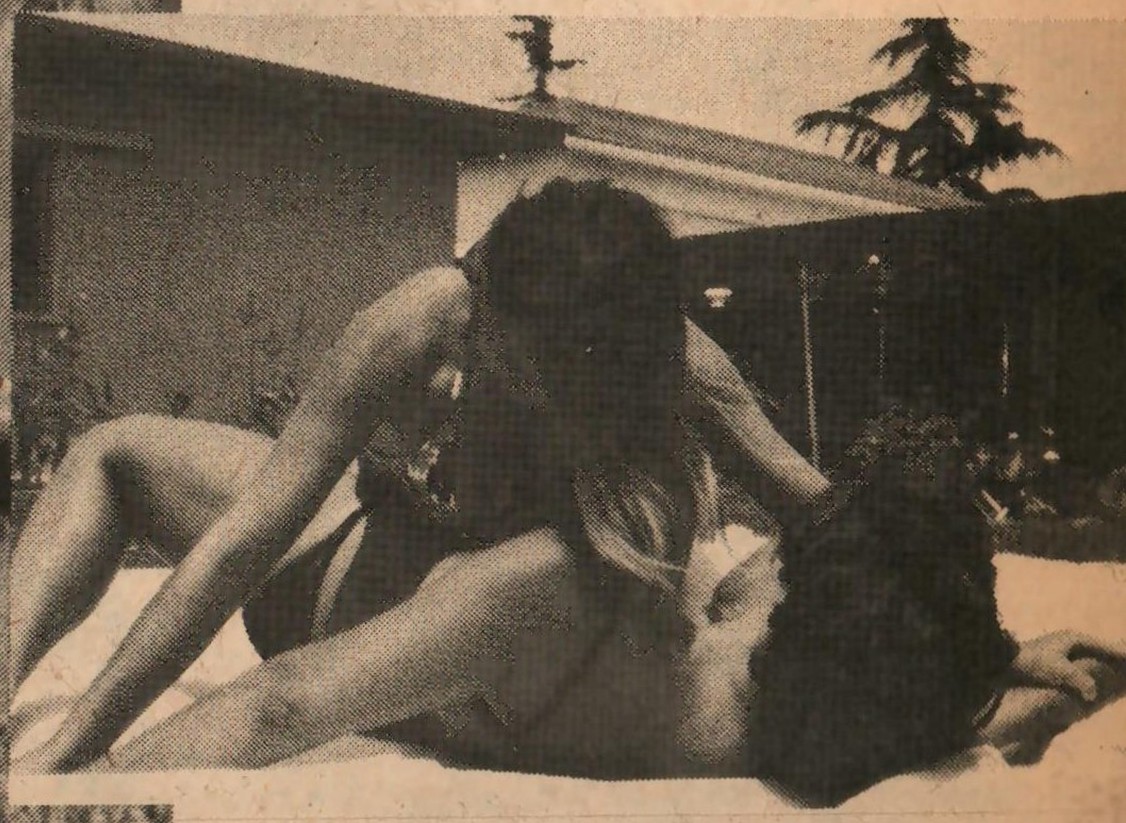
# WOMEN BOXERS ALSO WELCOME AT NEW CAMP

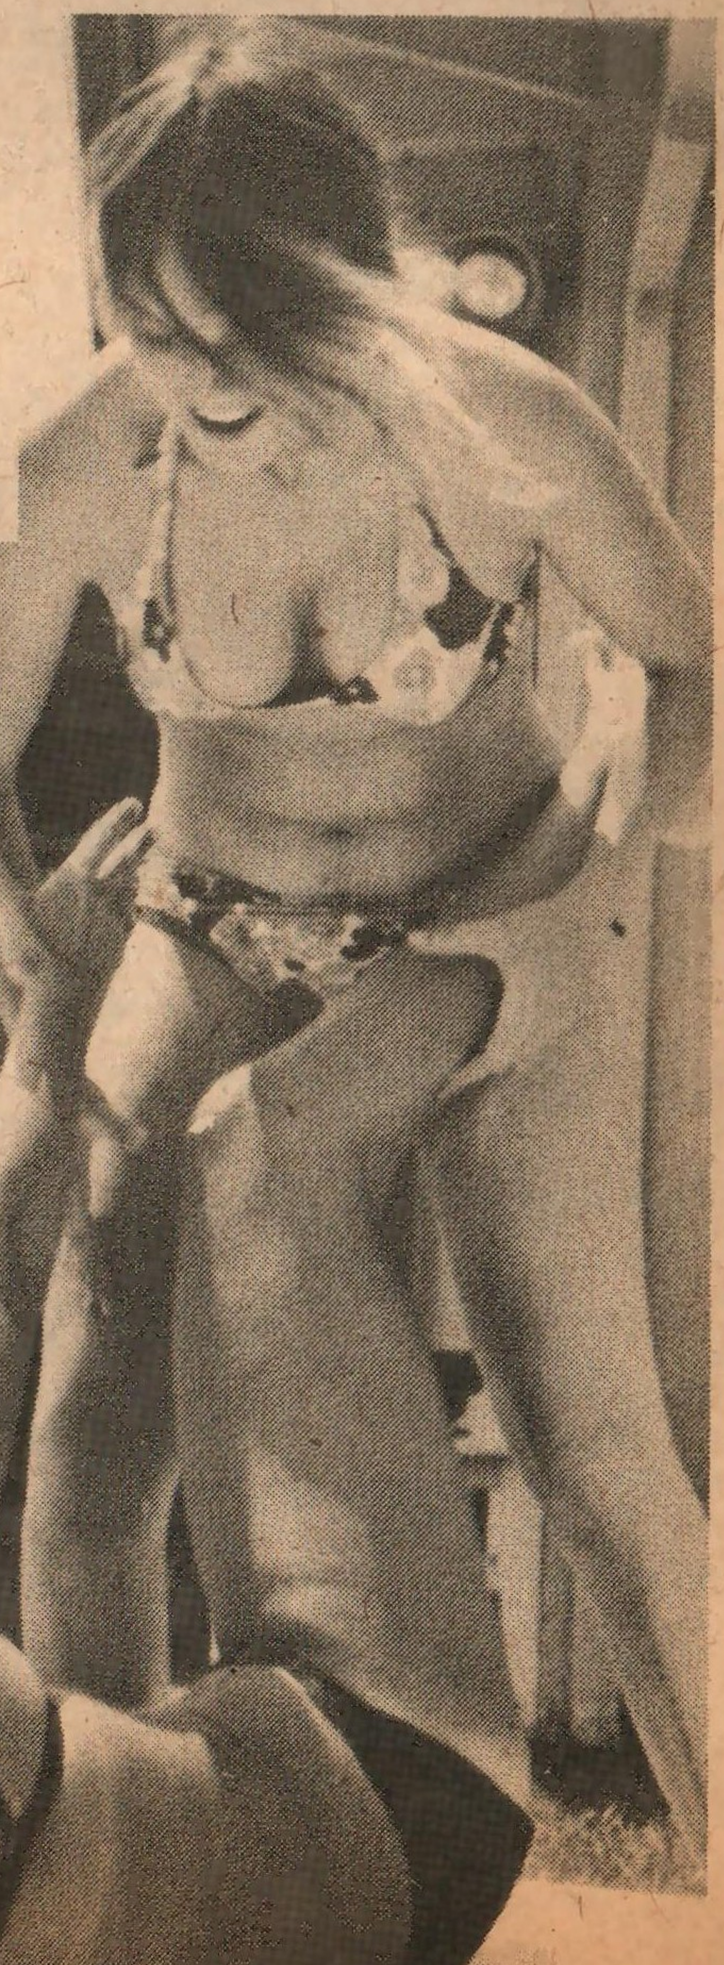
Nancy's older sister, Lynetta Skarvan, made her official wrestling debut against Nancy. The bitter battle ended when Nancy caught Lynetta in a body scissors forcing her older sister to submit. Here, Nancy releases her match-winning hold.

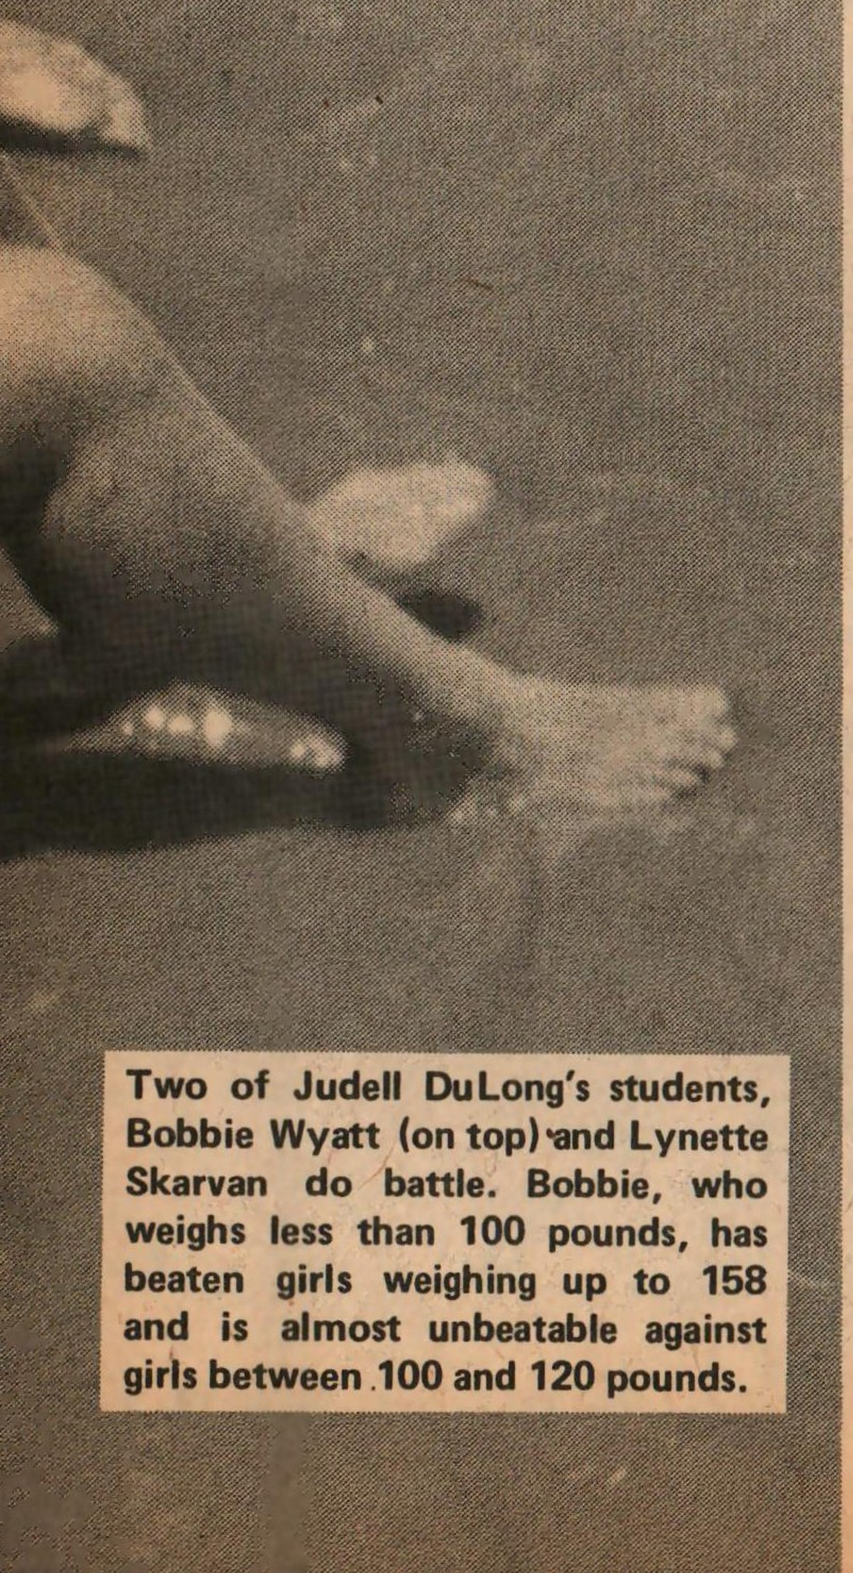


In her fourth match, Nancy Karvan took on rugged Renee Marshall. Here, Nancy tries to catch Renee in a cradle hold en route to another triumph.

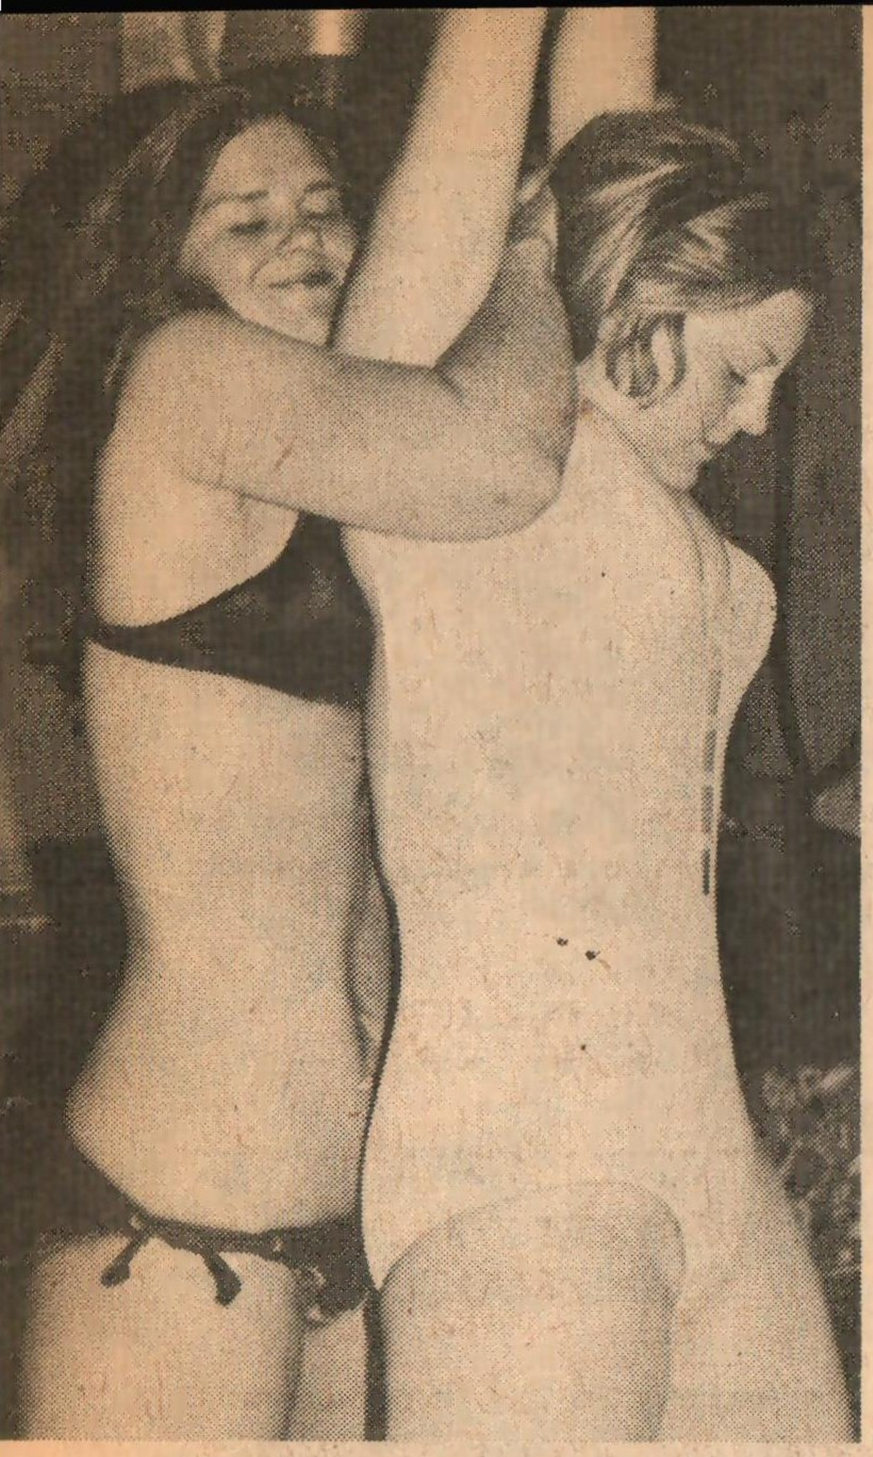


Debbie Wimble (standing) takes Judell DuLong to the mat. Then, Debbie attempts to pin Judell. Judell, who has never submitted a fall to anyone, anywhere, eventually defeated Debbie, who is improving daily and looms as a threat to DuLong's reign as amateur champion.

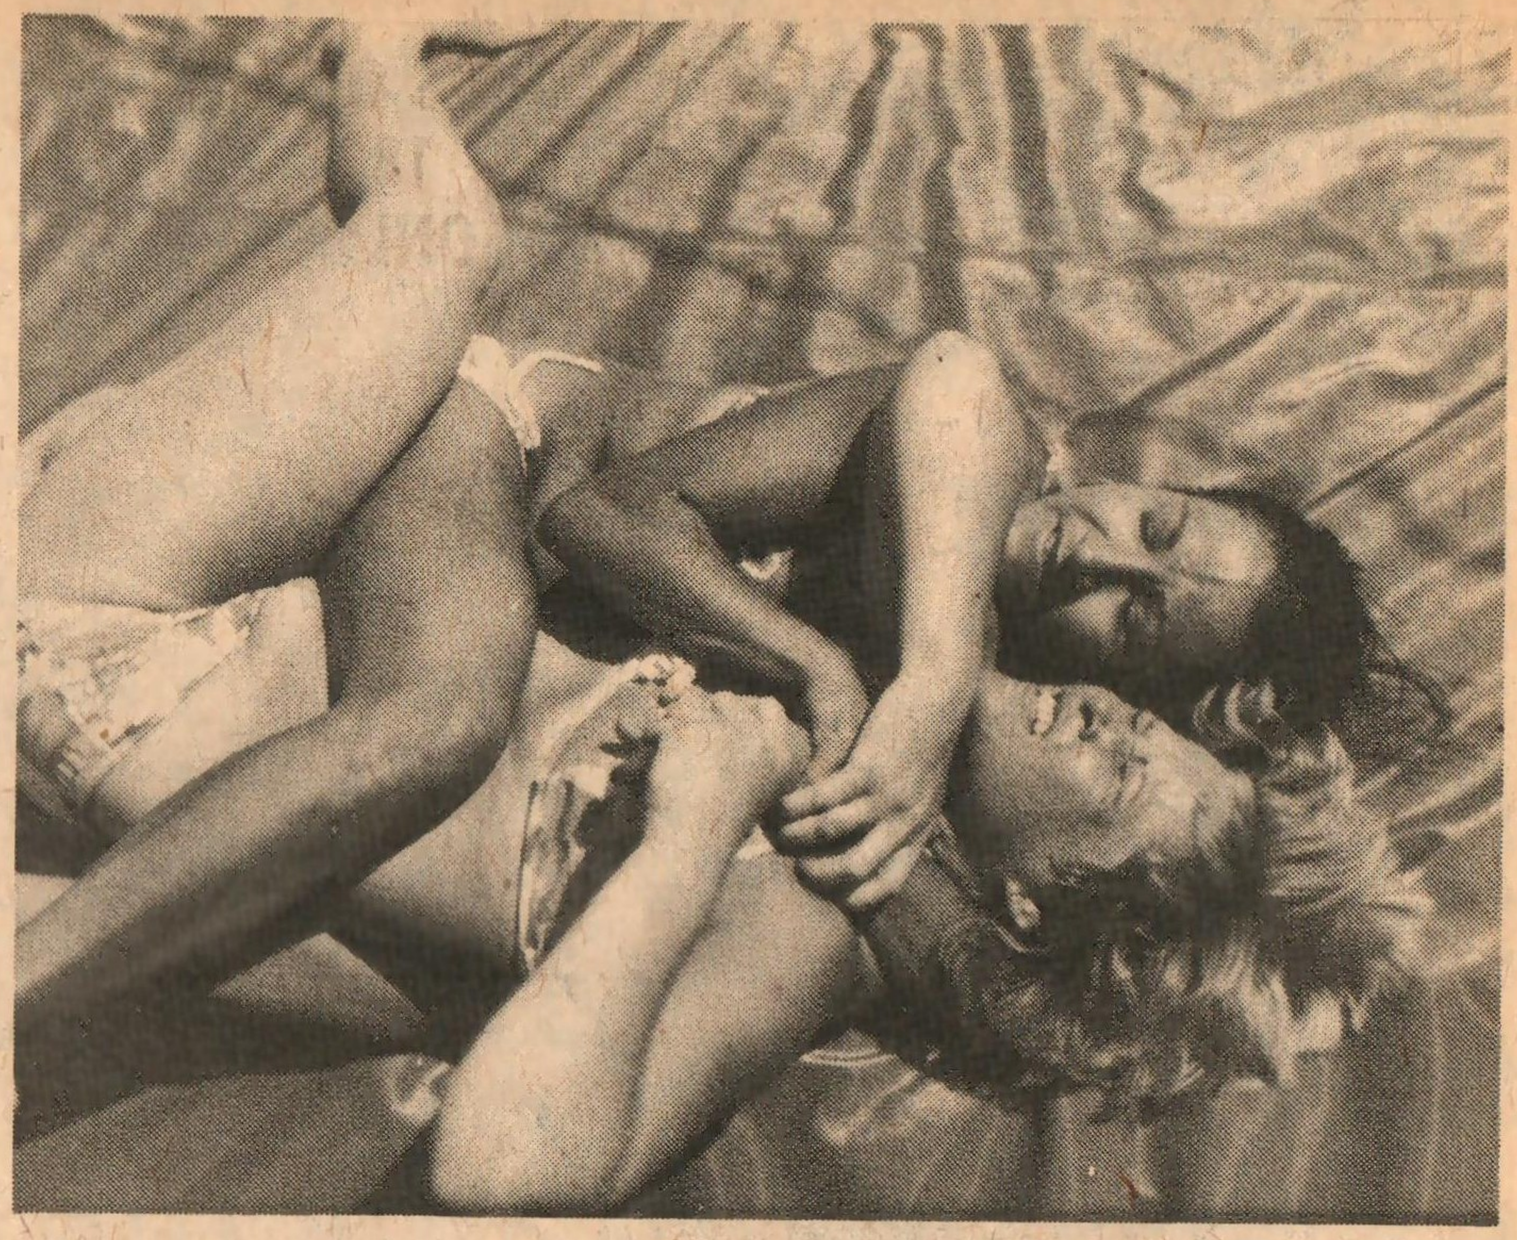




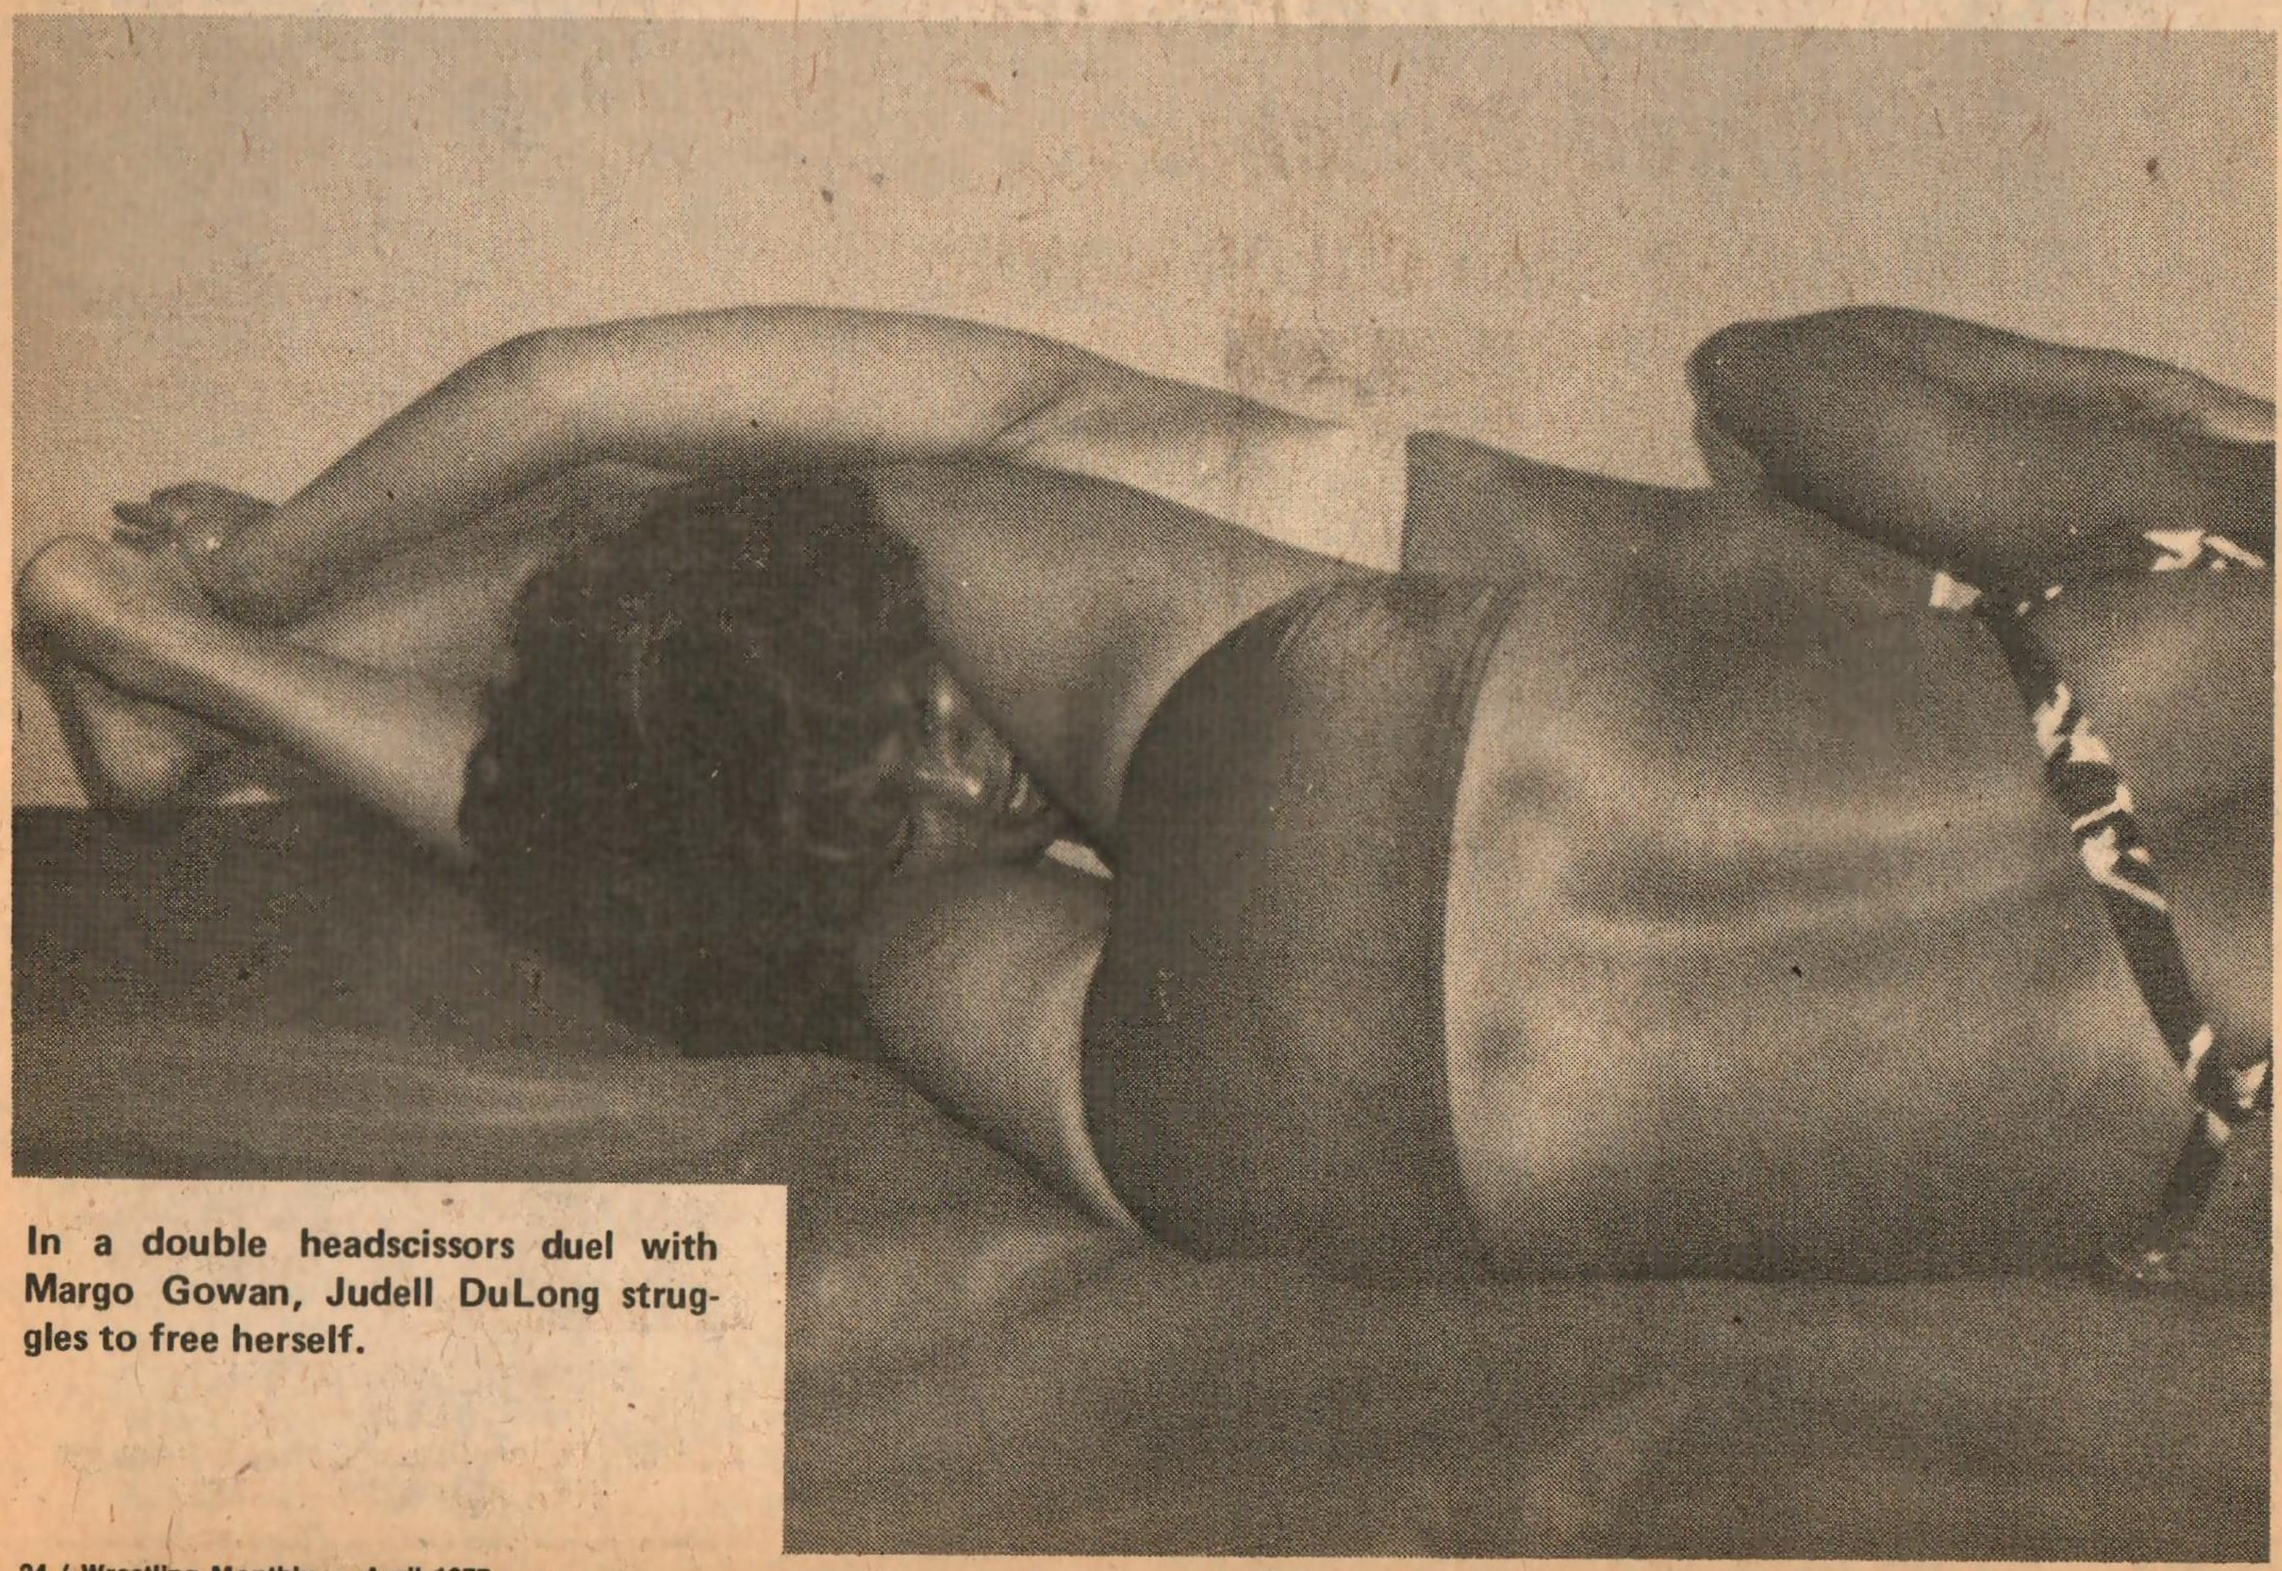
Two of Judell DuLong's students, Bobbie Wyatt (on top) and Lynette Skarvan do battle. Bobbie, who weighs less than 100 pounds, has beaten girls weighing up to 158 and is almost unbeatable against girls between 100 and 120 pounds.



Teacher Judell DuLong demonstrates the full nelson to student Robbie Wood.



The pained expression on Nancy Hogle's face tells the story as she battles Margo Gowan in a scissors only submission match.



In a double headscissors duel with Margo Gowan, Judell DuLong struggles to free herself.

# BILLY TWO RIVERS: WRESTLING'S LIVING LEGEND

*You drive across the Mercier Bridge at the western-most tip of the island of Montreal. You take the second exit which is just minutes away from the Mohawk Indian reservation of Caughnawaga. You are in search of a legend, the legend that is professional wrestling superstar Billy Two Rivers.*

You don't know his address because they don't have street names or house numbers on Indian reservations, so you stop at the Goodleaf service station to ask directions.

"See that church steeple off in the distance?" replies an employee at the wheel of a tow truck. "You take the left fork in the road, drive past the church and stop at the laundromat. It's Billy's laundromat. If he's not there, he'll be in his house across the street."

A couple of wrong turns later, you stop a plainclothesman getting out of a police car and ask him if he can direct you to Billy's laundromat.

"Make a right at the next street, then hang a left, and you'll come to it," he says. "It's the place with the picture windows. You can't miss it."

Somehow, you manage to miss it. What qualifies as a picture window in the plush Montreal suburb of Westmount somehow doesn't quite find

its parallel in Caughnawaga.

Just when you begin to feel the situation is hopeless, a teenager pulls up alongside you, rolls down his window and shouts: "Say, aren't you the reporter from Wrestling Monthly?"

"Yeah, but how did you know?"

"Oh, I see you at all the matches. Are you looking for Billy's place? If you are you just passed it. That's the laundromat, 200 yards behind you. And his house is the first one you see on the other side of the street. The white one."

You thank the helpful teenager and decide to try the house first. The house looks like it has been standing for centuries. There is no doorbell so you knock. Nobody answers, so you tap on the window. Again no response.

Somebody from the laundromat sees you and tells you that Billy just drove off a few minutes ago. Utter despair.

"But," says your informant, "his parents live next door if you'd like to talk to them."

At this point I'll talk to anyone. But his parents sound like an excellent idea because they can fill me in on Billy's background while I'm waiting for him to get back. So I knock on the door and a pleasant, elderly lady answers. I introduce myself and explain that I just missed Billy.

"Come in," she smiles as she ushers you into the living room. "I'll phone his wife and ask her how long he'll be."

"But nobody's home," I protested. "I knocked on the door and the window, and nobody answered."

"Ah, but did you try the back door?" she asks. "Pauline is a heavy sleeper and she can't hear the front door from upstairs."

As Billy's mother excuses herself to use the phone, I glance at my watch. It is 10:07 a.m.

"Pauline says Billy has gone to the wrestling office in town," she informs. "He shouldn't be long."

"Maybe you can help me in the meantime," I say. "Perhaps you can supply me with some details about Billy for my story." She assures me she would be only too glad to do so.

"Billy was born in Caughnawaga in 1935," she begins. My rapid pocket-calculator mind figures out in an instant that this means her son is now 41. "Billy went to school at Loyola College," she continues, "but he had only wrestling on his mind."

And how does it feel to be the mother of a celebrity? Mrs. Two Rivers shifts uncomfortably. "I'm proud of him, of course," she says. "But I can't take it, watching him wrestle in person.

"I've been there, but I'd rather keep away," she says. "I don't like

BILLY TWO RIVERS

Decked out in Indian headdress, Billy Two Rivers, a veteran of more than 20 years as a professional wrestler, has travelled to most parts of the grappling globe.

# WORLD TRAVELLER' BILLY LIKES ENGLAND BEST

to see him suffer. I'll watch other matches, but not him. I don't mind watching him on television though. On TV, I can turn away if I don't like what I'm looking at."

Although wrestling is, and always has been, Billy's first love, he is also adept at other sports such as billiards and lacrosse.

Recently he won a trophy for his pool-playing prowess at the Moose Club, Caughnawaga's recreation centre.

His lacrosse days as an active player are over ("My legs are gone," he explained recently), but he still remains an avid fan of the sport. His cousin's children play lacrosse in a junior inter-city league.

Billy not only attends all the games ( when he isn't wrestling, that is ), but he also takes the trouble to phone the results to Montreal newspapers to make sure the kids get the recognition they deserve. At one time he even coached a team of youngsters,. but his wrestling commitments no longer allow for this luxury.

The pride Annie Two Rivers has in her son is thoroughly demonstrated by the art work so prominently displayed in her home. On the wall is a head-and-shoulders portrait of Billy, replete with headdress, painted by Chateauguay, Que., artist Eric Wesselow.

On another wall is a full-length charcoal drawing of a younger Billy Two Rivers done 12 years ago by C. Clayton, a British artist who became an admirer when Billy made England his temporary home base for wrestling purposes.

Mrs. Two Rivers has a collection of dozens of photos of her son in action. One of these shows Billy and his friend, Andre The Giant, posing with an Indian girl named Stacey. On closer investigation, it is discerned that Stacey has only one arm.

"Billy is a real softie for things like that," said his mother. "He felt so sorry for the little girl that he felt he had to cheer her up. Her handicap hurts him deep inside. You can tell by the expression on his face. He wrestled here on Indian Day last summer and there were lots of children there. They're his biggest fans."

Besides England, Billy has been to faraway places such as Japan, Greece, and Africa. As this interview was being conducted, his bags were packed

for a six-week wrestling tour of Germany.

"Wrestling has given him the opportunity to travel," says Mrs. Two Rivers. "Billy has learned a lot from travelling and meeting different people. He was also supposed to go to Australia once, but there was a passport mixup and he never made it."

Annie Two Rivers is not only a proud mother. She is a proud grandmother as well. Billy and his bride of three years have a two-year-old bouncing baby girl named Rose Ann, who has become Billy's No. 1 fan.

"She loves wrestling," beams grandma Two Rivers. "The other day she was watching the wrestling reruns on television. Billy wasn't on, but she clapped for War Eagle (Billy's one-time tag-team partner). You can't talk to her when she's watching wrestling because she becomes so wrapped up in the action. She gets mad when the commercials come on and won't budge from in front of the set.

"We bought her a mask for Halloween, and she said 'Here, Daddy, put on this mask,' because earlier that day she had seen the masked wrestlers, El Santos, on TV.

"She's smart. She doesn't miss a thing. The other day her mother spilled a soft drink and said 'Damn'. Rose Ann said 'Don't call me that. My name is Rose Ann.' "

Once Rose Ann went to see the wrestling matches live. "But she hides her face when her father is getting beaten," Annie revealed. "She shouted 'Run, Daddy, run. That's enough.' And she wasn't even two years old yet."

Rose Ann is not terribly fussy about midget wrestlers however. "She screamed when Tom Thumb wanted to hold her," Annie recalls. "Her mother said, 'Let the nice little boy hold you,' but Rose Ann wasn't fooled. She knew this was no little boy. Afterward she said 'I cried because I didn't want him to hold me.' Tom Thumb felt bad, but how can you predict how children will react?"

Grandma Two Rivers is especially enamored of the caucaphony of color represented by the various types of Indian headdress worn by her son in the ring. "I love it because it's so colorful," she explained. "In Japan he wore a real long one but he left it behind because the fans over there kept pulling on it when he would walk to and from the ring."

At the advanced age of 41 has retirement ever entered Billy's head?

"He said he was going to retire when he opened his laundromat 10 years ago, but he changed his mind and hasn't talked about it again since," recalls Billy's mother. "I remember Bob (Legs) Langevin calling up here every day to try to talk him out of retirement. I guess Langevin (a longtime Montreal promoter) succeeded."

The late great Don Eagle who was the victim of a 1967 shooting incident, helped Billy Two Rivers get his start on the road to wrestling success.

Two Rivers, both from wrestling and laundromat endeavours, would choose to live in an ancient house on the reservation rather than in a more streamlined home in suburban Montreal. For the answer to that one must realize that Billy has his roots in Caughnawaga.

"He could move off the reserve any time," explains his mother, "but it's our home. We don't pay taxes here. I wouldn't want to live in Detroit, New York, Montreal or even Lachine (a Montreal suburb nearby), and I'm sure Billy feels the same way."

Billy has a brother who is a policeman on the reserve. Their father, Tom, suffered a stroke a few months ago which affected his speech. Built like a tank and sporting a white crewcut, Tom has been taking it easy ever since.

"I was quite a wrestling fan in my younger days," Tom says, "and I wrestled a bit myself as a kid, but never in serious competition. We had no gym when I was a youngster, so I trained outdoors with Chief Joe War Eagle, father of the great Don Eagle.

"The object of this was mainly to get Chief War Eagle into condition for his pro matches. He was the Canadian light-heavyweight champion once, but at 190 pounds he was too light for heavyweight.

"Billy was Don Eagle's protege," interjected Mrs. Two Rivers. "It was quite a shock to Billy when Don Eagle died in a tragic shooting incident in 1967 right here on the reserve. Don Eagle was only in his 40s when he died.

"But why don't you ask Billy about that? I notice his car is in the driveway across the street, as he must have just come home."

Good idea. Replete with pen and notepad, I thanked my gracious hosts and trudged the 30-second walk to Billy's house. Once again, I tap on the front door to no avail, so this time I walked around to the back.

En route, I stop to admire Billy's late-model car carrying Vermont license plates with the initials BTR written on them.

I knock several times and eventually Pauline Two Rivers comes to the door. One of nature's rare beauties, she is wearing a tee-shirt. The way she fills it would put even Raquel

Welch to shame.

"Come in," she smiles, showing me into the kitchen where her husband extends his hand in friendship.

Billy does not speak. You wonder if maybe it's something you wrote... Then you notice he is gesturing wildly. He points to his lips and whispers that dreaded, unmistakable word: "Laryngitis."

Oh, my God! How in the world can you interview a man who cannot talk? Pauline supplies Billy with pencil and paper and the interview begins.

Billy says he has been wrestling for "20-odd" years. He says he has no immediate plans to give it up although "my wife says I should quit right now."

"I get lonesome with all his travelling," Pauline shrugs. "I follow it once in awhile and the baby likes it, but I'd like to have him home more often."

Will Pauline get her way? Hardly. Just then Billy stands up and begins a charade which sees him pointing repeatedly to his trousers. The meaning comes through loud and clear. He is the one who wears the pants in the family and he makes the major decisions.

Billy readily discusses the tournament in which he is about to participate in Germany.

"There will be wrestlers from all over the world," he indicates with a wide sweep of his arms. He pulls up his notepad and writes a partial list: Danny Lynch, England; Chris Tolos, Greece; Horst Hoffman, Germany. He also notes that there would be wrestlers from France and Spain in the competition, although their names have escaped him for the moment.

Among his all-time tough opponents Billy lists such gladiators as Wild Bull Curry, Ike Eakins and Bull Davis of England.

England, says Two Rivers, is his favorite country. This recalls a conversation with his mother moments earlier in which she marvelled at the treatment extended her son during his stay in Britain.

"In swanky restaurants that insist on ties and jackets, they would welcome Billy even when he's dressed in jeans and buckskin vest," she had exclaimed.

"I also have a lot of nice friends in Charlotte, N.C. and I wouldn't mind working out of there at some future date," Billy conveyed.

About his relationship with the ill-fated Don Eagle, Billy revealed that it was the late friend who first trained him to wrestle back in 1951. Billy was 16 at the time.

"Don Eagle was so busy wrestling, how did he have the time to train Billy? "In 1949, Don injured his back," Billy said. "He was inactive in 1950 and trained me the following year before making a successful comeback."

How did he hurt his back?

"Even Don couldn't quite pin it down," Billy explained. "You could compare it to Bobby Orr's knee. He was always pushing it and didn't have time to rest it. After awhile his back just gave out on him."

Billy had just returned from a siege in North Carolina when Don Eagle died. The news shook him deeply. He attended his close friend's funeral and then decided to bury his grief by staying as active as he could. Shortly after his friend was put to rest, Billy took off on a wrestling tour of Japan.

Asked how he managed to get per-

# MARINO FILLS BILL AS 'BODY BEAUTIFUL' OF GRAPPLING GAME

While his partner Robertson was sidelined, Lyons wrestled solo and enjoyed great success. Here, Lyons uses a leg lift en route to another mat triumph.

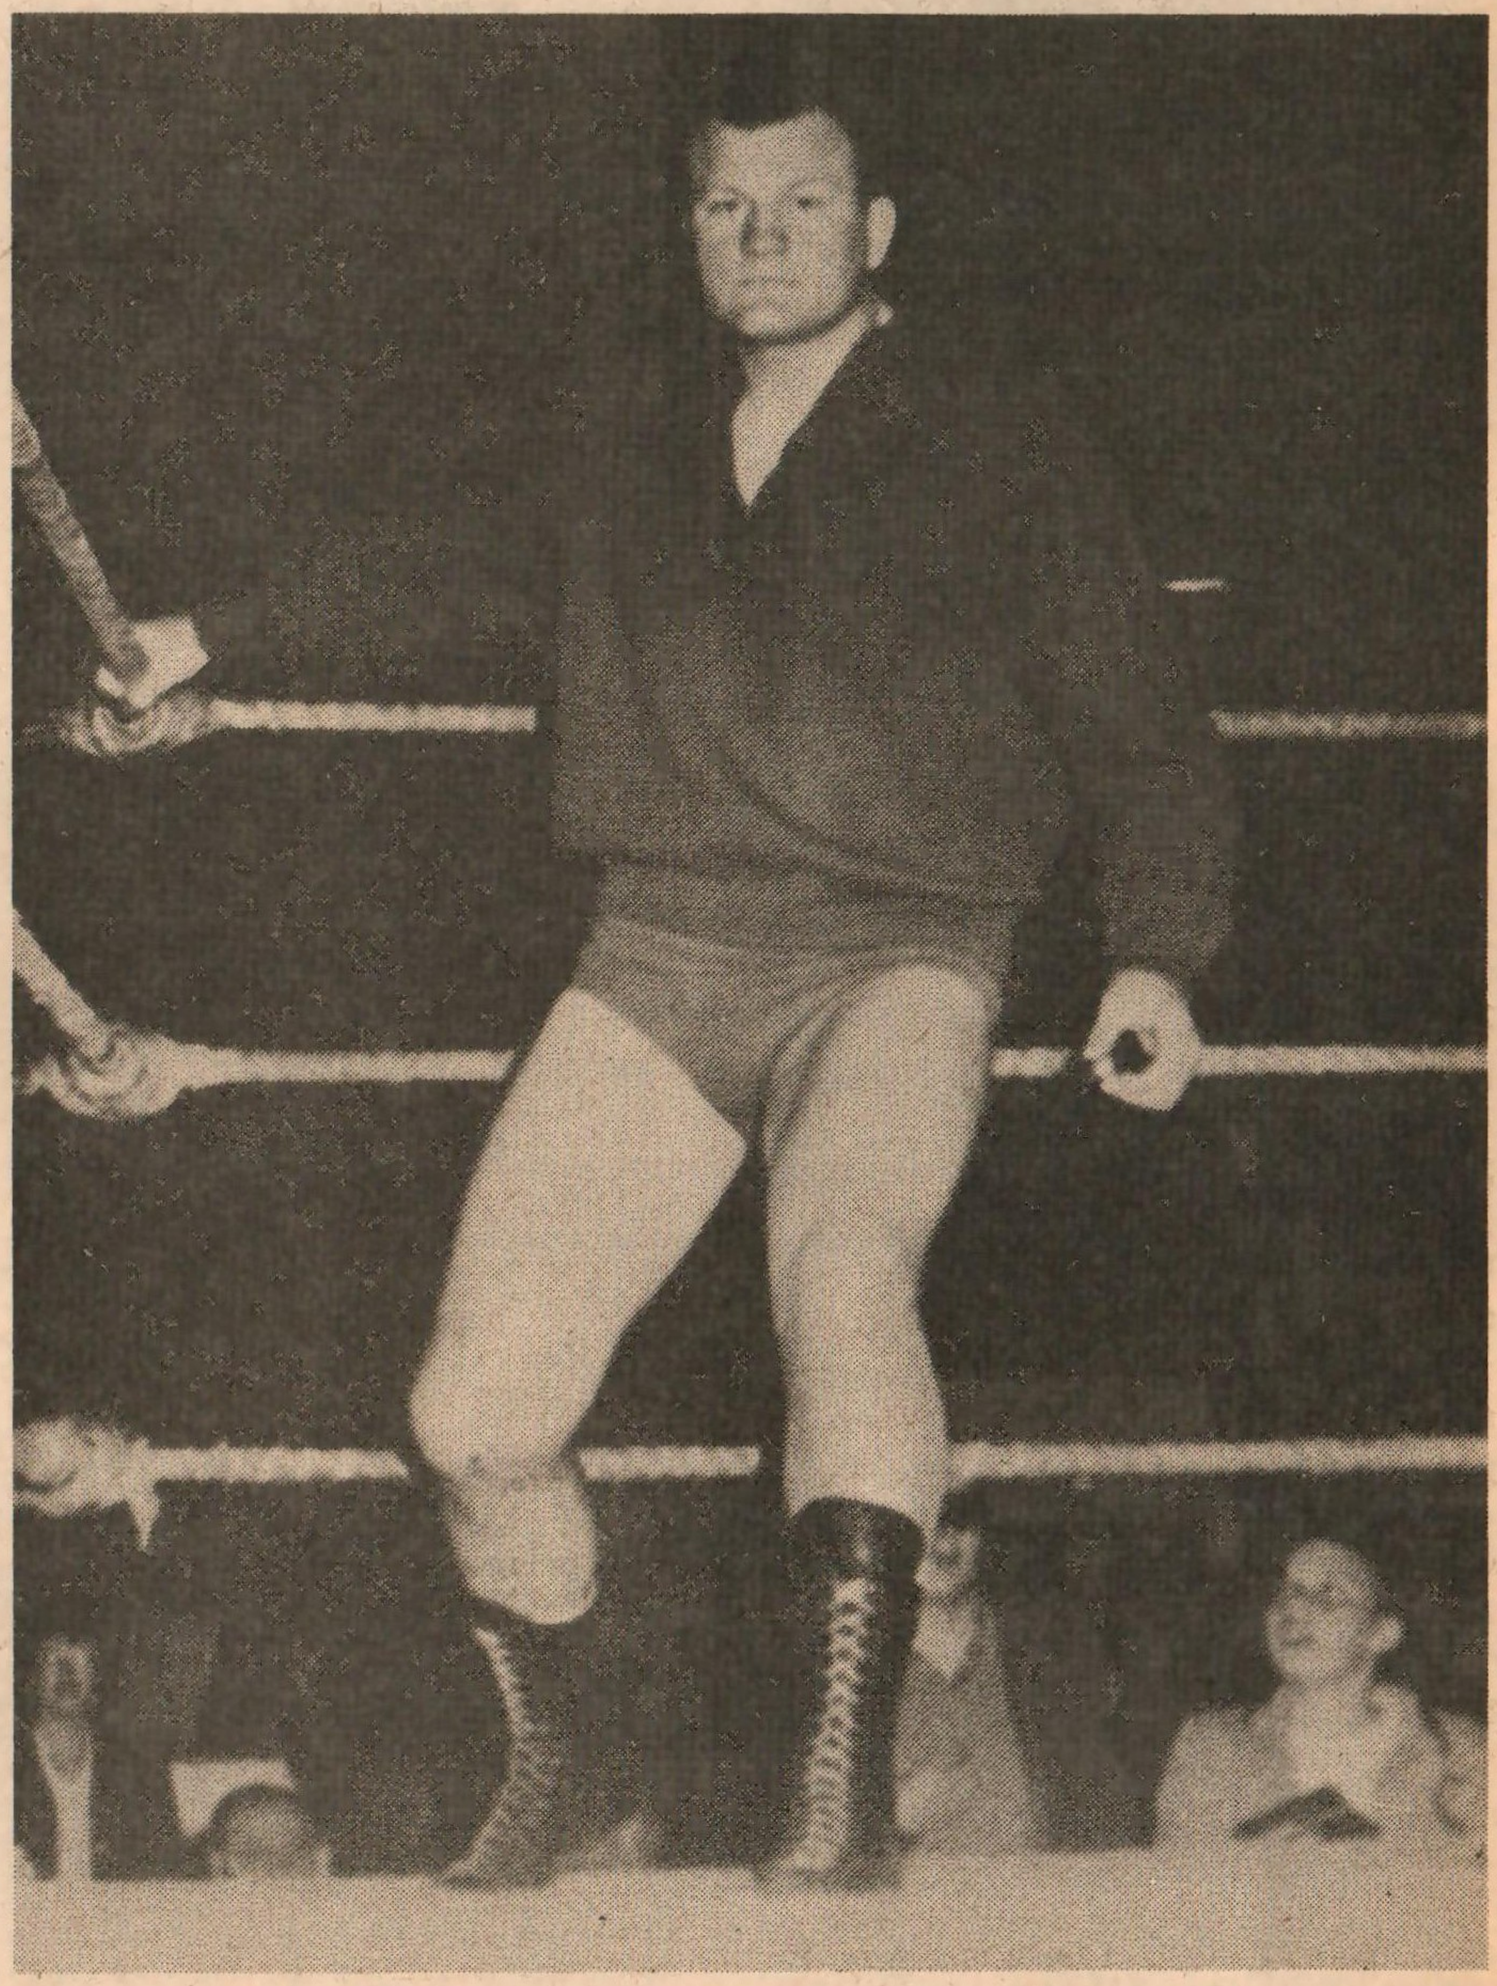
to be. He has a world of confidence in his mat ability, because he has met so many opponents on their own grounds. While Tony can come up with scientific matches that you have to admire, he can adjust on the spur of the moment if his adversary decides to use the rougher routines.

Marino has plenty of heart. He has engaged in many brutal matches with such opponents as The Sheik, Killer Tim Brooks, The Great Kabookie. In a chain match with Killer Brooks both dealt out plenty of punishment, so much so that the referee had to stop the match in Buffalo to avoid further injury to the participants.

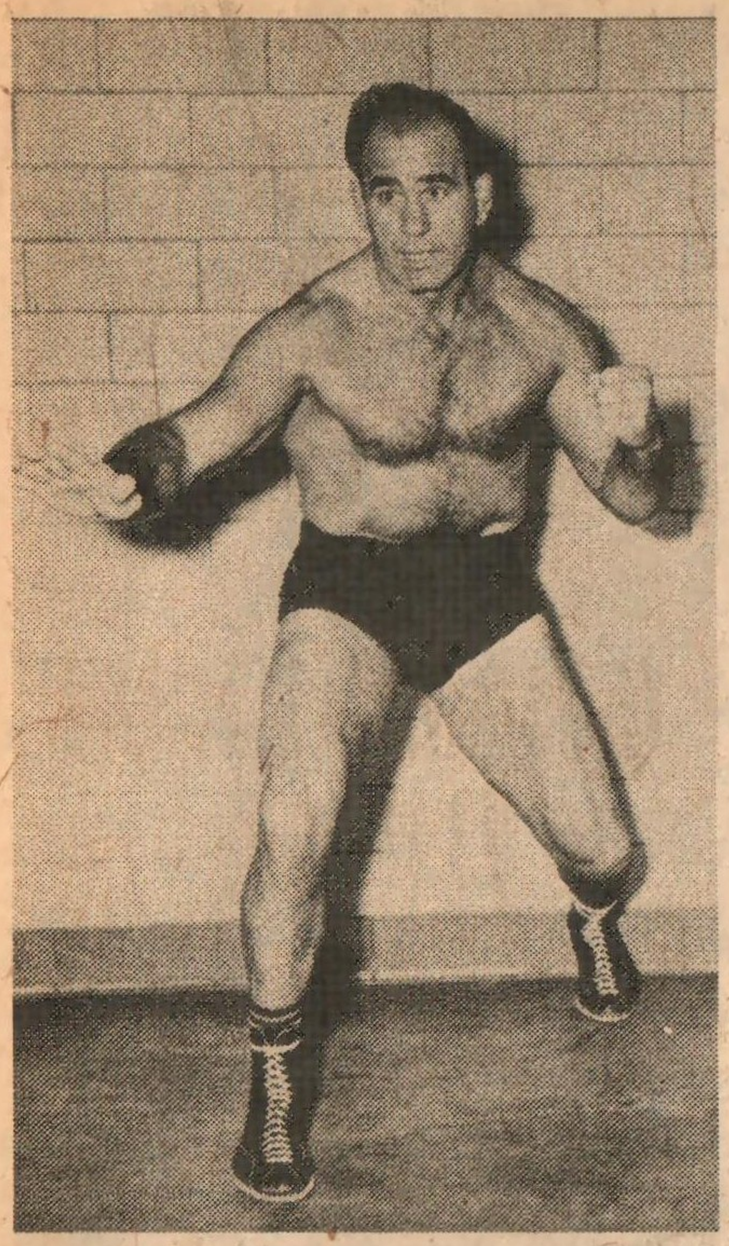
Marino feels that his record of the past year should entitle him to the championship match he seeks. Although he was a victim of the Sheik's fire treatment in one match, his great physical condition saw him recuperate at a fast clip and he was right back in the thick of things.

While attending Madison High School in Rochester, N.Y., Tony was a fullback on the football team and was also a member of the wrestling team for four years. After graduating from Madison High he attended the University of Rochester, where he continued in football and wrestling. After graduating from University of Rochester, he played one year as a professional.

Like all athletes, Tony sat down one day and took stock of himself.



Former National Wrestling Alliance champion Gene Kiniski has a determined expression, and he won't be satisfied until he rules the wrestling roost again.



He had to make a choice of his means of making a living. He liked football, had won relays as a member of the track team and had also won the shot put honors. However, a room full of trophies doesn't put bread and butter on your table.

Tony decided to enter pro wrestling and that decision on his part has moved him right up the ladder to national acclaim as "The Barefoot Boy With Cheek."

To combat the rigors of a professional wrestling career Tony molded a body which is the envy of many of his fellow grapplers. In the past he has won coveted awards such as Mr. Rochester, Mr. New York State and Mr. Niagara Frontier. He has one of the most perfectly formed backs among the wrestling fraternity and his pictures have appeared in national physical culture magazines.

Dropkicks and the reverse shoulder stand are the favorite holds in his repertoire of weapons.

His hobbies when he gets time off from his wrestling schedule include dancing, attending movies, playing the piano and dabbling in oil paintings in which he has shown a real talent. He sold his first painting when he was only 12 years old and he was a proud lad that day. His specialties are landscape portraits and still lifes.

His advice to youngsters, especially

to the lads interested in wrestling is to train diligently, eat well, get plenty of sleep and obey your father and mother. There is no better advice than that.

Here's hoping Tony gets his championship match. He says when that day comes he will be ready to fight the battle of his life. No man can do more than that. It takes courage and confidence in your ability and the world will stand aside when you know where you are going. Tony Marino has aspirations and he is hoping that they will come true some day.

Yes, indeed, there is tragedy and humor in wrestling these days as the mean behemoths try to whittle down their opponents in the shortest time possible. The result has been many injuries to wrestlers and in some cases premature death from heart attacks and other injuries sustained in matches.

Gone to their reward in the past decade are such gallant performers as George Drake, Karol Kalmikoff, Don Eagle, Yukon Eric, Skull Murphy, Dancing Dick Nelson, Frank Townsend, Jim Wright, and a number of others. May their souls rest in peace.

Coming along in championship shape is Billy (Red) Lyons who hails from Hamilton, Ont., Canada and is part of the tag-team combination known as The Crusaders with Dewey Robertson as his worthy partner.

When Robertson sustained a broken leg some time ago Lyons competed in single matches and came up with surprising victories using his famous sleeper hold and reverse shoulder stands. Lyons is also adept with his legs which he has developed into mighty weapons for his defense.

Lyons has proven to be a daring competitor and, with Robertson, has sent many opposing duos to defeat. Currently, they hold the Canadian tag-team championship and are willing to meet any team that promoters sign up to oppose them.

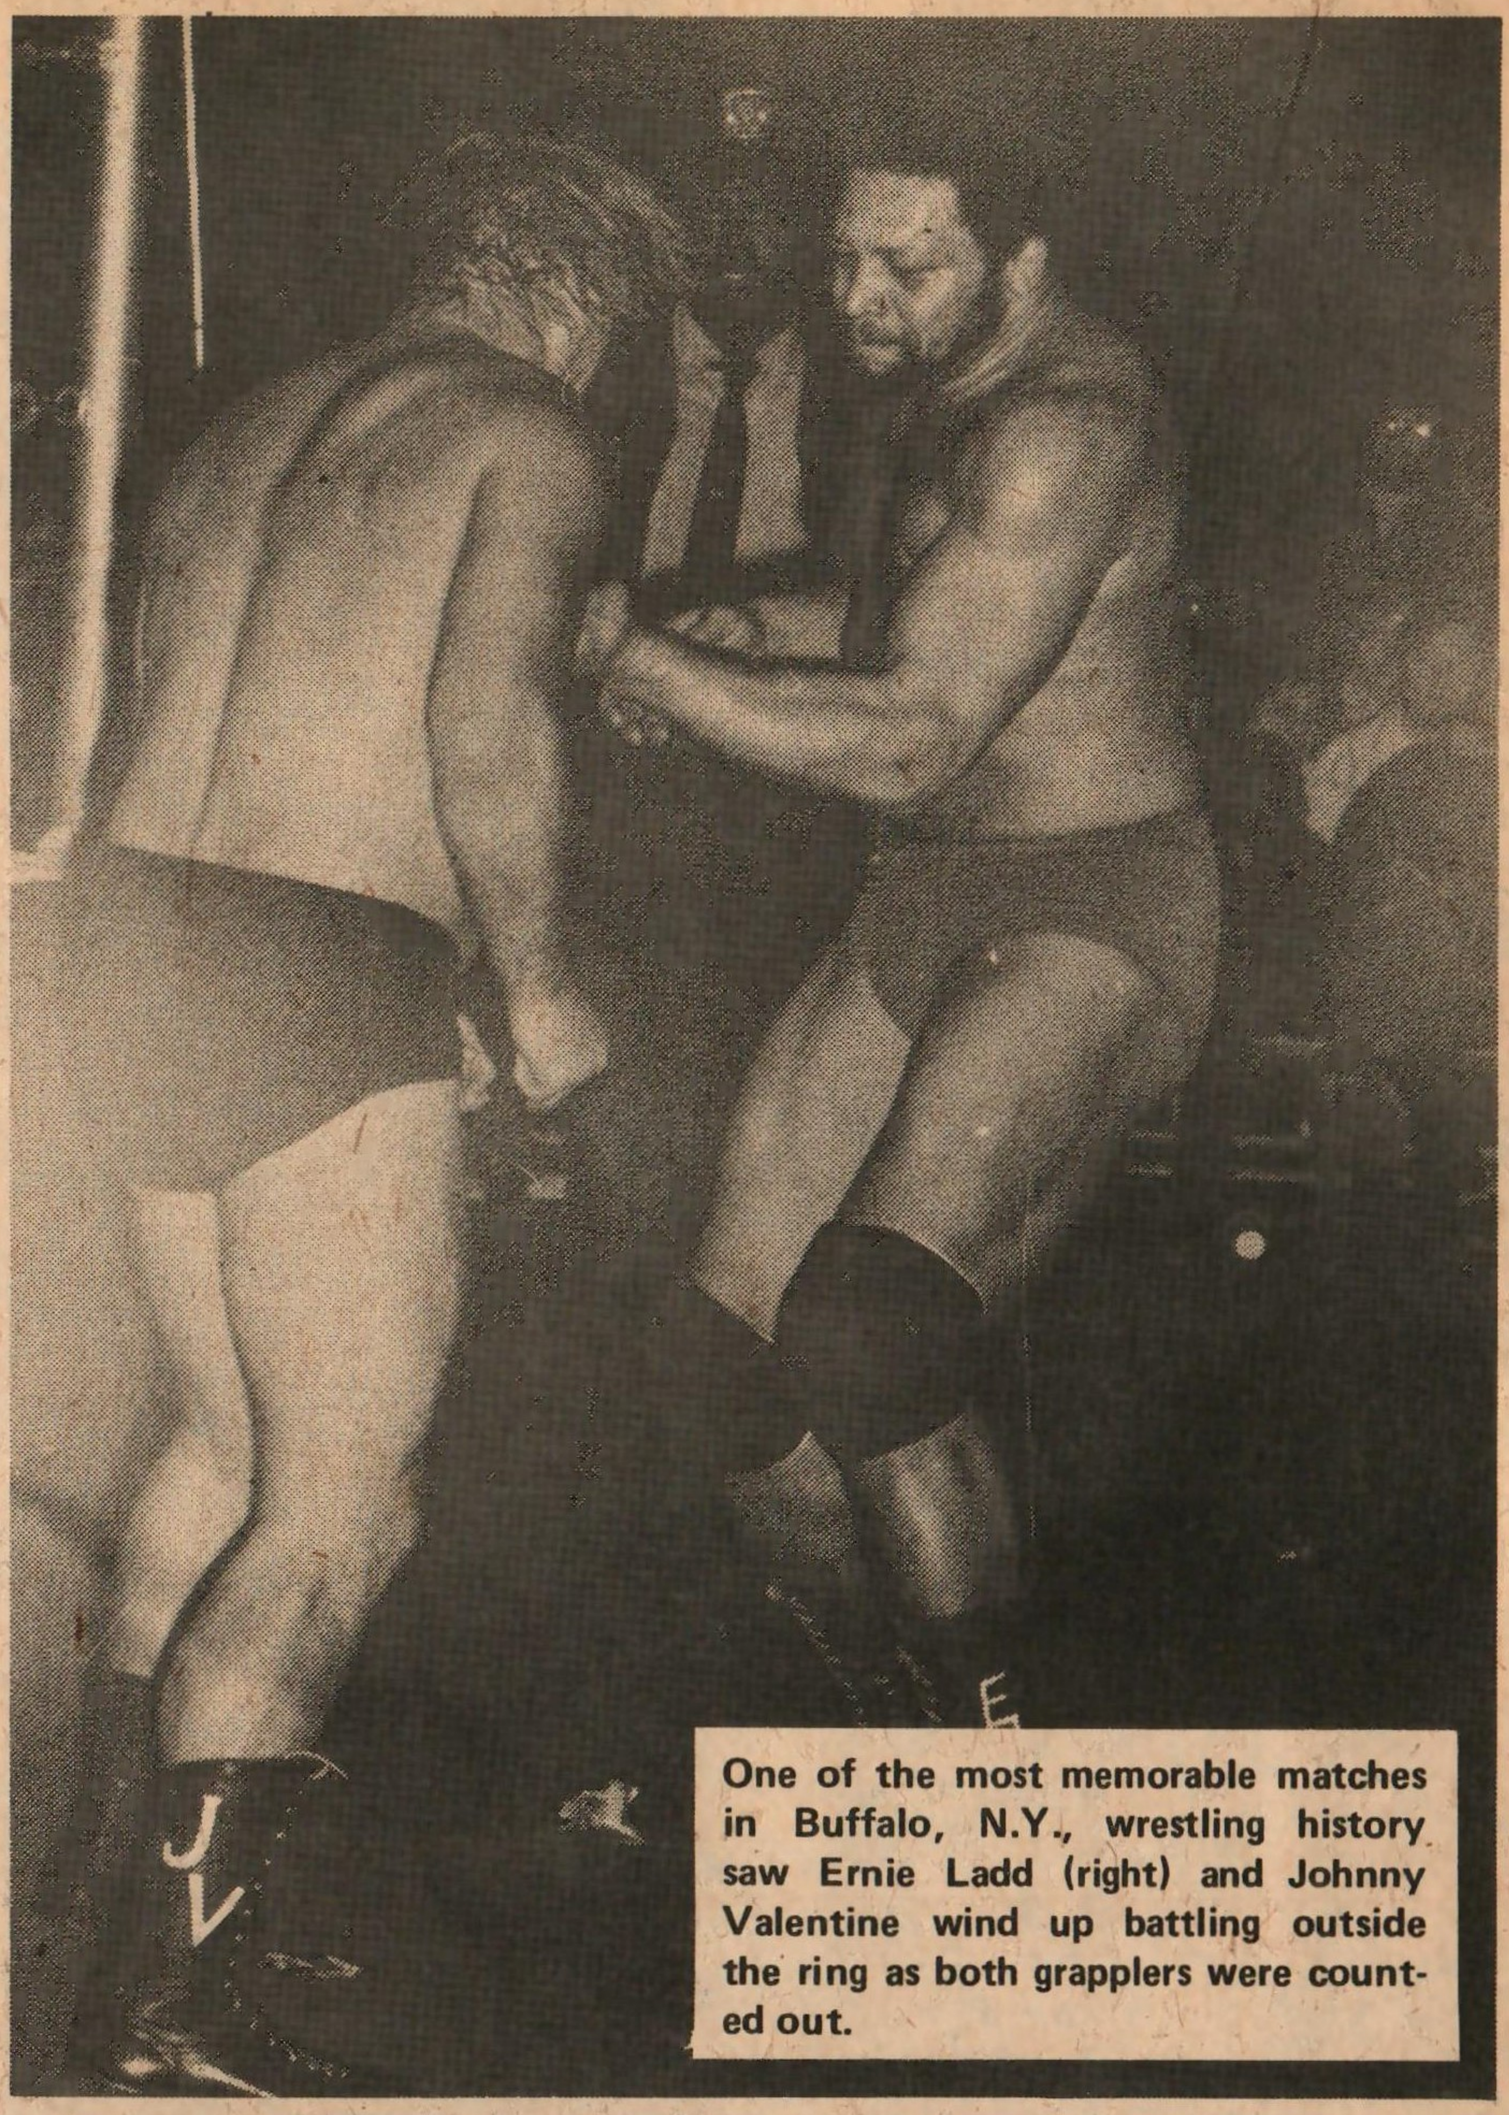
As I go along memories of some great matches continually cross my vision. There are the vicious attacks of Gene Kiniski, former world champion, who says he wants that crown back on his head and won't stop until he achieves that objective.

Perhaps the greatest champion of all is Lou Thesz, who during his miraculous career has held the world championship on six occasions. The runner-up for those honors is none other than Ed (Strangler) Lewis who held the championship belt on five occasions, and, for a time, was trainer and manager of Thesz.

Other startling performers who always come up with inspiring matches include The Beast, Bulldog Dick Brower, Ox Baker, Bobo Brazil and Ernie Ladd.

The Beast has displayed unusual strength in some of his matches. He wrestles in his bare feet but when opponents try to slow him up by stomping on his toes he becomes an immediate dynamo and repays his tormentors with interest in violent elbow smashes to neck and other parts of their anatomy.

Bulldog Brower is an all-out bruiser of the first water. He has had memorable matches with Bruno Sammartino which are considered mat epics. He says he is the original bulldog of



One of the most memorable matches in Buffalo, N.Y., wrestling history saw Ernie Ladd (right) and Johnny Valentine wind up battling outside the ring as both grapplers were counted out.

# BOTCH HOLDS RECORD FOR QUICKEST PIN

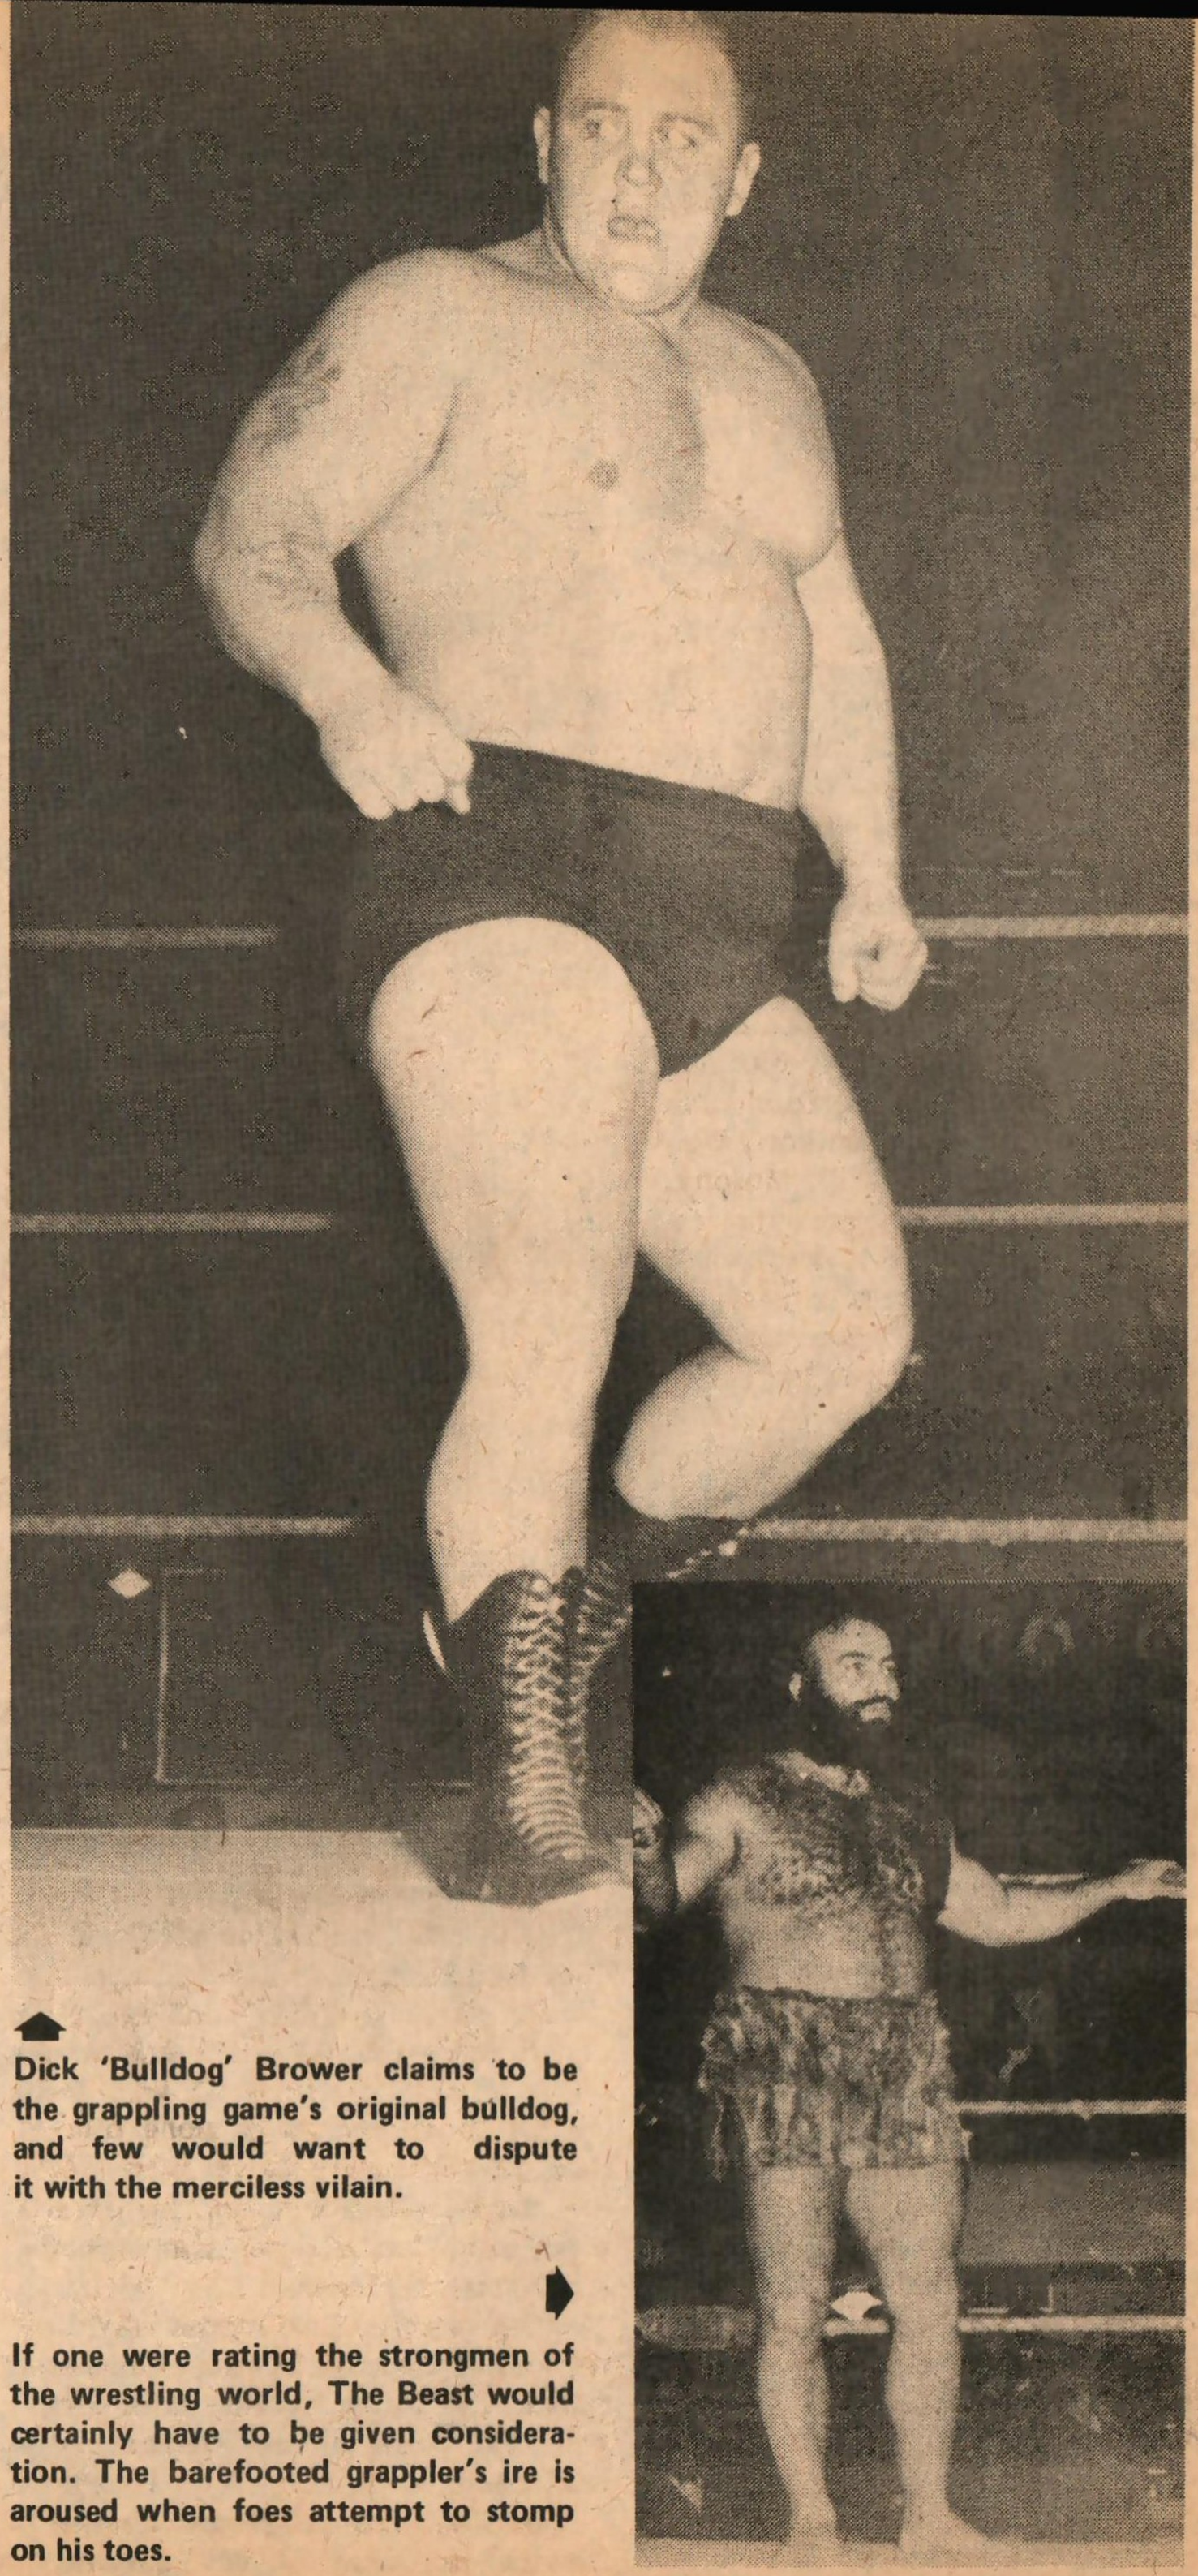
wrestling and that all others who assume that cognomen are imitators. One time in a Texas match the back of his head became impaled upon a corner ring hook and left an ugly gash that required dozens of stitches. That is why the Bulldog shows no pity when he faces an opponent and goes all out for victory regardless of circumstances.

Ox Baker is a brutal antagonist no matter how you look at him. His attacks upon adversaries consist of sledgehammer-like blows to the back of the neck and to all parts of the body. His ceaseless attacks generally find his oponent wilting under pressure to become his next victim. With equal emphasis he uses his size 13 boots to manhandle decked opponents who generally succumb to his vicious attacks.

Another match brought to mind was that between Ernie Ladd and Johnny Valentine. They battled one another from post to post inside the ring and then sought more room when they took the battle outside. They stood in toe-to-toe exchanges and then suffered a double count-out when they did not return to the ring in time.

Ladd really went on a rampage in a Buffalo match when he conquered Abdullah the Butcher to assume the championship of the National Wrestling Federation. It was in this match that Ladd used his football tactics to bring the reign of the Butcher to a sudden halt.

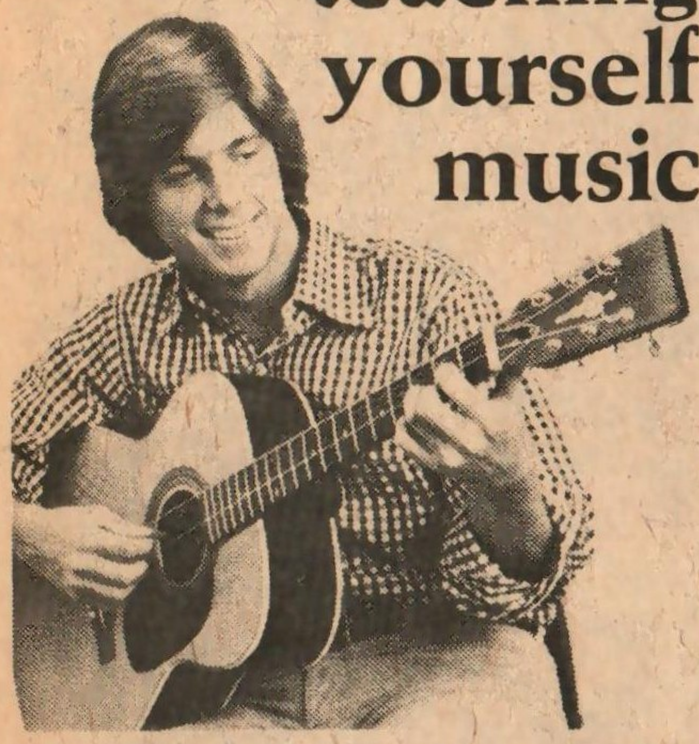
I have had several inquiries as to the whereabouts of Ilio DiPaolo. Ilio has retired from wrestling, and is the proprietor of a thriving restaurant in Blasdell, N.Y., eight miles south of Buffalo. He was always a favorite with the fans while he was in the swim and he gave many thrilling performances including two with Nature Boy Buddy Rogers that the fans still rememher.



Dick 'Bulldog' Brower claims to be the grappling game's original bulldog, and few would want to dispute it with the merciless vilain.

If one were rating the strongmen of the wrestling world, The Beast would certainly have to be given consideration. The barefooted grappler's ire is aroused when foes attempt to stomp on his toes.

# The secret of teaching yourself music



## Learn piano, guitar, etc., at home in spare time

It may seem odd at first—the idea of teaching yourself music. You might think you need an expensive private teacher to instruct you—and to tell you when you make a mistake.

But, the fact is, you don't. Thousands have taught themselves to play with the U.S. School of Music courses. By mail. So can you.

The secret lies in the step-by-step way our lessons teach you. Starting from scratch, they show you with simple words and pictures exactly what to do. You learn to play the right way – by note, from sheet music. Without gimmicks.

But how do you know you're doing it right? Easy. A lot of the tunes you'll practice first are simple songs you've heard before. Since you know how they're supposed to sound, you can tell when you've "got them right."

By the time you go on to more advanced pieces, you'll be able to tell if your notes and timing are right, even without having heard the songs. Before too long, you'll be playing different kinds of music: ballads, old favorites, show tunes, or hymns.

For more information about this convenient, economical way to learn music, mail the coupon. We'll send you our free booklet, "Be Your Own Music Teacher" and a free "Note-Finder." No obligation.

# VON ERICH'S DASH OFF ROPES A FEARED HOLD

Have you ever wondered about some of the fastest falls ever recorded. You see, not all the speedy guys pilot jet planes when you consider that Verne Gagne toppled Al Williams in seven seconds. Billy Darnell turned in a 21-second win and Ted Tourtas defeated Harry Finkelstein in 26 seconds.

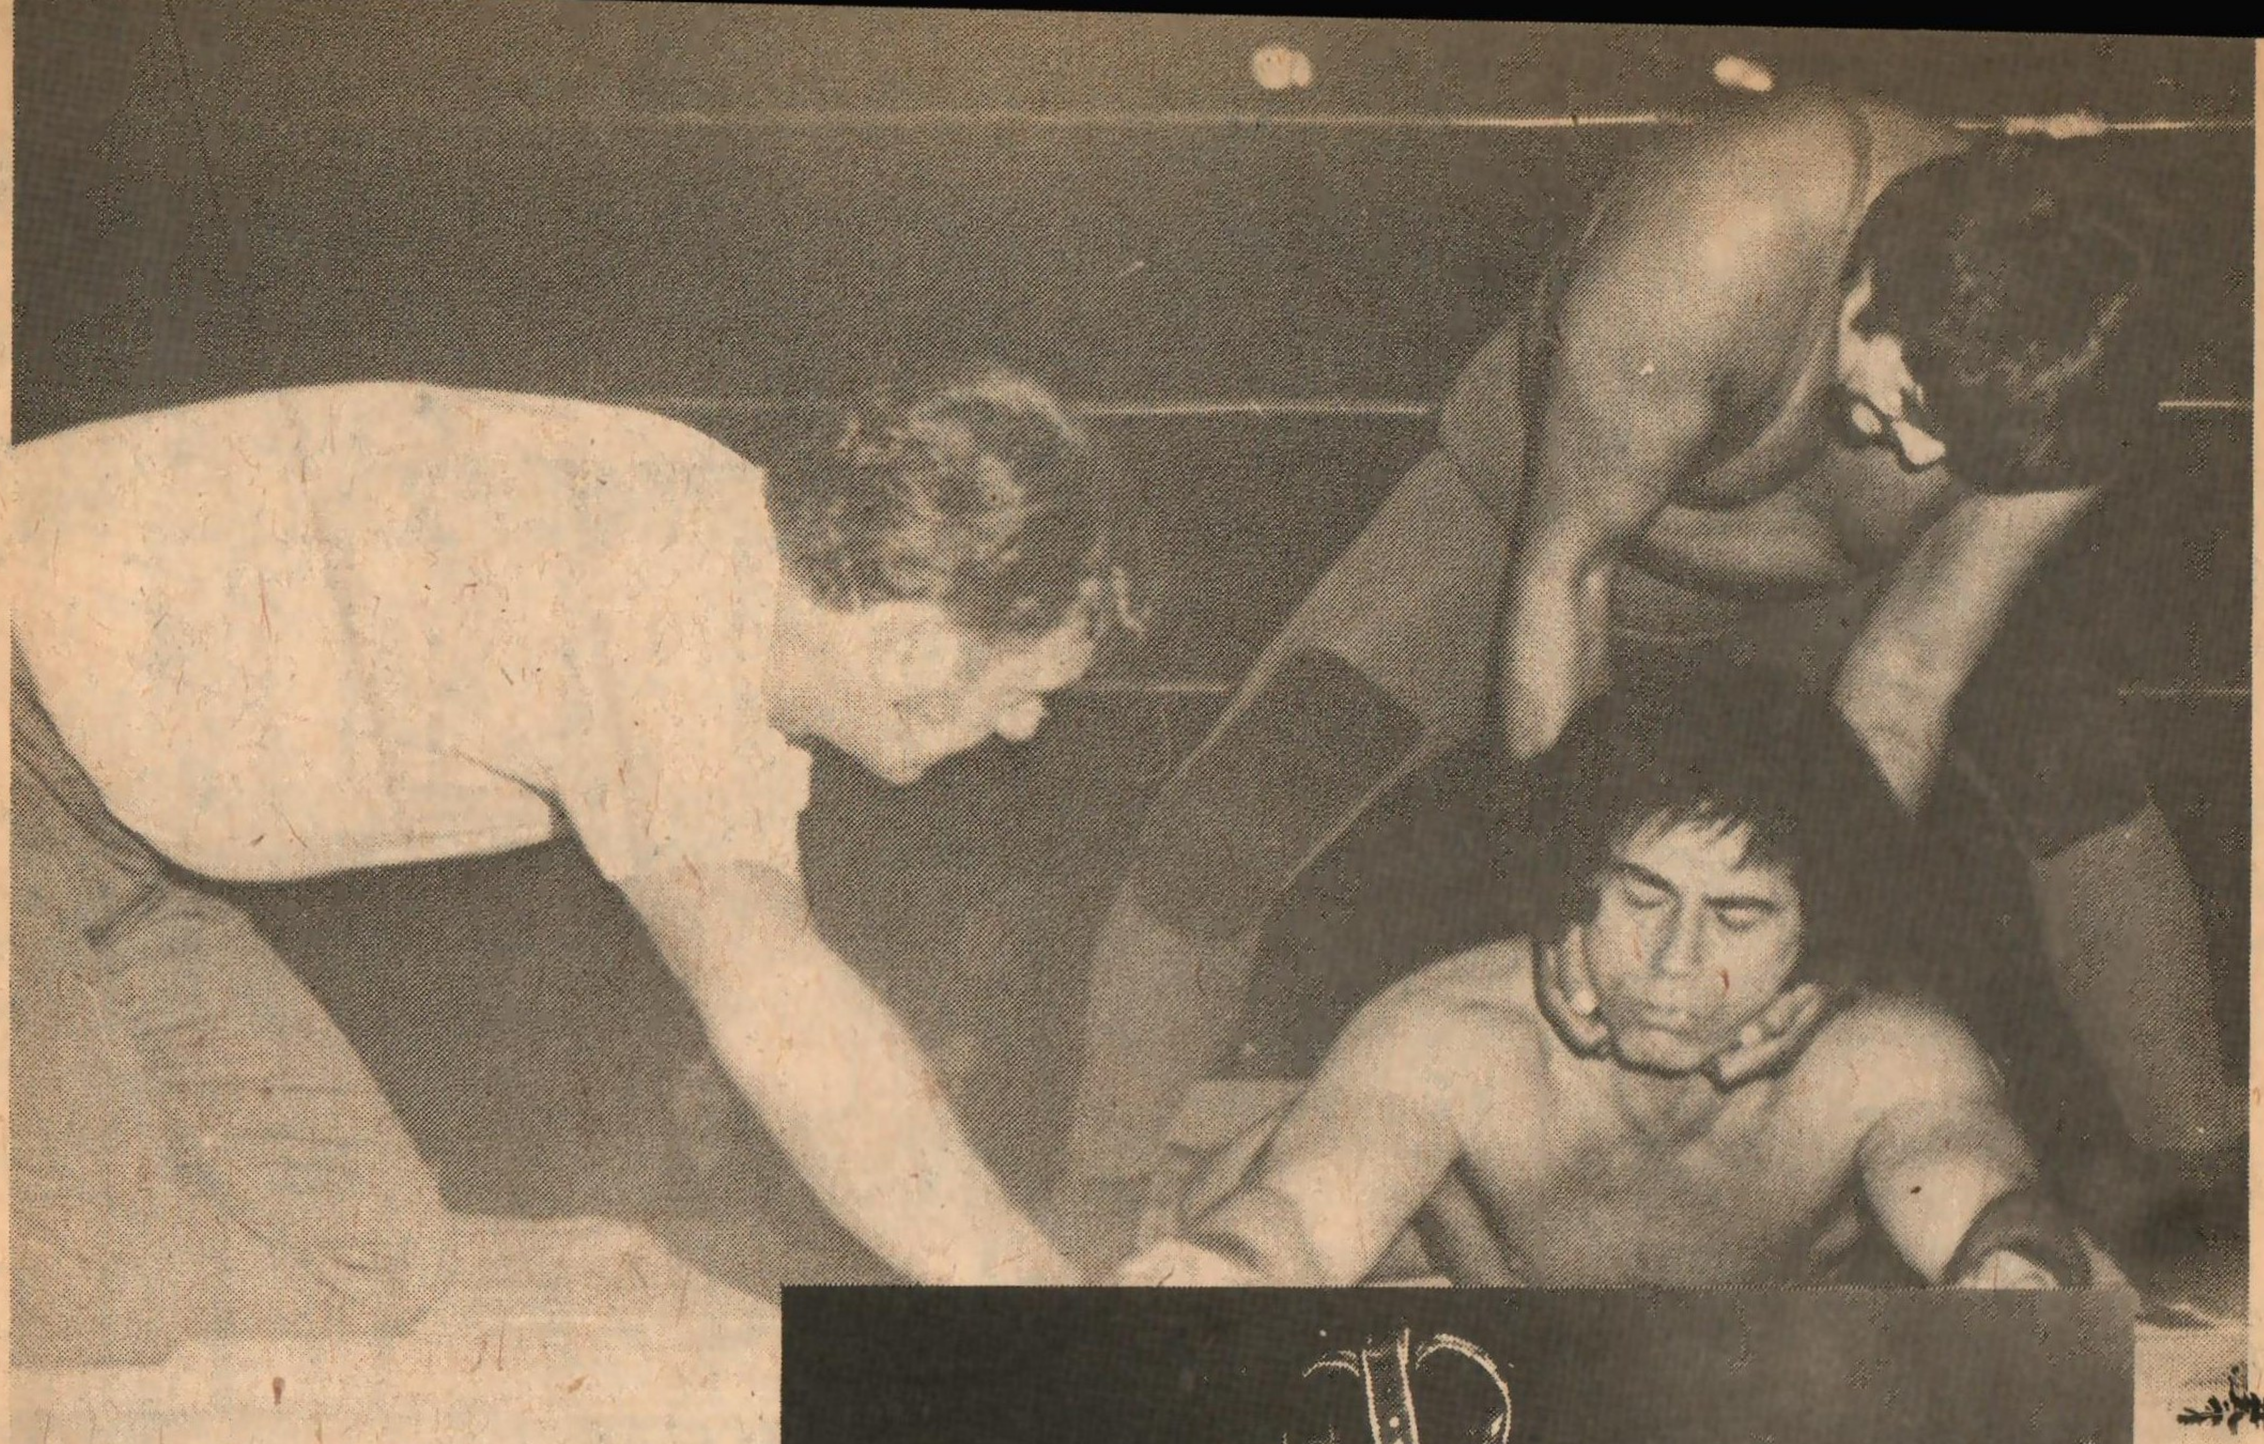
Benito Gardini and Tarzan White exchanged falls in a best-of-three match in 76 seconds. Art Walge pinned Les Ruffin in 90 seconds and only a couple evenings before scored over Jack Rush in exactly one minute.

They were all laggards compared to the great Frank Gotch who took exactly six seconds to down Stanislaus Zbyszko in a title match, considered the speediest scuffle in the books.

Those who are interested in general wrestling items are invited to get a copy of the Global Wrestling News Service which is issued every month. It contains international results, nostalgia, gossip and its cost is only 25 cents plus a stamped self-addressed envelope. Write Global Wrestling, 31 Groveland St. Springfield, Mass., 01108.

One of the most daring holds in all of wrestling is the dash off the ropes by Waldo Von Erich, the arrogant German gladiator who goes all out for victory the minute he steps into a ring.

On occasions, officials have tried to bar this hold, but Von Erich says



The referee takes a close look as The Great Kabookie works on Tony Marino with a nerve hold.

Although he holds no world wrestling championship, Ox Baker certainly ranks as king of the mat meanies.

it is up to his opponents to protect themselves as best they can if they do not want to become another victim. Von Erich has put many wrestlers into the hospital using this dangerous hold, but that is considered part of modern-day wrestling.

By the time you read this column both Johnny Valentine and Bruno Sammartino will be back in action. They were both sidelined for a time with injuries, but their many followers are pleased to see them back in action again.

If you want to know what is going on in pro wrestling get your copy of Wrestling Monthly magazine. If you want to know about wrestling, wrestlers and wrestler's pictures your requests cannot be answe d unless they are accompanied by a self-addressed, stamped envelope. # THE GRAPPLING GAME'S UNSOLVABLE 'RIDDLE'

**PHOTOS by LARRY BARNHIZER**

*There are few names that more aptly describe their bearer than that of Rock Riddle.*

*Riddle, who is also known as 'Mr. Wonderful', is a human paradox.*

It seems only natural that this bleached blonde grappler would be born in Hollywood, Calif., on July 12, 1949, as Rock is show business personified.

Yet, 'Mr. Wonderful' puts no significance in his birthplace.

"I would have become a world famous sex symbol, movie and television star, and superstar wrestler regardless of where I was born," explains Rock.

Some critics have expressed doubts about Riddle's show business career as he certainly has never been a contender for the top awards in movies and television, the Oscars and Emmys.

"Those idiots are jealous," blurted Rock. "They're jealous of my perfect body, they're jealous of my acting career, they're jealous of the fact that the world's most beautiful women throw themselves at my feet, they're jealous of my wealth, they're jealous of my fame.

"How dare anyone doubt my word! Why, I turned down the opportunity to appear in the television series 'Dan August' because of previous commitments. It's a good thing I did too, because I would have made Burt Reynolds look bad as I'm so much better looking than him."

One of Riddle's most undistinguished television appearances occurred on NBS's 'Gong Show', a ton-

Jerry Monti (left) and Rock 'Mr. Wonderful' Riddle get their instructions prior to their match in Modesto, Calif.

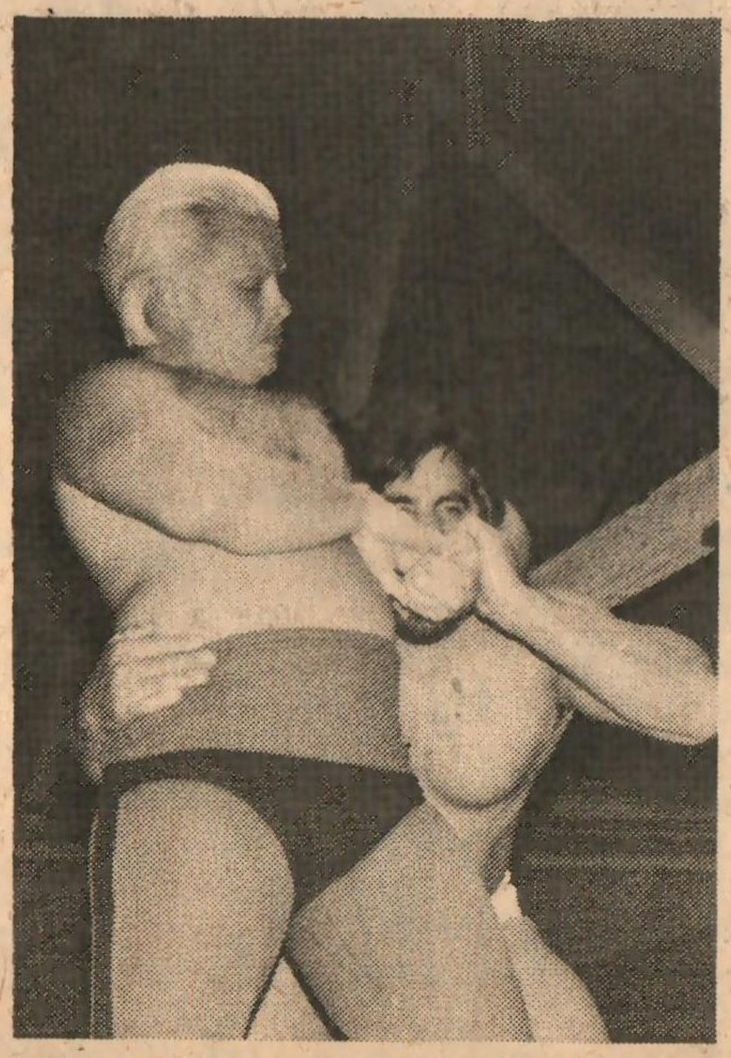
gue-in-cheek talent show which is a take-off on the old Ted Mack Amateur Hour.

While singing a song, Riddle was breaking boards with his bare hand, then he topped his act off by tossing a dummy around.

Unfortunately for Rock, the panel of show-business personalities didn't think he was 'Mr. Wonderful' and he wound up among the program's also-rans. Thus, losing out on the trophy and $512.73 prize which goes to the contestant who gets the most votes from the panel.

Although he admits he was never one to hit the books — at least not near as hard as he hits his wrestling opponents — Riddle boasts of being a Dean's List student at Palm Beach College, an extension of Florida Atlantic University.

No, Rock didn't major in water skiing and wrestling. He graduated with a degree in criminology and law enforcement.



Rock Riddle clamps a headlock on Jerry Monti in the early going of their match.

Another paradox when one considers how little regard Riddle shows for the 'laws' of wrestling.

Anyone who has heard Riddle on a TV interview knows that he has been blessed with the gift of gab.

"I took several public speaking courses in college, but I found them rather boring," admits Rock. "I knew more and was a better speaker than any of my professors. Of course, having an IQ of 147 doesn't hurt either."

Although he didn't make his debut in professional wrestling until the summer of 1970, Riddle has always had an active interest in the grappling game.

Rock wrestled in high school and college, studied Kodokan judo for two years and Uechi-ryu and

Upset by Riddle's illegal tactics, Jerry Monti catches Rock in a corner and unleashes a two-fisted barrage to the villain's midsection.

**The end is near as Riddle is about to pounce on a semi-conscious Monti with a flying body press following a series of elbow drops.**

Shorin-ryu karate for three years. Before debuting among the professionals, Riddle trained for six months under Warren Siciliano, a former wrestler and a 10th-degree, black-belt martial arts master.

Riddle's physique was good enough to win him the 'Mr. Palm Beach' contest a few years ago, and Rock regards his muscualar develpment as "perfection".

However, truth to tell, even though Riddle is better built than some of his fellow grapplers, Rock has to play second fiddle to many of the muscular matmen active today.

To stay in shape, Rock runs five miles daily and usually follows this up with a two hour workout with the weights and other equipment.

'Mr. Wonderful' also credits his physique to lying around the beach, soaking up the sunshine, thrilling the broads, swimming, surfing, water skiing and scuba diving.

Although he has never held any titles of his own, Riddle enjoyed some success as a manager. He guided Al and Don Greene, Taro Murasaki and the Great Fuji, and the Masked Spoilers to the Tennessee tag-team title, and managed the duo of Gunga Dhin and Kubla Khan to the United States championship. It may be mere coincidence that Dhin and Khan lost the title immediately after they parted company with Rock.

Riddle no longer has any desire to serve as a manager, preferring instead to manage his own wrestling activities.

Although he was blessed with the gift of gab, Riddle knows that actions speak louder than words. Yet, even Rock's critics have to admit that he usually puts his 'money where his mouth is' when it comes to mat performances.

Riddle has shown himself to be

Although there may be doubts about Riddle's acting ability as well as his claim to having the 'perfect' physique, there's no arguing the fact that Rock is one of the best dressed competitors in the wonderful world of wrestling.

'Mr. Wonderful' seldom if ever wears the same outfit twice. In fact, each new outfit seems to outdo its predecessor.

"Why should I bother to wear the same outfit twice?", says Riddle, "I have several thousands of dollars worth of especially designed wrestling wear. I own 14 different velvet robes and 18 different pairs of various colored wrestling shoes. I also have a full-length, white chinchilla robe and am having a mink ring jacket designed.

"I won't settle for anything but the best," boasts Riddle. "The best clothing, the best housing and the best in automobiles."

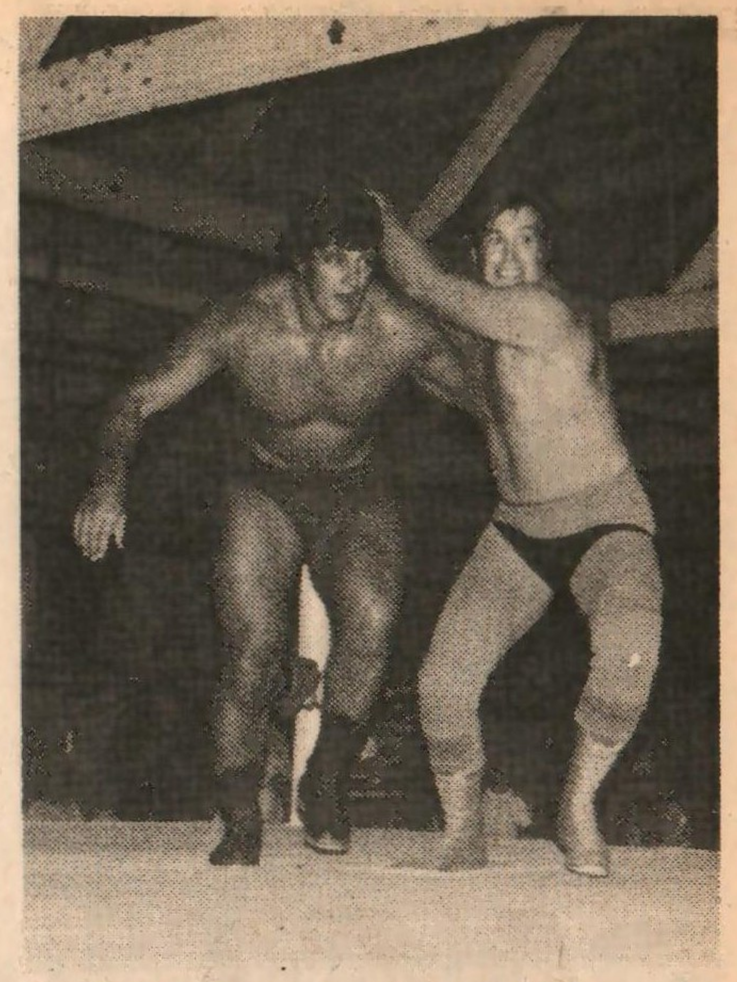
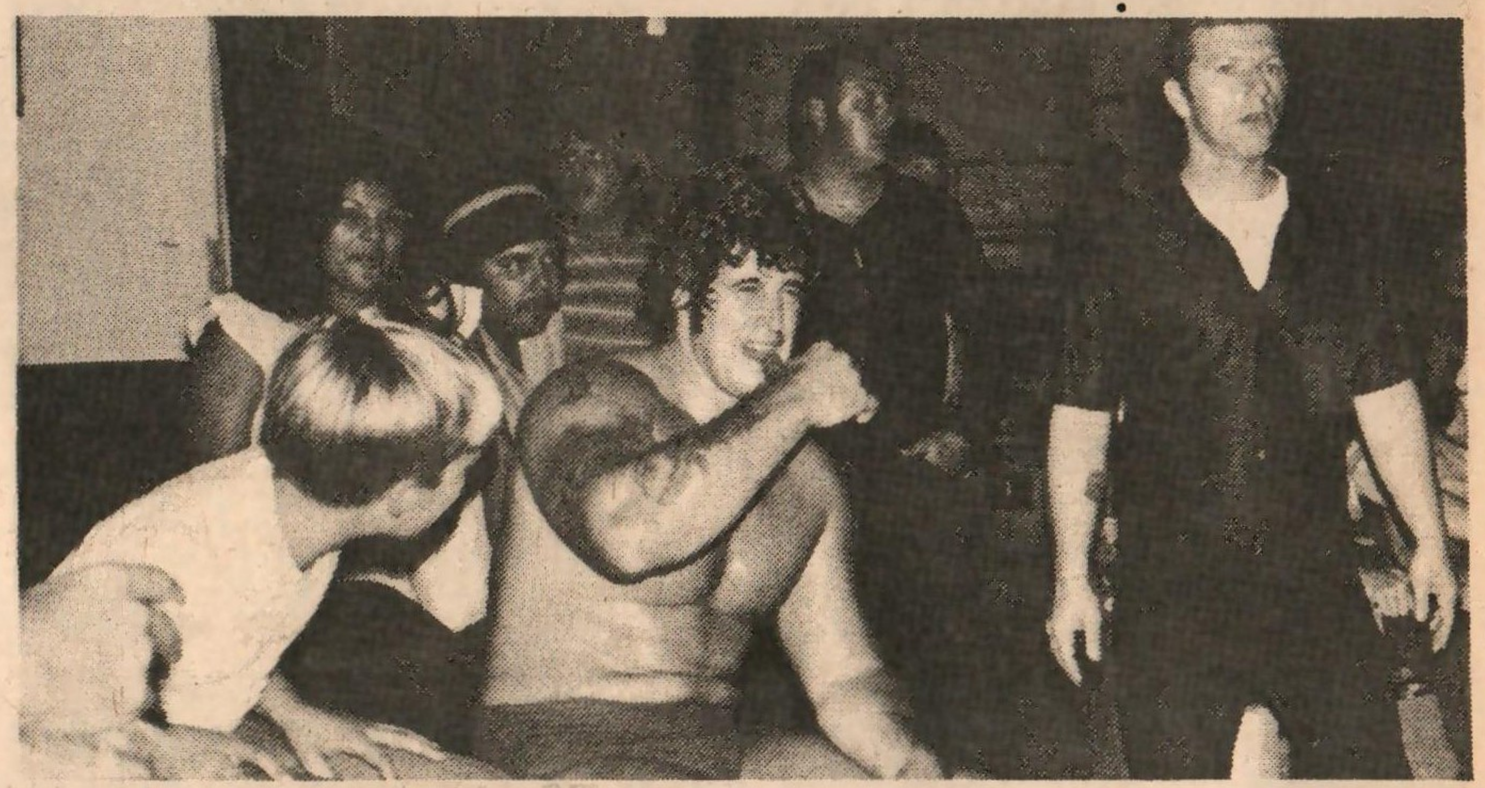
Garea struggles to free himself as Riddle applies the pressure on a reverse leg and shoulder press.



Rock Riddle grins with delight as he is about to toss Tony Garea out of the ring.

# ROCK ENJOYED GREAT SUCCESS AS MANAGER OF TAG-TEAM CHAMPS



Tony Garea has a seat among the ringside spectators as he takes a brief breather after being tossed out of the ring by Riddle.

close to $300 a week during peak tourist season in Florida.

Most men would be content driving luxury cars like Cadillacs and Lincoln Continentals, but as his fame in the grappling game grows so does Riddle's taste in automobiles. Rock can usually be found behind the wheel of his custom-built, fire-red futuristic-looking sports car.

Whether it's his acting, wrestling, fancy attire or just his way of life, one has to admit that 'Mr. Wonderful' is indeed the grappling game's unsolvable 'Riddle'.

*On February 14, 1929 Chicago gang leader "Bugs" Moran started out for his warehouse located at 2122 North Clark street; he had closed a solid deal: a truck-load of bootleg whiskey for only $57. a case.*

*As they were reaching the warehouse, Moran and his men noticed policemen with machine guns and sawed-off shotguns standing outside. Moran knew he had been tricked and quickly left the scene: it was exactly 10:30 AM. The lawmen went inside to arrest the seven men working for Moran in the warehouse: they opened fire instead. Seven bullet-ridden bodies lay in pools of blood. This incredible bloodbath would go down in history as the St. Valentine's Day Massacre.*

*Only one man would order an execution of that sort: Al Capone. There was no chance anyone could convict him for that horrendous crime but Capone took no chances: during one of "Scarfaces" famous orgies, two members of his gang had their brains splattered on the dinner table by a baseball bat wielded by Capone himself.*

*What sort of man was Capone? Could his facial expression reveal the cruelty of this strange man? Photos of Capone are rare, very rare, but after years of painstaking research, we have been able to come up with the photo of Capone available.*

*We are pleased to offer our readers a limited supply of this rare historical document.*

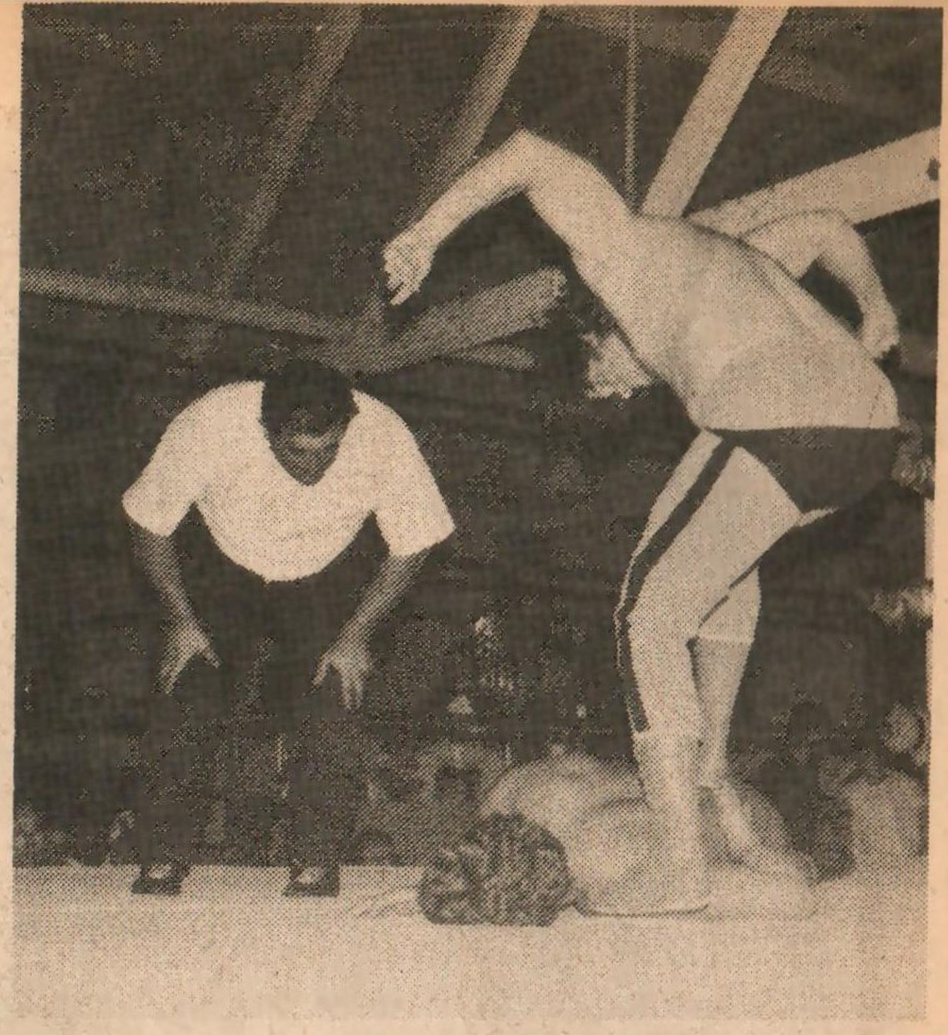
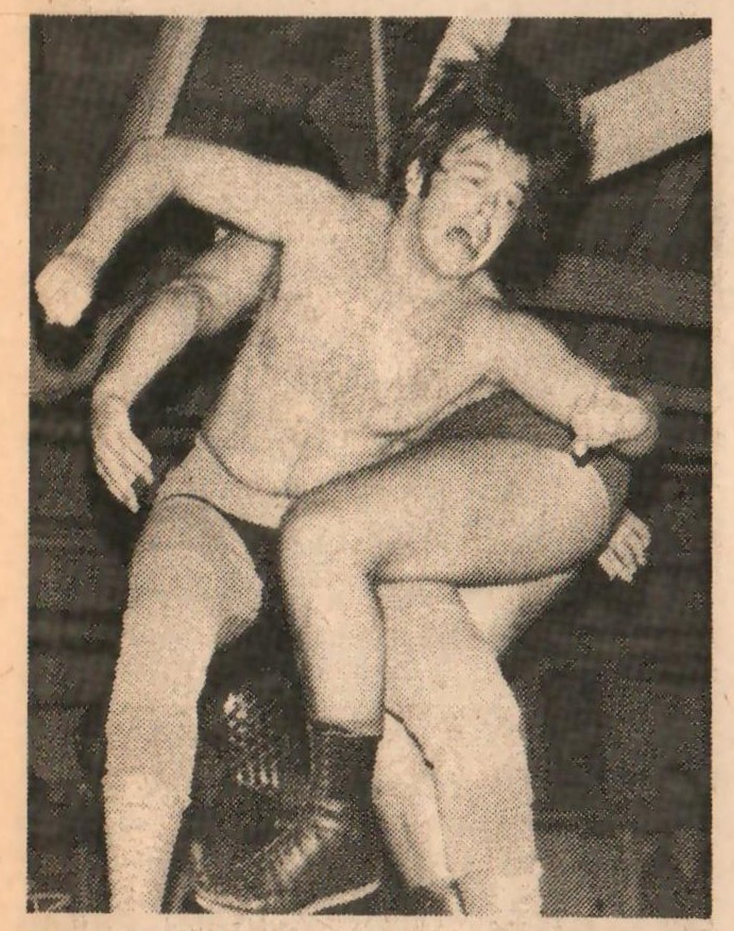
Rock Riddle joins Tony Garea outside the ring as they engage in a toe-to-toe slugfest. Here, Riddle grabs Garea by the throat with his left hand while preparing to deliver a right to the jaw.

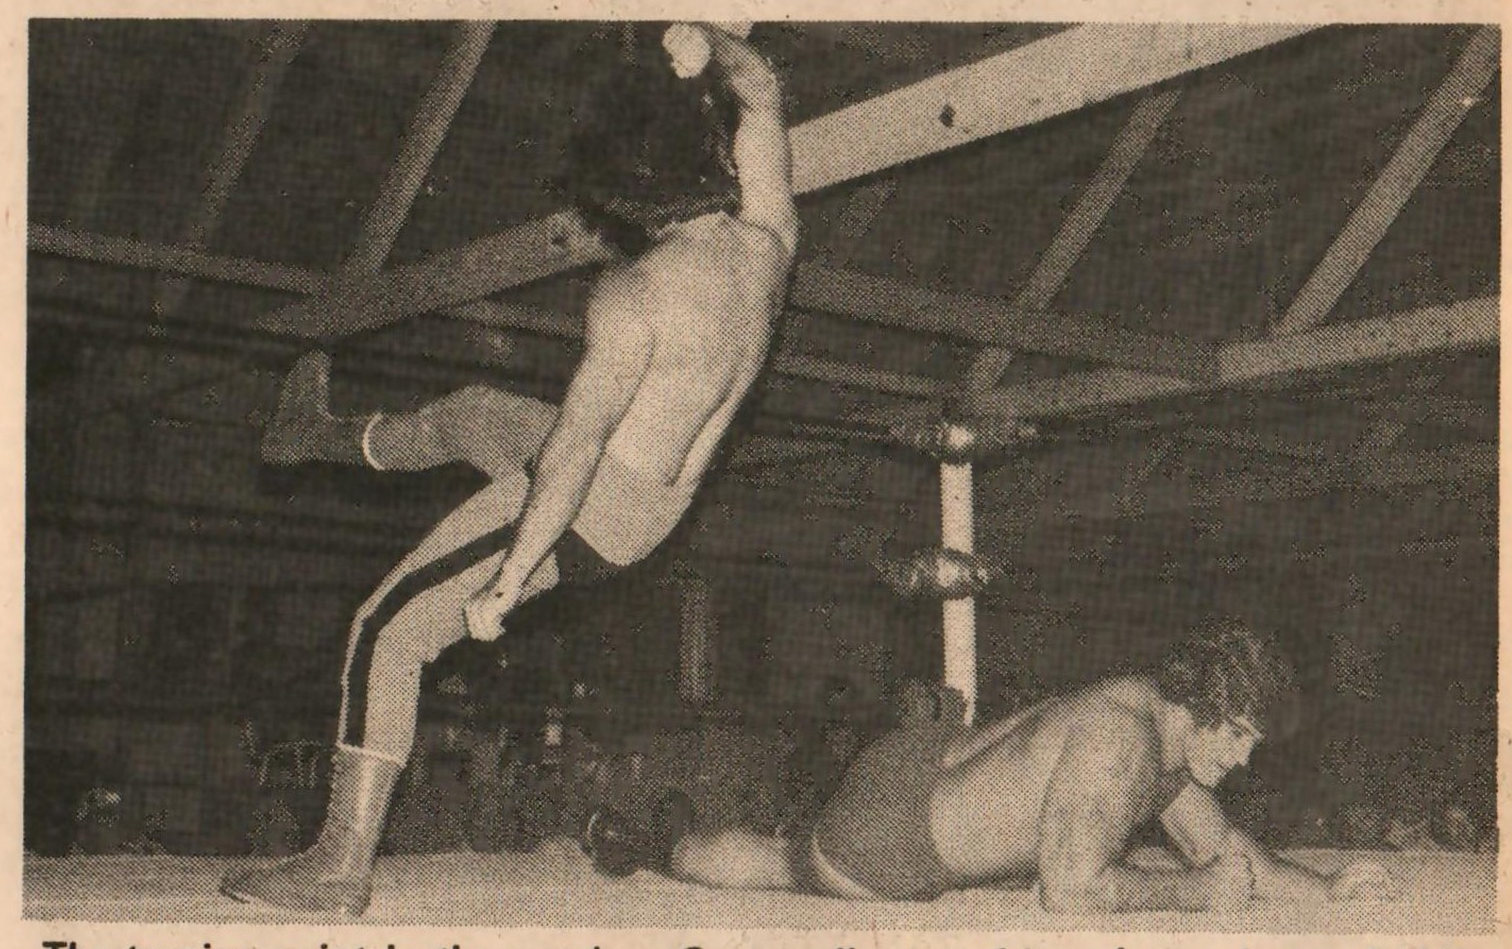


Riddle puts his worst foot forward as he stomps on Garea while the referee checks to see if Tony is ready to concede.

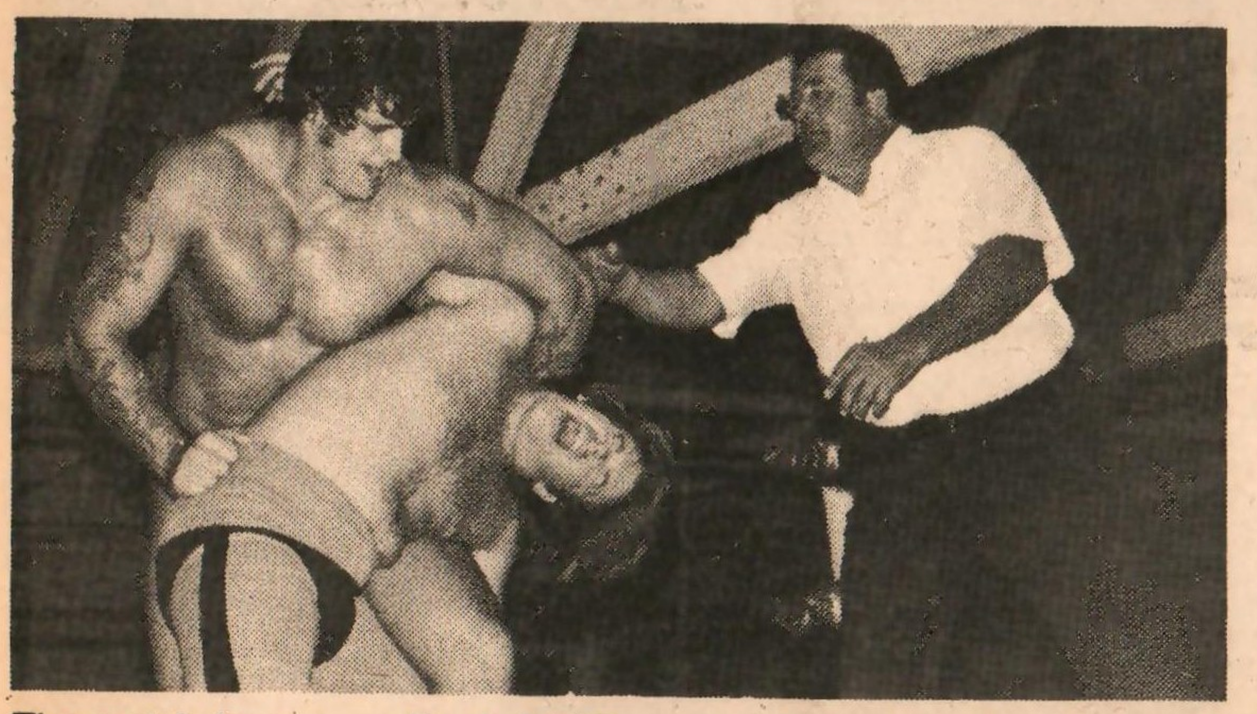
# RIDDLE AMONG BEST DRESSED WRESTLING STARS



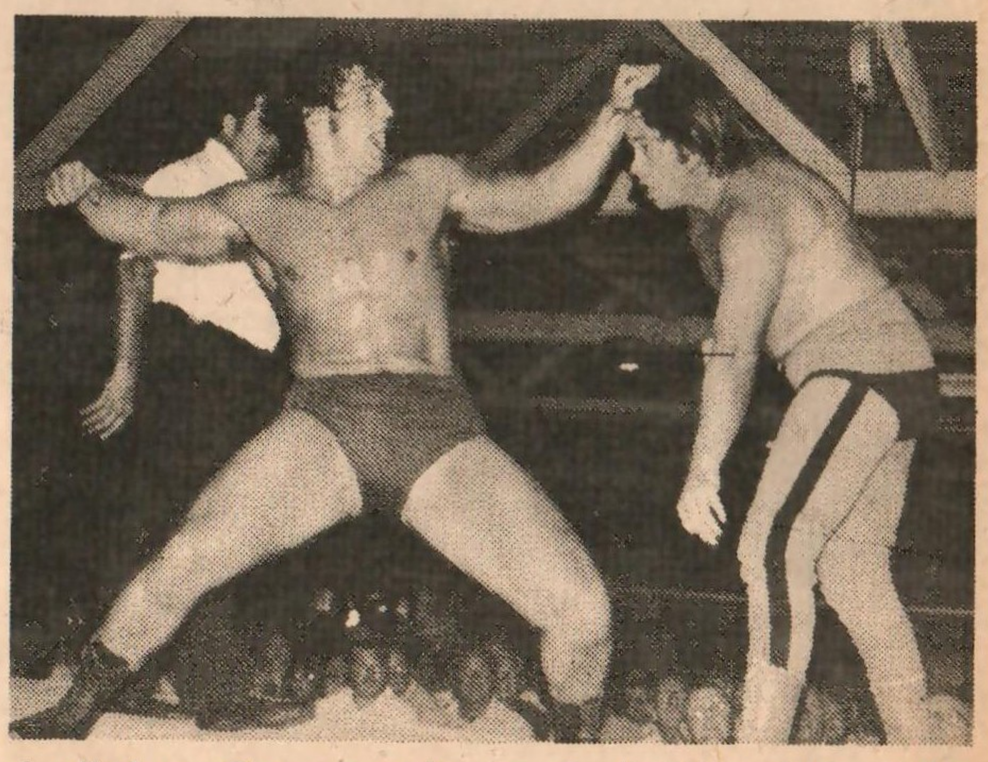
Rock Riddle has a look of horror on his face as he realizes Garea is about to apply the abdominal stretch.



The turning point in the match as Garea rolls out of harm's way just as Riddle was about to deliver his 'coup de grace' a flying elbow drop.



The match is over as Rock Riddle can no longer stand the pain of the abdominal stretch and concedes the match to Tony Garea.



A riled-up Garea cranks up to let fly with a right to the head of a dazed Riddle.

# WRESTLING'S MOST FAMOUS SOCIAL CLUB

By JESS HERNANDEZ

A meeting of the Cauliflower Alley Club brings together some greats and near greats of the wrestling world. Left to right are Ted Christy, Billy Varga, Vic Christy, Dr. Fred Myers, Tiger Marsh, Al Baffert and Mike Mazurki, president of the club.

*Americans love their sports heroes. They heap superlatives and hero worship on their herculean athletes. Sports feats and records are the athlete's ticket to fame and fortune. Some even climb the summit into the prestigious Hall of Fame shrine.*

*What happens to superstar athletes after the tumult and shouting of the public vanishes? Not a whimper or trace of notoriety is echoed.*

Some pass away without fanfare but other like the members of Cauliflower Alley Club in Hollywood remain in the spotlight, in the center stage of idolatry and awe. The cliche, "old athletes never die" aptly describes the rambunctious Cauliflower Alley gang.

Nestled around the confines of the Hollywood-Roosevelt Hotel every Wednesday noon, the membership of Cauliflower Alley glitters with numerous world champions and contenders from various sports of past eras.

Former world champion wrestling star and impeccable and illustrious Mildred Burke, heads the roll call of this elite fraternity. When Mildred was inducted into the International Wrestling Hall of Fame in Gardena, Calif., she became the first female super athlete to gain the distinguished accolade.

Not all the members of Cauliflower Alley developed into world titlists during their heyday inside the field of combat.

Some like Ted and Vic Christy were villainous gladiators who tormented the opposition with illegal tactics on the mat front. Mike Mazurki was a topnotch matman in the '30s and '40s who took on the best in wrestling's Who's Who. Mike tangled with Jimmy Londos, Strangler Lewis and Joe Stecher.

"Strangler was the best in my book. I'd have to rate him the greatest with Londos, Stecher and Ed Don George right there," said Mike.

The name Al Baffert may not mean as much to wrestling fans as Strangler Lewis but Baffert distinguished himself as a colorful matman in the '20s and '30s. Al had over 2000 matches in 25 years and was United States Navy champion in the 1930s. Baffert pioneered wrestling in the Phillippine Islands and later became a noted actor and stuntman in Hollywood.

George Zaharias, the popular "Crying Greek" from Michigan, was a stellar mat star in the '30s. He headlined at the Olympic Auditorium in Los Angeles for many years against the likes of Jim Browning, Ed Don George, Hans Steinko, George Galza and Man Mountain Dean. Later, the colorful Zaharias became a leading mat impressario and avid golfer and was married to one of the world's greatest female athletes Babe Didrickson.

Popular Don Sebastian who wrestled for many years at the old Hollywood Legion Stadium in the '40s, enjoys the great atmosphere and camaraderie of Cauliflower Alley.

Likewise for Count Billy Varga the former world's kingpin who inherited his herculean mat talents from his famous dad the Count of Hesberg.

Barone Leone and Lord Carlton, colorful matmen of noble blood, or just down-to-earth gladiators like Vic Christy, they're all alike to the rambanctious members of Cauliflower Alley.

"Laugh to Win" is the club motto with president Mike Mazurki, the noted actor and philosopher, on hand to welcome one and all.

"You don't need a cauliflower ear to join the club, just a ready smile and hand shake," said Mazurki. "Everyone is a champion in the club. A super-duper human is what we want, not just world champions."

The Cauliflower Alley gang is wrestling's most prestigious and star-studded sports fraternity. It's the home base of today's forgotten stars and yesterday's heroes!

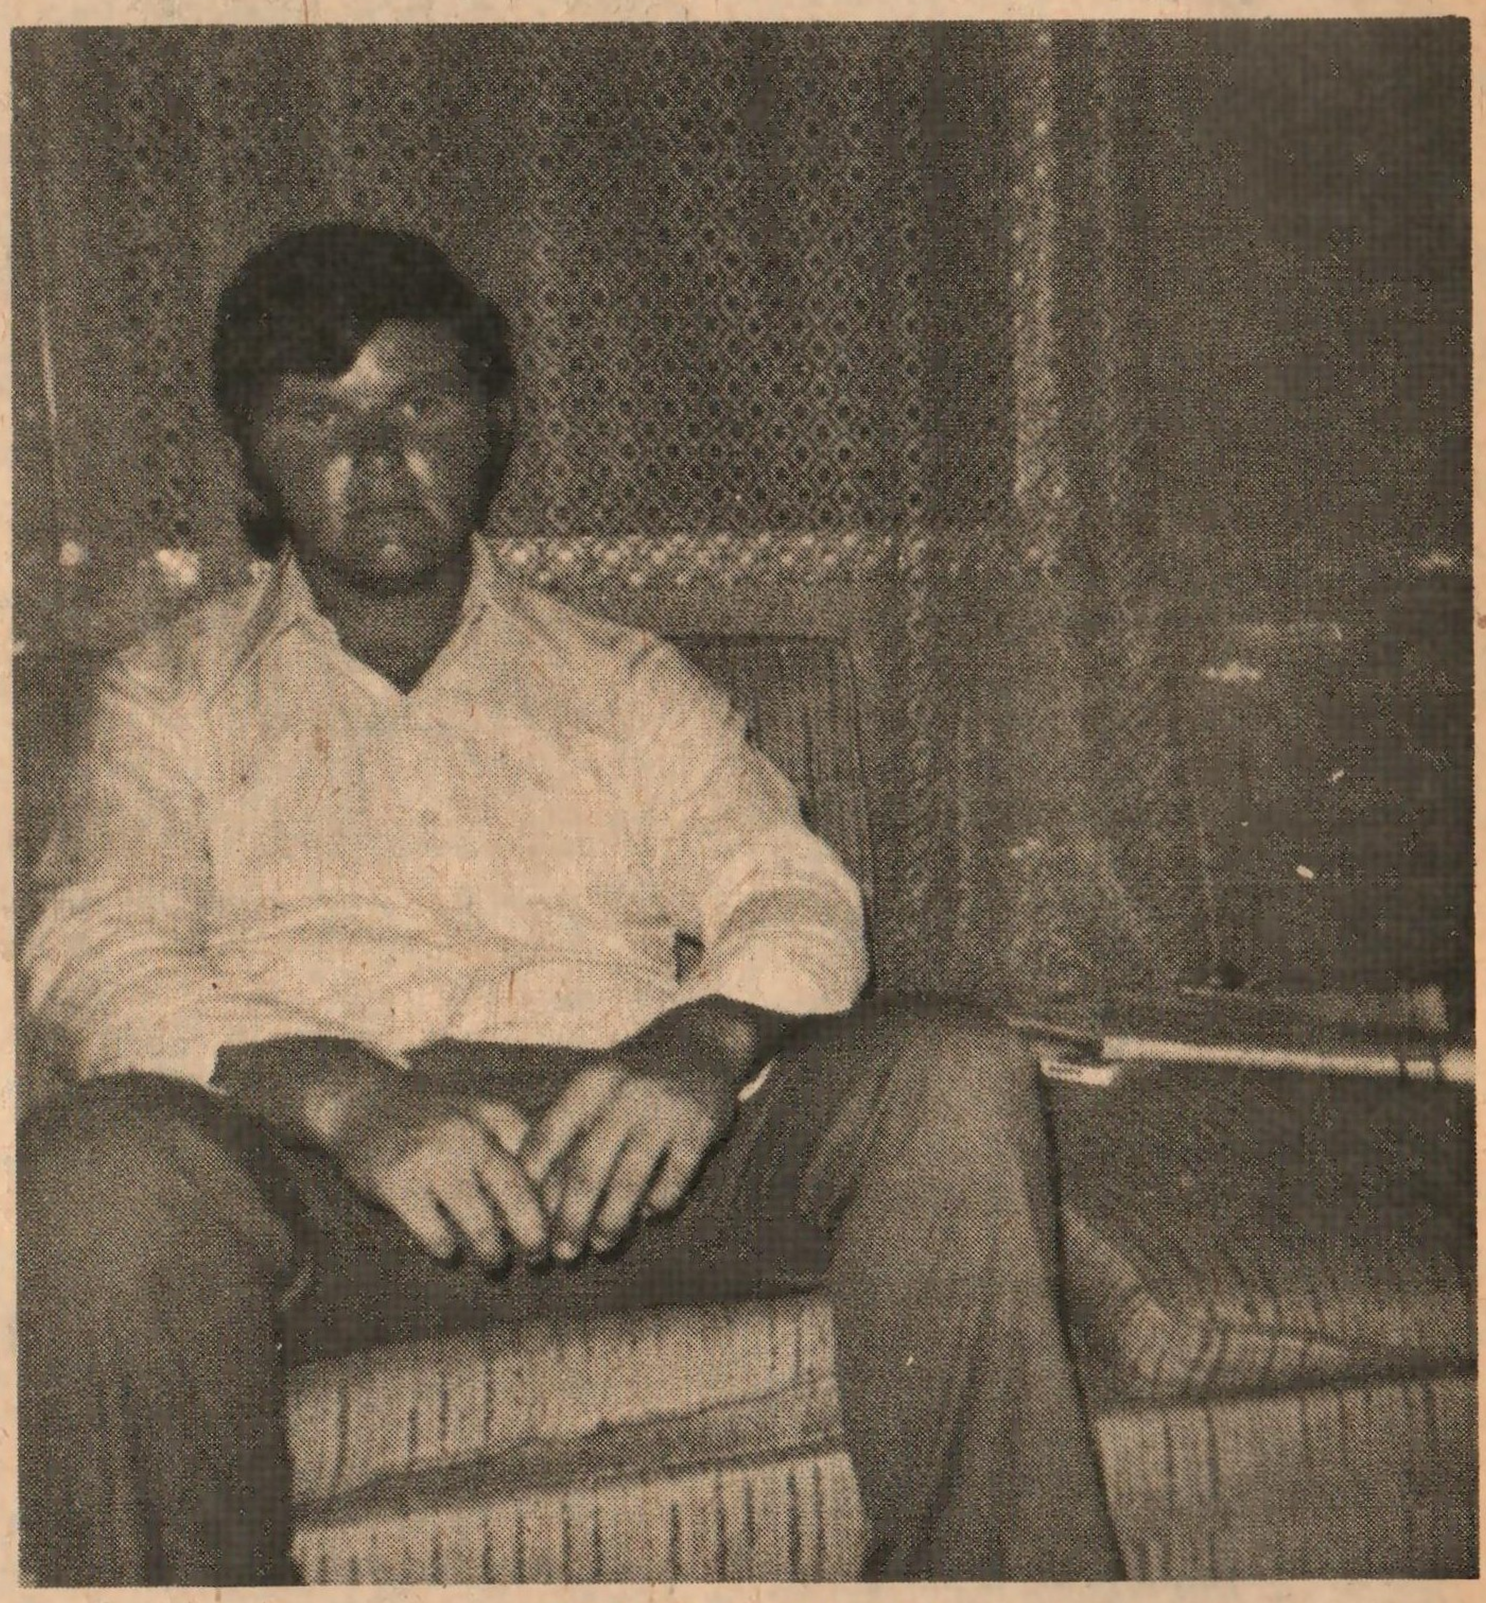
# WRESTLING MONTHLY'S MAIL CALL



JOHN E. CARPENTER

# LIKES AMATEURS

Dear Editor:

I would like to see more stories on California's amateur women wrestlers. It is obvious that these girls are in excellent physical condition and that the bouts are not posed.

I enjoyed the description in your September, 1976, issue of the fight between Judell DuLong and Nancy Hogle.

I hope that Judell and Nancy will have a rematch and I think Nancy would win. Nancy dominated the first bout and only lost because of fatigue. Nancy now knows that she must either pace herself or win early. I think she can do either.

Don Blackman,
New York, N.Y.

(EDITOR'S NOTE: Thanks for your letter. I'm glad you enjoy the articles on amateur women wrestlers. You will probably be interested in the article on Judell DuLong's new wrestling school, Amazon, with photos of some of her top students in action on Page 14 of this issue.)

# FUNK FAN

Dear Sirs:

I picked up my first issue of your magazine, Wrestling Monthly, Dec., 1976 issue, and I've got a few things to say about it.

To begin with, you had some imbecile (Theresa Turner was the name, I believe) write in to throw ridiculous insults at Terry Funk, who is without a doubt, the world's greatest wrestler.

This person thinks Paul Jones will take the title away from Terry Funk. That's a bunch of bull. Let me tell you, Terry Funk can beat the pants off ANYBODY and that includes Dusty Rhodes, Jack Brisco, Paul Jones and anybody else.

That's a simple fact, my friends. Anyone who doesn't know that has got some learning to do. Terry Funk is the greatest and you'd have to be stupid to argue with that.

What's more, you featured an article on the so-called "No. 1 Mat Family," the Rougeaus or something like that. Well, I tell you, I never heard of them. And it was dumb, dumb, dumb of you to print a thing like that when everyone knows that the world's No. 1 mat family is the Funks and nobody, but nobody else.

Your one and only saving grace was your article on Pat Barrett, in which you featured some nice photos of Dominic DeNucci, who is a truly great wrestler. Thanks for that anyhow. I really must compliment you on those fine photos of a fine gentleman.

Cristina Samonte
Ann Arbor, Mich.

(EDITOR'S NOTE: It's very obvious that you are an ardent fan of the Funks, particularly Terry. However, there are plenty of wrestling fans who could argue strong cases for the likes of Bruno Sammartino, Andre The Giant, etcetera as to who is the greatest wrestler and I wouldn't think all these people stupid.

You mention people who have some learning to do and you obviously fall into this category when you admit that you have never heard of the Rougeaus. Johnny, Jacques and Raymond Rougeau are best known in Canada, particularly Montreal, but they have wrestled all over the grappling globe.)

# VISIT TO AUSTRALIA TWO RIVERS' AMBITION

sonalized licence plates, Billy held up five fingers. "You have five licence plates just like it?" kidded his visitor. "No," Billy indicated, shaking his head emphatically. Apparently, in some states, you pays yer money ($5.) and you takes yer choice.

And if you're wondering how a resident of Caughnawaga, Que., can get Vermont licence plates, it must be remembered that Billy spends almost as much time in that state as he does in his homeland.

His popularity in Vermont has risen to great heights. It was there that Billy and his partner Johnny War Eagle ( no relation to Don Eagle or Old Chief War Eagle) won the world tag-team championship while performing for promoters Ira Bleau and Bob Lortie. People flocked (and still do) by the thousands to see Billy, riled up by the villains' dastardly tactics, whip into his frenzied war dance which invariably spelled defeat for his oponents.

If Billy has one ambition before he hangs up his trunks for good, it's to see Australia, the country he almost

got to tour in 1967. "I came home for Expo instead," he shrugs, inferring that the world's fair was something of a consolation prize.

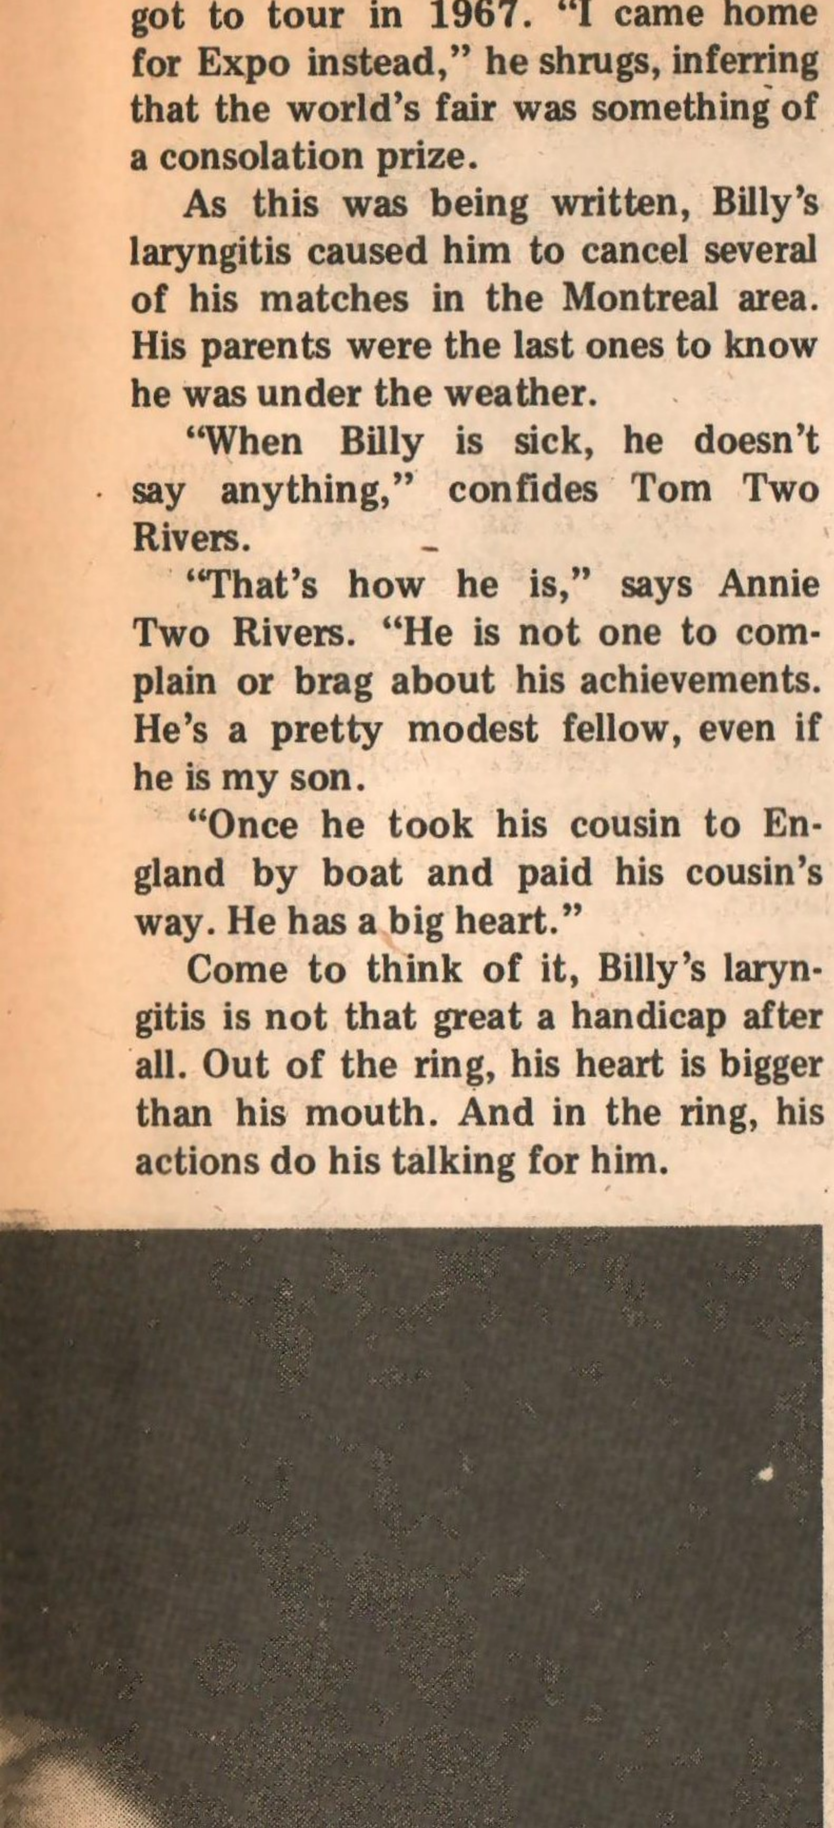
As this was being written, Billy's laryngitis caused him to cancel several of his matches in the Montreal area. His parents were the last ones to know he was under the weather.

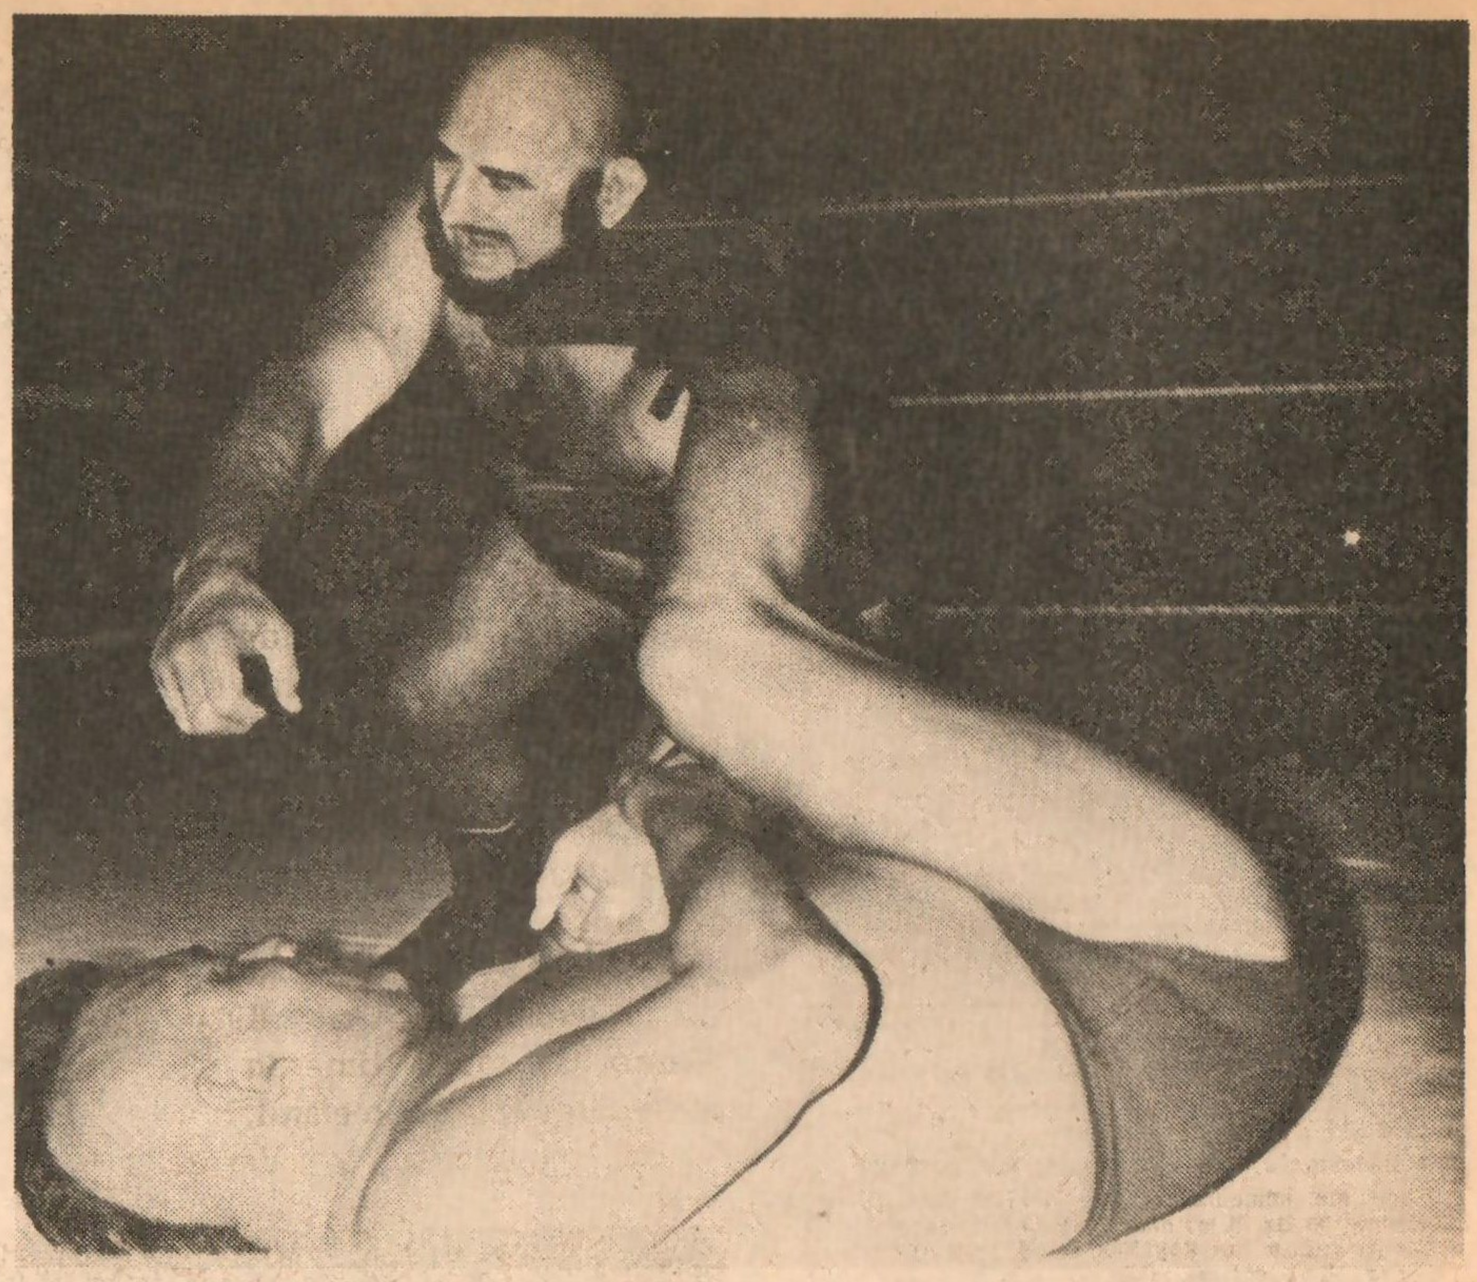
"When Billy is sick, he doesn't say anything," confides Tom Two Rivers.

"That's how he is," says Annie Two Rivers. "He is not one to complain or brag about his achievements. He's a pretty modest fellow, even if he is my son.

"Once he took his cousin to England by boat and paid his cousin's way. He has a big heart."

Come to think of it, Billy's laryngitis is not that great a handicap after all. Out of the ring, his heart is bigger than his mouth. And in the ring, his actions do his talking for him.





Maurice 'Mad Dog' Vachon is about to have his arm stretched by Two Rivers during one of their many matches.

Is it true the amazing secret of TELECULT POWER

# AUTOMATICALLY BRINGS YOU ANYTHING YOU DESIRE...

**And in 10 seconds starts to draw Riches, Love, Fine Possessions, Friends, Power, Secret Knowledge, and much more into your life? See for yourself!**

**Yes, a staggering miracle has happened; A brilliant psychic researcher has discovered a secret—so powerful that it is said to bring your desires to you, from the invisible world, like a blazing streak of lightning!**

*Yes, how would you like to be able to sit in your living room, give the command for love, and instantly have your loved one appear at your side? Or give the command for money, and suddenly find a big, thick roll of dollars in your hand?*•

Now, a daring new book called TELECULT POWER lays bare this magic secret, and shows how it can bring fortune, love, and happiness. And Reese P. Dubin – the man who discovered it – makes this shocking claim . . .

## "Great Wealth And Power Can Be Yours!"

Admittedly, the concept this book proposes is completely opposed and contrary to normal human knowledge and experience. "But at this very moment," says Mr. Dubin, "I have startling proof that I want you to see with your own eyes! I want to show you . . .

- "How diamonds and jewels have appeared, seemingly out of nothingness, shortly after the use of this strange secret!"
- "How a man used this method for a pocketful of money!"
- "How a woman used it to fill an empty purse!"
- "How a farmer received a pot full of gold!"
- "How another user Teleported a gold jewel box to her, seemingly out of thin air!"
- "How a woman used this method to regain her lost youth!"
- "How a man, growing bald, claims he renewed the growth of his hair with this secret!"
- "How a woman used it to bring her mate to her, without asking!"
- "How another woman summoned a man to her –out of thin air!"
- "How a man heard the unspoken thoughts of others, with this secret!"
- "How a woman saw behind walls and over great distances, with it!"
- "How a man broadcast silent commands that others had to obey!"

Let us now clearly demonstrate to you the scientific basis behind the new wonderworking, Miracle of TELECULT POWER!

## "How Telecult Power Brings Any Desire Easily And Automatically!"

For many years, Reese P. Dubin dreamed of a way to call upon the invisible forces at work all around us. He spent a lifetime digging and searching for the secret. These investigations brought him knowledge that goes back to the dim recesses of the past.

*One day, to his astonishment, he discovered that he could actually broadcast silent commands, which others instantly obeyed. Using the secret he tells you about in this book, he tried it time after time – commanding others to sleep, get up and come to him, talk or not talk – and act according to his silent wishes. It worked every time!*

Working relentlessly from this evidence, Reese P. Dubin succeeded in perfecting a new kind of instrument – called a Tele-Photo Transmitter – that concentrates your thoughts, and sends them like a streaking bullet to their destination!

**OTHERS OBEY SILENT COMMANDS!** Writing of the success of this method, one user reports the following experience:

*"I willed her to pick up and eat a biscuit from a plate in a corner of the room. She did so. I willed her to shake hands with her mother. She rushed to her mother and stroked her hands . . .*

*"I willed her to nod. She stood still and bent her head, I willed her to clap her hands, play a note on the piano, write her name, all of which she did."*

"No one can escape the power of this method," says Mr. Dubin. "Everybody – high or low, ignorant or wise – all are subject to its spell! And unless the person is told what's being done, he will think the thoughts are his own!"

**HEARS THE THOUGHTS OF OTHERS!** Experimenting further with the Tele-Photo Transmitter, Reese P. Dubin soon found that he could "tune in" and HEAR the unspoken thoughts of others. He says, "At first, these hearing impressions startled me, and I took them for actual speech, until I realized that people don't usually say such things aloud! And their lips remained closed."

**SEES BEYOND WALLS, AND OVER GREAT DISTANCES!** Then he discovered he could pick up actual sights, from behind walls and over great distances! And when he "tuned in" he could see actual living scenes before him–as clear as the picture on a television screen!

**MAKES WOMAN APPEAR – SEEMINGLY OUT OF THIN AIR!** With mounting excitement, Reese P. Dubin launched one of the most exciting experiments in the history of psychic research. He wanted to see if the Tele-Photo Transmitter could bring him an actual material object! He chose, for this experiment, the seemingly impossible: an actual living person!

*He simply focused the Tele-Photo Transmitter, by dialing the object of his desire. In a flash the door burst open, and there – standing before him, as real as life – was his long-lost cousin!*

He stared and rubbed his eyes, and looked again! There – smiling, with arms outstretched in greeting– stood living proof of the most astounding discovery of the Century!

## Dial Any Treasure!

You'll see how to use the Tele-Photo Transmitter, to summon your desires. This special instrument – your mental equipment – requires no wires, and no electricity. "Yet," says Mr. Dubin, "it can teleport desires, swiftly from the invisible world."

*When you dial your desire–whether for riches, love, or secret knowledge–you capture its invisible, photoplasmic form, at which point "it starts to materialize!" says Dr. Dubin.*

"Telecult Power can work seeming miracles in your life," says Mr. Dubin. "With it, it is possible to dial any desire – called a Photo-Form – then sit back, relax, and watch this powerful secret go to work!"

## "Instantly Your Life Is Changed!"

With this secret, the mightiest force in the Universe is at your command! "Simply ask for anything you want," says Mr. Dubin, "whether it be riches, love, fine possessions, power, friends, or secret knowledge!"

*Suppose you had dialed Photo-Form #2 for Jewels, for example. That's what Margaret C. did, in an actual example Mr. Dubin tells you about. Rich, glittering diamonds and jewels literally appeared at her feet: a pair of gold earrings, which she found that morning . . . a surprise gift of a pearl necklace, and matching silver bracelets . . . a beautiful platinum ring set with emeralds and diamonds, dropped on her front lawn!*

"Almost overnight," says Mr. Dubin, "it can start to multiply riches, bring romance and love . . . draw favors, gifts, new friends . . . or anything else asked for! It isn't necessary for you to understand why. What is important is that it has already worked for many others . . . men and women in all walks of life . . . worked every time . . . and it will work for you, too!"

## Brings A Pocket Full Of Money!

You'll see how Jerry D. used this method. He was broke a week before payday. All he did, he says, was to dial Photo-Form #1. Suddenly he felt a bulge in his pocket. Lo and behold! He took out a roll of money . . . fives, tens, twenties . . . and more! Obviously, it had been placed there–but when? And by whom?

## A Brand New Car Comes!

Marty C., a taxi driver, reports that he just dialed Photo-Form #4, sat back, relaxed, and waited for things to happen. In a short time, great excitement filled the house. His wife came hurrying in, saying, "We won it! We won a car and a cash prize! They just delivered it!" He got up and went to the window. There, big and beautiful,

standing in the driveway, was a brand new Cadillac!

## Brings Mate Without Asking!

Mrs. Conrad B. reports that she was tired of "pursuing" her husband, as she called it. She wanted him to voluntarily do the things she longed for, take her places, show affection. But he hadn't looked at her in years. He would fall asleep immediately after supper, or watched the ball games, or read the papers. Secretly Mrs. B. decided to try this method. She dialed Photo-Form #9 for Love! Instantly, her husband's attitude changed from boredom to interest and enthusiasm. And from that day forward, he showered her with kindness and affection! It was like a miracle come true!

## The Power Of This Method!

There are so many personal experiences which I could recount, stories of healing, wealth, and happiness with this secret, that I find myself wanting to tell all of them at once. Here are just a few . . .

- **REGAINS HAIR GROWTH!** Walter C. had a shiny bald head with just a fringe of white hair showing around the edges. He tried this method, and soon his hair began to regrow. The new hair came in thick, dark, and luxurious!
- **ROLLS DICE 50 TIMES WITHOUT MISSING ONCE!** You'll see how this secret gave Albert J. the power to roll the dice 50 times, without missing once, and–for the first time in the history of Las Vegas–walk away with $500,000!
- **DISSOLVES ALL EVIL!** You'll see how this amazing secret revealed to Lawrence M. the people who were trying to make him look silly at work–actually revealed their secret thoughts–made them confess and apologize!

If TELECULT POWER can do all this for others, what riches, what rewards, what amazing results can it also bring to you?

MOST MEN NEVER REALIZE THEIR POTENTIAL FOR MUSCULARITY. Why? Probably because they've never come across or taken advantage of a training program quite like the one we offer here at UNIVERSAL BODYBUILDING. Our course has the ULTIMATE MASTERPLAN for TOTAL BODY DEVELOPMENT!

Very few men are satisfied with the way they look at present. They know themselves that they wouldn't mind having a REALLY MASCULINE BODY — one that will "turn on" the girls and make the guys envious.

WITH UNIVERSAL METHODS, YOU CAN BREAK OUT OF YOUR "OLD" SELF, AND TRANSFORM YOUR BODY INTO AN ATTENTION-GETTER!!! WE GUARANTEE TO IMPROVE YOUR BODY FAR BEYOND WHAT YOU'VE EVER BELIEVED POSSIBLE! We have perfected bodybuilding training techniques to the extreme, so that we can offer you the fastest gains possible. If you're thin and underweight, you'll be astonished at how quickly muscles appear. If you're overweight, we can help you to trim down the fat and replace it with rock-hard muscle. We'll tone up your abdominal area, and show you how to obtain a well-defined and impressive waist.

Add 2 or 3 inches to your arms, 4 or 5 inches to your chest — your rewards will be in direct proportion to your effort and accomplishments — nobody sets a limit to your success.

In the time it takes to complete this 12 lesson course, we can guarantee you a muscular foundation fantastic enough to be developed to your fullest potential!!! You can go far beyond mere "improvement" with the Advanced Training Techniques included in this course. We can give you the firm, rippling, muscular body of a physique star!!!
